Annual Boy Scout Father and Son Banquet Draws Large Attendance

Presentation Badges Made to Cubs and Queen Scouts Water Sports Films Shown

With one hundred and seventy fathers and sons in attendance the annual Boy Scout Father and Son Banquet was held in Stirling Community Building on Tuesday night. Members of the Stirling Rotary Club also attended in a body.

Following a toast to the Queen and grace by Rev. P. J. Hommersen, the ladies of St. Paul's United Church served a delicious banquet.

Community singing was led by Frank Harding, with Mrs. B. Woodbeck at the piano, after which C. E. West, Chairman of the local Scout Group Committee, welcomed the fathers and sons and spoke of the work being carried on by the group. He also introduced the various leaders and Revs. P. J. Hommersen and F. F. Downing.

The toast to "The Church" was ably proposed by Scout Bill West and Rev. F. F. Downing responded. Cub Fred Sutherland proposed the toast to "The Fathers" with Don R. Williams giving the response.

The thanks of the Scout Group Committee were extended to the ladies of St. Paul's by David Duffin.

The presentations to the Cubs included Second Star badges to Ken Nunn and Ken Green and the Fourth badge to Frank Camm and were made by Cub Leaders G. Armstrong, Mrs. B. Woodbeck and Mrs. J. Irish.

Scoutmaster Don Pitman also made several presentations to members of the Scouts.

Queen Scout Badges Presented

A highlight of the evening was the presentation of Queen Scout badges to Bill West, Glen Hagerman, Jim Haggerty, Donald Stewart and David Cook by District Scout Commissioner J. Irish. Each Scout also received a letter of congratulations from E. Sandercock, M.P.P., who was unable to be present. This makes six Queen Scouts in the past year, Paul Rollins having received his badge in July last.

The Stirling Branch of the Royal Canadian Legion recently presented the Scouts with a new flag and Scout Jim Haggerty made the presentation of the old flag, in service since 1931, to District Scout Commissioner J. Irish and Cub Leader Mrs. Irish as a memento.

Two films, "Water Safety and Boats" and "Water Skiing at Kirk's Cove, Arden," were shown by C. E. West, assisted by S. McCarton. These were supplied by the Outboard Marine through D. Rodgers, local representative.

The evening was concluded with prayer by Rev. P. J. Hommersen.

Local and Personal

Mr. and Mrs. W. de Jong are spending this week in New York.

Mr. and Mrs. Don Rodgers returned home yesterday after spending a vacation in Florida.

Mrs. R. S. Gunter, who has spent the past three months with her daughter, Mrs. Nix Flindall, and Mr. Flindall, has returned to her home at Wooler.

Mr. and Mrs. J. L. Good spent Sunday afternoon at North Gower with Mrs. Ernest Lewis and family. They also spent Sunday night with Mr. and Mrs. David Vace and family, Ottawa.

Mr. and Mrs. Jas. V. Holt returned home on Thursday last after a holiday in Florida.

Following an absence of nine years, Mrs. Lillie Howard and daughter, Ruth, have returned to Stirling where they plan to make their permanent home. Mrs. Howard is establishing the Rainbow Beauty Salon in the premises opposite the local Post Office at an early date.

Mr. and Mrs. H. E. Baker and Mr. and Mrs. David Duffin returned home Friday last from a vacation in Florida.

Some cynic defines friends as two women mad at the same person.

Play-offs Tonight

Stirling "Chevies" will meet Marmora Midgets in the next round of the O.M.H.A. Midget "C" play-offs. The first game will be played at the Stirling Arena tonight (Thursday), commencing at 8.15 o'clock.

The local boys are playing a good brand of hockey and while little is known of the Marmora team, fans are assured of a real fast game. The second game will be at Marmora Saturday night.

Plan to attend and give the Stirling team your support — it will be appreciated.

Entertain Pupils

On Saturday evening, February 17th, Mr. and Mrs. Ralph Clements, R.R. 1, Harold, were host and hostess to the pupils of U.S.S. 11 and 17, Rawdon and Huntingdon, where Mrs. Clements is the teacher.

The happy crowd piled on a sleigh pulled by a tractor and enjoyed an hour and a half of spills and tumbles. Upon returning to the house they were only too eager to enjoy a lunch of hot soup, sandwiches, hot cocoa, cookies and cake. Following lunch the pupils enjoyed humorous relay games, round and square dancing.

The evening was brought to a close when the pupils and others in attendance sang "For She's A Jolly Good Fellow." A special "thank you" is extended to Mrs. Cecil Carter, Mrs. Earl Ketchen and Mrs. Tom Clements who volunteered their help.

Stirling "Chevies" Eliminate Wellington in Two Straight Games

Meet Marmora in The Next Round — First Game Here Tonight — Marmora Star.

Stirling "Chevies" have advanced along the O.M.H.A. Midget "C" play-off trail by defeating Wellington in two straight games during the past week. The locals played an aggressive, but clean, brand of hockey and deserved the victory in both games. The first game resulted in a 7 to 6 win and the second 7 to 2.

First Game

The first game was played at the Stirling Arena on Thursday night last before a large crowd of spectators who witnessed a thrilling exhibition of hockey. It was not until Hagerman scored on a breakaway in the final minutes of the third period that the issue was settled. Both teams took turns at putting on a driving offensive and the fans were kept in suspense throughout the final period.

The "Chevies" opened the game with a strong offensive and took a three to nothing lead before the period was half over. Hagerman from Mason, Vandervoort from Rogers and Donohoe were the scorers. Wellington counted their first at the 12.55 mark with Gallagher scoring on an assist from Channell. Wrightman made the score 4-1 for Stirling on a pass from Noble and Budzajewski counted unassisted for Wellington to make the period score 4 to 2.

There was no scoring in the second period.

In the final stanza Budzajewski scored at the 3.47 mark on a pass from Battley, but Faulkner gave the locals a 5 to 3 lead unassisted. Lavender put Wellington back into the game with a goal from McNeill at 11.03, but Faulkner counted again on an assist from Hagerman to make it 6 to 4. Goals by Craig, from Budzajewski and McNeill from Budzajewski, tied the count and the fans were in an uproar. However Grant Hagerman proved the hero for the local fans with his goal at the 19.21 mark to wrap up the game.

There were only three penalties in the game, two going to the visitors.

Wellington — Goal, L. Holmes; def., Lavender and Craig; c. D. McNeill; wings, DeMille and Battley; alternates, Channell, Ogilvy, Gallagher, Bryant, Dick and Bulgajewski. Stirling — Goal, Morrow; def., Potts and Bosiak; centre, Grant Hagerman; wings, L. Mason and A. Faulkner; alternates, J. Noble, J. Wright, A. Wrightman, Robert Vandervoort, Roy Rogers, Sarles and Donohoe. Second Game 7 to 2

Mrs. G. W. Dickson Died In Hospital

Mrs. G. W. Dickson, Front St. W., died in Belleville General Hospital early this (Thursday) morning following a month's illness.

The late Mrs. Dickson was the former Marion Hampton, and is survived by two daughters, Mrs. Peter Robertson, of Alberni, B.C., and Mrs. Edwin Warren, of Stirling, and a son, Hampton Dickson, of Hamilton. She was a member of St. Paul's United Church, Stirling, and Belleville Chapter No. 55, Order of the Eastern Star. Funeral arrangements had not been completed at time of going to press.

Hon. J. R. Cooke Chapter I.O.D.E. Elects Officers for Current Year

Pot Luck Supper Enjoyed at St. John's Parish Hall — Mrs. Grant Stapley Hostess

Mrs. Grant Stapley was hostess to the February meeting of the Hon. J. R. Cooke Chapter, I.O.D.E., at the St. John's Parish Hall on Thursday last.

The meeting was preceded by a pot luck supper after which the general business was dealt with. It was reported that the National Chapter contributed \$1000.00 to the British Honduras Relief Fund. Also that the adopted child of the local Chapter, Anna Bendig, of Germany, secured a new coat and clothing with her Christmas money. Mrs. E. Bateman gave a short paper on Communism.

Following the adjournment of the regular meeting the annual reports were given. The Treasurer reported the receipts as \$986.38 and disbursements as \$853.33.

A report of the year's activities will be found in full in the Secretary's report will appear in next week's issue.

Napanee Lodge Pays Fraternal Visit

Some thirty members of Argyle Lodge, No. 80, I.O.O.F., Napanee, made a fraternal visit to Stirling Lodge, No. 239, last night. During the meeting the visiting brethren conferred the third degree on a number of candidates, under the direction of Arnold Rodgers, degree captain.

Noble Grand Roy Tucker welcomed the visiting members who were in attendance from Madoc, Campbellford, Belleville, Deseronto and Napanee. Following the work of the evening refreshments were served and a social half hour enjoyed.

The election of officers for the year 1962 was as follows:

Regent — Mrs. Bruce Glendinning
Vice-Regent — Mrs. Wm. Morton
Secretary — Mrs. Ken Sine
Treasurer — Mrs. Allen Munro
Educational Secretary — Mrs. Jack Armstrong

Echoes Sec. — Mrs. Geo. Loshaw
Standard Bearer — Mrs. Robert Philp
Services at Home and Abroad Sec. — Miss Shirley Francis

Membership Sec. — Mrs. Ralph Utman

Civil Defense Secretary — Mrs. A. Fraser
Mrs. Glendinning was named as delegate to the Provincial Annual Meeting to be held at Hamilton in April.

Mrs. Stuart McCarton invited the Chapter to her home for the March meeting.

In Hospital

Friends of Miss Marilyn Reid, of Stirling R.R. 4, will regret to learn she is a patient in Kingston General Hospital.

Stirling Pee Wees Won Fraser Trophy

The Legion-sponsored Pee Wee Hockey Tournament last Saturday was a great success in spite of snow and blocked roads. The weather accounted for three teams withdrawing from competition; however, the remaining Pee Wee teams staged a keen battle through numerous games.

Stirling Pee Wees, sponsored by the Legion, were the winners of the M. S. Fraser Trophy. They defeated Madoc 2-1 in overtime, then they ousted Cooper 6-0 and in the finals they took Frankford 4-1 to win the tournament. The trophy was presented to the local club by Comrade M. S. Fraser.

Other participating teams were Brighton, Madoc, Frankford and Cooper. The Legion wish to thank these clubs for their support by attending in spite of most unfavourable weather.

I.O.O.F. Euchre

Ten tables were in play at the euchre party sponsored by the Odd-fellow and Rebekah C.P. & T. Fund in the I.O.O.F. Hall on Friday night last. Mrs. Lloyd Dufoe had the high score, 86 points, and Mrs. Ray Rose was second with 73 points for the ladies. For the gentlemen Bernard Farrell was high with 78 points and Kenneth Ray second with 66 points. The lone hand prize was won by Bernard Farrell and the consolation prize went to Mrs. Bernard Farrell.

Men's Bowling

Third quarter standings are as follows: Bolows 35, Drones 32, Oddfellow 33, Legion 26, Maple Leafs 25, Elaines 20, Six R Dees 14 and Rockets 12.

1st quarter winners were the Bolows; second quarter, Oddfellow; third quarter, Drones.

High single for the night went to Wayne Barnard, 309; high triple, J. Armstrong 775.

Other good games — J. Armstrong 268, Ken Cooke 260, Ray Rose 273, Doug McCrory 287.

"At Home"

Mr. and Mrs. J. W. Holmes will be "At Home" to their relatives, neighbours and friends at their residence, R.R. 3, Stirling, on Tuesday, March 6th, from 2 to 5 p.m. on the occasion of their fiftieth wedding anniversary.

Win At Marmora

A Stirling rink composed of Dr. Wm. Hipwell, skip; Ted Barnard, Dr. R. B. Murray and J. Doran, won third prize in the third event in the Marmora bonspiel on Saturday.

To Preach At St. Andrew's

Rev. Gordon Agar, of King City, will be the minister at St. Andrew's Presbyterian Church, Stirling, at 11 a.m. Sunday next, March 3rd. He will also preach at St. Andrew's Presbyterian Church, West Huntingdon, at 2.30 Sunday afternoon.

Loses Brother

Stirling and district friends extend sympathy to Mrs. A. E. Good, Annis St., in the loss of her brother, the late G. E. Lewis, of North Gower, who died in an Ottawa hospital on Friday last. The funeral was held at Holy Trinity Church, North Gower, on Monday. Interment at Kars Cemetery.

Scouts and Guides Attend St. John's Sunday Last

To commemorate the birth of the founder of the Boy Scout Movement on February 22nd, 1857, more than 150 Scouts, Cubs, Guides, Brownies and Rangers attended the Divine Service last Sunday morning. Led by their colours, they marched to St. John's Anglican Church. Members of the colour party were Jim Haggerty, David Cook, Frank Camm, Freddie Sutherland, Susan Webber, Lyn Tanner and Susan Parsonson.

The colour parties followed the choir and clergy of St. John's into the Church during the processional hymn, "Onward Christian Soldiers," and after the singing of the National Anthem, the flags were placed in the chancel.

The Lessons were read by Mr. Frank Harding and District Commissioner J. Irish.

The Rector, the Rev. F. F. Downing, took for his text, the 33rd verse of the sixth chapter of St. Matthew's Gospel, "Seek ye first the Kingdom of God and his righteousness and all these things shall be added unto you" and spoke to the group on three subjects with which they were familiar in school — Geography, Mathematics and Grammar.

At the conclusion of the service the colour bearers received their colours and following the recessional hymn, "Stand Up, Stand Up For Jesus," led their groups out of the church.

The Rector was assisted in the service by the Rev. F. A. Crook. Leaders with the various groups were as follows:

Cubs, Mrs. J. Irish and Jerry Armstrong; Scouts, Don Pitman, Allan Tanner and Frank Harding; Brownies, Mrs. C. E. West, Mrs. F. Harding, Edith De Jong and Louise Harding; Guides, Mrs. Bert Cooke and Mrs. Everett Cooke; Rangers, Mrs. Harold Chambers.

Also present was District Guide Commissioner, Mrs. Robt. Luery, and the Moira Valley District Commissioner, Joe Irish.

P. School Board Monthly Session

C. H. Waldron, Inspector of Public Schools, Presents Report—Delegates Named

The regular monthly meeting of the Stirling Public School Board was held last night with R. Jeffs presiding. He was supported by Mrs. R. Luery and Messrs. R. Cooke, E. Warren, D. R. Williams and A. Munro.

Correspondence was tabled from Ontario Department of Education requesting the Board to review the liability insurance in force; from the Ontario Public School Trustees' Association, re a conference in Kemptville this month; G. H. Waldron, Inspector, re school requirements for Rodgers sub-division; and H. C. Martin, re roller insurance and treasurer's bond.

A communication also announced a trustees conference to be held in Belleville April 7th, and Chairman R. Jeffs and R. B. Bell, sec-treas., were appointed as delegates to attend. The payment of \$4.00 fee was also authorized.

Mrs. R. Luery, chairman of the teachers' committee, reported on a conference on teachers' salaries, at which Marmora, Madoc, Tweed and Stirling School Boards were represented. According to Mrs. Luery the schedule of salaries at the local school was in keeping with the other urban centres in the area.

R. D. Cooke reported a light installed at the rear of the school. The matter of the school boiler, which is considered inadequate, will be investigated.

G. H. Waldron, Inspector, discussed the report of his inspection of the local school with Board members, and it was accepted with thanks.

Principal Maryn Scott gave his report showing the monthly enrolment as 237.

The following accounts were passed for payment:

F. Harding, \$109.45; Mrs. S. Scott, \$30.00; Mrs. Helen Nelson, \$24.00; Ditto Co., \$27.82; Jack Hood School Supplies, \$65.00; Bell Telephone, \$9.39; H. C. Martin, \$98.00; F. R. Armstrong, \$1.96; H. C. Bird, \$3.66; Postage, \$6.00; R. E. Fox, \$19.00; Ken Sine, \$143.70; Oosting Electric, \$42.61; Stirling Public Utilities, \$136.58.

At the conclusion of the meeting refreshments were served

Honour Newly-Weds

On Saturday evening, February 17th, friends and relatives gathered in the Oddfellow's Hall, Stirling, to honour Mr. and Mrs. John Williams, nee Beverley Cooney.

A short programme was followed by a showing of slides of the wedding, taken by Mrs. Ivan Eggleton, and then Mr. and Mrs. Alton Hadley showed some slides and film taken on their recent African tour. These were made doubly enjoyable by the most interesting comments and explanations given by both Mr. and Mrs. Hadley.

The young couple were presented with a living room chair with the best wishes of Beverley's friends and former neighbours and miscellaneous other gifts and received the congratulations of all present.

Unit Three St. Paul's U.C.W.

Mrs. Carl Potter opened her spacious home to the officers and members of Unit Three of St. Paul's United Church Women on Tuesday evening, February 20th.

Mrs. Grant Richardson, leader of the group, thanked the hostess and also extended a warm welcome to all.

Mrs. Harry Vandervoort conducted the worship period, assisted by Mrs. Allan McDonnell. With Mrs. Don Pollock at the piano all sang hymn 176, followed by an inspiring prayer by Miss Mary Hulin.

Secretary Mrs. Roy Tucker called the roll with 18 replying.

Supply Secretary, Mrs. R. West, reported having a meeting and plans will be in progress for quilting, sewing baby garments and knitting.

At this point the leader welcomed Mrs. Keith Stephens into the group.

Roll call will be answered by a verse or a scripture passage from the Bible at future meetings.

A Fund Barrel will provide means to raise some money — further notice will be given of this at the March meeting as to a choice.

A skit was put on by Mrs. L. Jones, Mrs. M. Scott, Mrs. C. Potter, Mrs. R. Luery and Mrs. E. Bateman.

Mrs. G. Richardson conducted a Biblical contest "Does the Bible say?" It is hoped this will continue at each meeting as it is not only educational

but prevents dust collecting on one's Bible — it will have tattered pages instead from everyday use.

All were pleased to have Mrs. Hommerson at this meeting and a standing invitation is extended for every meeting.

The collection was taken and dedicated by the leader and a tasty lunch was enjoyed with the usual social visit.

Mrs. C. Watson Hostess Wellman's Women's Institute

Mrs. Craig Watson was hostess to the ladies of Wellman's Women's Institute on Wednesday, February 21st. There was a large attendance, 21 ladies and 7 children.

Mrs. Gerald Clancy, President, was in charge and opened the meeting with the Institute Ode, followed by the Lord's Prayer.

The minutes read by the Secretary, Mrs. John Carlisle were approved. The correspondence was dealt with and the Pennies for Friendship jar was passed.

The poster which had been designed and prepared for the meat course by Mrs. Gerald Russett, was displayed. The song used by the ladies at the meat course was sung. The lyrics had been written by Mrs. Ken Tompkins. There were several ladies from Wellman's who attended the Achievement Day in Stirling, including the

leaders, Mrs. Clifford and Mrs. Carl Clancy.

Roll call, "The most amusing incident of my life," was well answered. Mrs. Gerald Russett gave the current events. Mrs. Stewart Hoover gave a well prepared paper on the motto, "Troubles are like ugly dogs — they look worse coming than going." The collection was taken.

Mrs. Ken Tompkins, convener for Public Relations, was in charge of the next part of the program. There was a panel discussion on radio and television, consisting of 8 phases of programs: Young children's program, programs for school age, women's programs, programs for entertainment, religion and agriculture, news bulletins and advertising were also discussed. The ladies on this panel were Mrs. Douglas Clancy, Mrs. Elmer Cotten, Mrs. Fred Beckett, Mrs. Jim Pollock. Each panelist was given one minute for her opinion on each subject with Mrs. Byron Seeley acting as time-keeper.

Mrs. C. Watson rendered a piano solo, "I want a girl just like the girl that married dear old dad." A brief discussion on the panel subjects took place by all present. Mrs. Gerald Clancy gave a piano solo consisting of two numbers, "Slide by Side" and "Anniversary Song."

Mrs. Gerald Clancy thanked all those taking part in the programme in any way with special thanks to the hostess.

A get-well card was signed by all

present to be sent to Mrs. A. Akina, who has been a patient in the hospital for some time.

The Creed was repeated, followed by the Queen, bringing to a close a most interesting meeting.

Mrs. Watson served dainty refreshments and all enjoyed a social half hour.

Trent-Moira Forestry Club

The Trent Moira Forestry Club met at the Board Room of the Agricultural Office on Wednesday night of last week.

Mr. Edison was unable to be present, so taking his place was George Warner, local Game Warden, who resides in Stirling, and the members were able to question him on his work dealing with conservation.

The meeting was adjourned and it was decided that the next meeting will be held at Roslin at the home of the White brothers on March 7th.

McKnight -- Webb Wedding Solemnized

A very pretty wedding was recently solemnized in Springbrook United Church at 1 o'clock, when Rosemary Violet Webb, R.N., daughter of Mr. and Mrs. Gordon Webb, Bonarlaw, became the bride of David John Mc-

Knight, son of Mr. and Mrs. S. McKnight, Ottawa. The Rev. H. E. Beare, of Roseneath, performed the ceremony, assisted by Mr. H. Pillen, of Springbrook.

Mrs. George Williams played the wedding music and accompanied the soloist, Mr. Jack Grant, of Marmora, who sang "Those Lovely Things," during the signing of the register. The Church was decorated with pot-teries and white flowers for the occasion.

The bride, given in marriage by her father, looked very lovely in her her father, looked very lovely in her wait-length gown of white and silver interlaced brocade, with fitted bodice and sleeves. She wore a seed pearl tiara and carried a white Cattleya orchid with white hyacinths.

The bride was attended by Mrs. Merle Rathwell, as matron of honor. Her gown was of regency blue french velvet with matching hat, and she carried a bouquet of pale pink roses.

The bridegroom was attended by Mr. Harold Huycke, of Petawawa. The ushers were Albert Broad, Belleville, and Howard Hutcheon, Springbrook.

After the signing of the register the bridal party received the guests in the Church. The bride's mother gown in a light blue brocade coat-dress with matching hat and corsage of garnet sweetheart roses, received the guests, assisted by the bridegroom's sister-in-law, Mrs. R. J. McKnight, of Ottawa, gown in a two-piece brown dress with figured jacket and corsage of yellow roses.

A reception was held in the Church basement. The head table was centred with a three-tier wedding cake. Tall white candles and the bridal bouquets completed the decoration.

The other tables were decorated with centres of pink and white flowers and tall white candles. The U.C.W. catered and a turkey dinner was served by six waitresses to fifty guests.

Mr. Pillen was toastmaster. The groom responded to the toast to the bride. The bride's father invited the guests to their home. Congratulations were extended by the bridegroom's brother, R. J. McKnight and Rev. H. Beare.

The bridegroom's parents were unable to be present due to the illness of Mrs. McKnight. The bride's grandmother, Mrs. T. Webb, who had recently celebrated her 90th birthday anniversary, sat at the head table with the bridal party.

The bride's home was tastefully decorated in pink and white and the numerous and lovely gifts were on display.

The bride is a graduate of Kingston General Hospital School of Nursing, but recently with Ottawa Civic Hospital. The happy couple will make their home in Ottawa.

Guests were present from Ottawa, Brockville, Belleville, Petawawa, Marmora, Campbellford and Kingston.

The bride was honoured with a miscellaneous shower given by Mrs. Don Reid, Bonarlaw.

CHAMBER OF COMMERCE NEEDS YOUR SUPPORT

Following a period of passiveness
due to lack of interest by the mem-
bership, the Stirling Chamber of Com-
merce is in the course of revival. At
a recent meeting a new executive was
chosen and plans have been completed
for a dinner meeting next Monday,
March 5th, in St. John's Anglican
Parish Hall. Mr. E. Nokes, of the
Ontario Chamber of Commerce, will
be the guest speaker and every busi-
ness man or interested citizen is urged
to be present.

The Chamber of Commerce is a
must for any village if that munici-
pality is to maintain its position as a
leader among municipalities of its
category. It is the ideal liaison or-
ganization between the business
world and government as well as be-
ing the best means of solving prob-
lems among the various merchants
and manufacturers.

While there are no vital issues to
be settled at once there are always
matters affecting the business life of
the community to be discussed and
acted upon. Probably some business-
man or citizen has a suggestion for
the improvement of our Village. If
so, let's hear it and perhaps the
Chamber could bring it to a success-
ful conclusion.

In the past the local Chamber of
Commerce did the original survey for
the sewerage system with the result
that it is now completed and places
the local Village in a much more ad-
vantageous position as regards the
location of industry here than ever
before. It has also helped in many
other problems of the businessmen.

It is necessary that Stirling has an
active Chamber of Commerce — can
the executive count on your support.
Buy a ticket and be present at the
dinner meeting next Monday night.

Entered Into Rest

MRS. CHARLES LOUGH

In failing health for the past four
years, Mrs. Charles Lough, of Spring-
brook, died Saturday, February 24th,
1962, at the Campbellford Memorial
Hospital. She was in her 69th year.

Born in Rawdon Township, she was
the former Minnie Mumby, daughter
of the late Mr. and Mrs. David
Mumby and had lived in the district
all her life. She was a member of St.
Mark's Anglican Church, Bonarlaw.

She is survived by her husband,
Charles Lough; one daughter, Mrs.
Roy (Hazel) Shortt, of Springbrook,
and two sons, Clifford, of Tweed, and
Roy, of Toronto. There are 10 grand-
children.

Also surviving are three sisters,
Mrs. Jessie Hallet, of Toronto; Mrs.
Robert Sweet and Mrs. Emma Mc-
Curdy, both of Springbrook, and four
brothers, William Mumby, of West
Huntingdon; Percy, of Springbrook;
Angus, of Moira, and Arthur, Tweed.

The funeral took place from her
late residence, Springbrook, on Tues-
day to St. Mark's Anglican Church,
Bonarlaw, for service at 2.30 p.m. The
service was conducted by Rev. R. G.
Fleming.

Interment Mt. Nebo Cemetery.

Federal Grant To Newburgh Milk Products Increased

A Federal grant to Newburgh Milk
Products Limited under the Cheese
Factory Improvement Act has been
increased by \$8,000, it was announced
recently by Roderick A. Webb, M.P.

for Hastings-Frontenac, on behalf of
Agriculture Minister Alvin Hamilton.

The original grant was for \$44,143
and was based on an estimated cost
of \$88,268.

Remodelling costs were revised up-
wards by \$16,000 for a total of \$104,
286 when it was found that some of
the original equipment could not be
used in the enlarged building as plan-
ned in the earlier estimates.

Minto

Salem W.A. held a quilting at the home of Mrs. Orval Jackson on Tuesday afternoon of last week.

We are sorry to report Mr. H. Stobart confined to hospital. Friends hope for a speedy recovery. Mr. Beverly Foster, of Moira, conducted the service at Salem Church on Sunday morning.

Mr. and Mrs. Harry Geen and family spent Saturday evening with Mr. and Mrs. Ivan Saries.

Mr. and Mrs. Stafford Cassidy and family, Stoco, spent Thursday evening with Mr. and Mrs. Joe Forestall and on Friday evening Mr. and Mrs. Roy LaChapelle and family, Stirling, were guests at the same home.

Mr. and Mrs. Carman Colden and girls, of Springbrook, spent Sunday evening with Mr. and Mrs. Ed Colden.

Mr. and Mrs. George Wilson returned home to Valley Park, Sask., on Wednesday having spent the past week with Mr. and Mrs. Lindsay Tanner, also visiting relatives in this vicinity.

Mr. and Mrs. Harry Geen entertained Rev. and Mrs. Fleming, Mr. and Mrs. Ed. Colden, Mr. and Mrs. Ted Preston, Mr. and Mrs. John Courtney, Mr. and Mrs. Lindsay Tanner, Mr. and Mrs. George Wilson, Mr. and Mrs. Ken Mumby and Don, Miss

Edna Tanner, Messrs. Clare and Geo. Tanner to a social evening Friday night.

Mr. and Mrs. Murray Reid and Mary, of Belleville, were tea hour guests of Mr. and Mrs. Lorne Hagerman on Sunday.

S.S. Supper and Slides

A supper was held in Salem United Church Hall on Thursday evening, sponsored by the Sunday School and was well attended.

Following the meal the Superintendent, Mrs. Mel Wickens, welcomed everyone, making special mention of Mr. and Mrs. A. Hadley, who were so kind to give of their time to show their pictures, also Mrs. Fargey and the pupils of the school who sang four numbers which were very well given and received. Each Sunday School teacher then presented to her class their award winning pins.

Mr. and Mrs. Hadley showed their most interesting pictures taken while in Africa. Everyone thoroughly enjoyed these and thanks was expressed to Mr. and Mrs. Hadley.

A collection was taken and an encouraging amount realized for the Sunday School.

Newlyweds Honoured

Springbrook Hall was comfortably filled on Friday evening when relatives, friends and neighbours gathered

to honour Mr. and Mrs. Lorne Ray (nee Karen Clemens) on their recent marriage. Mr. Ken Mumby acted as chairman, congratulating the young couple and expressed happiness and best wishes to them.

Mr. Keith Vanhorne and daughter sang two numbers. Mr. Glenn Heagle read the address and Lorne and Karen were presented with a space saver as well as several individual gifts, for which they very suitably replied thanking everyone for the lovely gifts as well as all who had contributed and were responsible in any way toward the success of the shower. They also invited all to visit them at any time.

"For They Are Jolly Good Fellows" was sung. Lunch was served and dancing enjoyed to the music of Mr. and Mrs. S. Nelson.

Salem W.A.

The February meeting of Salem W.A. was held on Thursday, the 15th with a splendid attendance.

A quilt was finished during the day with a dinner served at noon.

At 2:00 p.m. the President, Mrs. B. Heagle, opened the meeting with a hymn, an appropriate poem and the Lord's Prayer.

Mrs. Bert Sine thanked everyone for kindness during her illness. Mrs. Ern Broadworth reported for the visiting committee. A donation was

given to the Parsonage Committee. Mrs. Ern Broadworth took charge of the programme. A hymn was sung. Mrs. H. Holden read the Scripture lesson with Mrs. Bert Sine reading the meditation. Mrs. Ern Broadworth led in prayer. Readings were given by Mrs. Ivan Saries, Mrs. Mel Wickens, Mrs. J. B. Hagerman, Mrs. Orval Jackson and Mrs. Frank McGee. Mrs. Stanley Kellar thanked the hostess.

Madoc Junction

Congratulations to Mr. and Mrs. Thomas Kovach on the birth of their daughter at Belleville Hospital on Sunday, February 18th.

Herbert Buckingham, of Hanover, Ont., former district Royal Bank manager, in his 66th year, beloved husband of Helen Winnifred Zwick; dear father of Charles, Guelph; Mrs. Agnes MacDonald, Oshawa; Mrs. Kenneth (Helen) Sebben, Waterloo; dear brother of Mrs. Jessie Dedrick, of Industry, N.Y. Interment in Hanover Cemetery.

LEWIS, George Ernest — In hospital on Friday, February 23rd, 1962, George Ernest Lewis, of North Gower, in his 85th year. Beloved husband of Ivy Hyland and dear father of Mrs. Leonard (Ellida) Allen, of North Gower; Mrs. Roland (Jessie) Pink, of Wilmington, Delaware, and Bert, of Calgary, Alta.; brother of Mrs. A. E. Good, Stirling, and Frank Lewis, of Kemptonville. Service in Holy Trinity Church at 2 p.m. on Monday, February 26th. Interment Anglican Cemetery, at Kars.

CARD OF THANKS

Thanks is a little word but it means so much. May we extend our sincere thanks to relatives, friends and neighbours for calls, cards and gifts and kind wishes on our golden wedding anniversary.

52-1 John and Helen McMullen

CARD OF THANKS

We wish to thank our many friends and officers and members of Stirling Lodge, No. 69, A.F. & A.M., for cards of sympathy and comforting words during our recent sad bereavement in the loss of a loving father.

52-1p Lorraine and Bob McCullough

CARD OF THANKS

Mr. and Mrs. Edgar McKeown would like to take this opportunity to thank their relatives, friends and neighbours for their lovely gifts; also for their help in making our Golden Anniversary Day so wonderful. Thanks so much to all. 52-1p

CARD OF THANKS

We would like to express our sincere thanks to the nurses, nurses' aides, hospital officials and Mrs. Baker and Kaufmann for special care and attention given to a dear wife and mother while in Campbellford Memorial Hospital; to relatives, friends and neighbours for floral tributes and acts of kindness during our late bereavement; to Duffin funeral directors for their services, and a special thanks to Rev. R. G. Fleming and Rev. F. F. Downing for their comforting message.

52-1p Chas Lough and family

25 POOR-DOERS CATCH-UP AFTER 'PERMACO' BULLETING

'PERMACO' GIVES 15%-25% GAINS

"Though all got supplementary minerals and heavy protein, 25 of my 70 pure bred Herefords were still unthrifty. Five months after these were bulleting with 'Permaco', they had improved 15 to 25% and had caught up with the rest of the herd."

Harry Hill, Alexandria, S.D.
"PERMACO" UPS MILK 12%
"For the past 12 years, we've made the National Honour Roll for production, yet two months after bulleting 15 head of our milking herd with 'Permaco', their production increased by 12%. Our replacement herd showed equal improvement. We strongly urge other dairymen to use 'Permaco' for greater profits."

St. Mark's W.A. Bonarlaw

The February meeting of St. Mark's W.A. was held at the home of Mrs. John Eggett on Thursday afternoon, February 15th at 2 p.m.

The meeting was opened by all singing "The Love of Christ Constrains," followed by the Litany and Prayers by Rev. Fleming. Mrs. Wellman read a prayer for our Prayer Partner.

In the absence of the President, Mrs. W. J. Barlow, the Vice-President, Mrs. S. Matthews, welcomed all present and thanked Mrs. Eggett for having the meeting.

The Bible reading, from 1st Corinthians, was read by Mrs. Wellman. The roll call was answered by ten members and one visitor, each reading a valentine verse. Mrs. W. Neal gave the treasurer's report.

Mrs. Frest, Little Helpers' Secretary, reported there had been 3 new names added to the roll.

Business was discussed and it was voted to give the Dorcas Secretary some money for bales, etc., also to

send the pledge and dues in. Some discussion was held re choir gowns and a committee was formed to investigate same. Remainder of plans were made for the oyster supper.

The first part of the study book was given by Rev. Fleming, "Explore the Meaning of Christ As Light."

The programme was in charge of Mrs. M. Tanner, who had as her theme, "Valentine's Day." Mrs. Wellman gave a reading. Mrs. Woodbeck sang a solo and Mrs. Tanner read the meaning of Valentine's Day and conducted a contest.

A delicious lunch was served by the hostess bringing an enjoyable meeting to a close.

Friday Night Mixed Bowling

IMPORTANT ANNOUNCEMENT

about your

ONTARIO HOSPITAL INSURANCE

The need to obtain a bed in hospital is a matter of urgency to a seriously ill person. It is vital, therefore, that every hospital bed in Ontario be used only when it is essential in the treatment of a patient. Proper use of hospital beds is a matter of concern to every resident of the province.

To help make more hospital beds available...

the Commission now will provide Ontario Hospital Insurance benefits to an insured person who receives hospital care, as an *out-patient*, for which he or she, otherwise, would require admission as an in-patient to stay in hospital overnight.

IMPORTANT

These benefits will be provided only if the hospital has the required facilities and after these facilities have been authorized for such out-patient use by the local hospital board on the advice of its medical staff.

Here are the details:

- Benefits will cover only the *hospital* charges for medical and surgical treatment procedures which, otherwise, would require the patient to be admitted to hospital. Examples of these procedures are certain minor operations, electro-shock treatments, blood transfusions, etc.
- It is up to the patient's doctor to decide whether the treatment will be given on an in-patient or out-patient basis.
- Visits to established regular clinics in hospital out-patient departments are NOT covered.

Extension of EMERGENCY Out-Patient Benefits

Effective March 1, 1962, when an insured person has received emergency hospital treatment for a fracture within 24 hours of an accident, Ontario Hospital Insurance also will cover subsequent out-patient services for check X-rays and the change or removal of cast, until treatment of the fracture is completed.

Hospital treatment for emergency conditions other than fractures will NOT be covered beyond the first visit to hospital within 24 hours of an accident.

POINTS TO REMEMBER

1. Ontario Hospital Insurance in-patient benefits cover the regular and usual hospital services (use of operating room, X-rays, drugs, laboratory services, etc.) in standard ward accommodation for as many days as such services are medically necessary.

2. Dependent children cease to be covered under the parents' certificate when they reach age 19, or marry. They must then register separately at the applicable Single

or Family premium. Application forms are available at all hospitals, most banks, and all Commission offices.

3. Married persons must pay the Family premium.

4. There is no change in Ontario Hospital Insurance premiums: they remain at \$2.10 a month for a single person and \$4.20 a month for a family. More than 6,000,000 Ontario residents (over 95% of the people) are now insured in the plan.

Ontario Hospital Insurance does NOT cover...

- any hospital charges for semi-private or private accommodation.
- any diagnostic services which are not part of insured treatment procedures or which do not, by themselves, normally require admission as an in-patient.
- any medical, surgical, or private-duty nursing fees, take-home drugs, home care, or ambulance and other transportation charges.

NEWS FOR THE BUSY FARMER

Furrow and Fallow By Fairbairn

Out of the froth and discussion about marketing plans — currently milk and egg plans are bubbling — has emerged a bubble that burst and some of the spray from that bursting bubble may have dampened the spirits of the less hardy supporters of producer marketing schemes. We're referring, of course, to the vote on a grain corn marketing plan which was turned down by producers. Of approximately 7,500 producers who cast ballots (by mail) just under half (3,662) voted in favour of the plan. Two thirds of the votes cast must favour a plan before it can be implemented.

Some significant facts about this vote should be noted before we speculate on any conclusions we might wish to draw. First, grain corn producers are located almost entirely in southwestern Ontario where there are several plans in operation — soybeans, wheat and flue-cured tobacco, to mention a few. Secondly, less than 65% of those eligible to vote cast ballots. When one considers the total vote at general elections this might be adjudged a good turnout but since grain corn is a cash crop that puts money into the producer's pocket each year we wonder that only 65% were sufficiently interested to vote — especially since it meant only marking a ballot and mailing it.

On the other hand, one might conclude that one third of the producers wanted a plan, one third didn't and the other third didn't care one way or the other. This would not hold out much hope for the proponents of any plan if this particular vote is any criterion. That would mean those who favour a plan would have to get 100% support from the "don't cares" — and even 10% support from that group could be considered exceptional.

However, we doubt that the grain corn vote can be selected as a criterion for several reasons. First, it involved a relatively small segment of Ontario farmers — just under 12,000. Second, they were mainly concentrated in a small area which has obvious advantages for supporters of both sides of the question and thirdly, that area has had experience with some plans. The last statement does not necessarily imply that because of previous experience with marketing plans, producers are either for or against them. There are some in each category. It simply means that in assessing the results of this vote and trying to reach conclusions about what might happen in the case of a province-wide vote such as on milk or eggs, it should be taken into account.

There is no such thing as blanket approval of marketing plans — or there shouldn't be. Surely, it depends on the individual plan and there's no guarantee that any scheme as it is first developed will be successful. This is such a new area that experience will dictate what is good and what is bad. As long as the producers in charge of a marketing board are on the job and willing to adapt, there is ample opportunity for success.

If one agrees with the principle of marketing plans, then no scheme should be condemned until it has been fully developed and, in our opinion, had some chance to operate. As John Bull of the Ontario Jersey

Breeders who is sitting on the committee now trying to work out an overall milk marketing plan told producers recently, don't condemn the plan "out of hand."

MILK AND BUTTER RECORDS

Canadian milk production estimates for 1961 have been revised to a record 19.14 billion pounds. The year's creamery butter make is now estimated at a record of 350 million pounds and cheddar cheese at 115 million pounds, the highest since 1949.

CONSERVATION NEWS

FOREST PRODUCTION FROM PRIVATE LANDS IN TWEED DISTRICT

Figures recently released, based on the survey of private land forest production in the Tweed Forest District, indicate that the volume of timber cut during the 1960-61 season was slightly higher than production during the 1959-60 season. This, in all likelihood, resulted from the favourable weather conditions during last winter which permitted the logging of many areas not normally accessible.

The estimate of production of the major forest products is as follows:

Sawlogs (including the logs and bolts), 24,400,000 board feet; Pulpwood, 27,990 cords; Fuelwood, 71,840 cords; Fence Posts, 344,623 posts. By comparison, forest production from Crown lands during the same period was as follows:

Sawlogs, 19,280,000 board feet; Pulpwood, 17,554 cords. Figures for productive forest land in the Tweed District show that of a total of 2,304,560 acres, 1,320,622 acres, or 57.3% is privately owned and 983,938 acres or 42.7% is Crown land.

The survey of private land forest production is a co-operative survey carried out by the Ontario Department of Lands and Forests, the Federal Department of Forestry and the Dominion Bureau of Statistics. Based on a pre-selected statistical sample of private lands, landowners are interviewed annually to determine the volume of forest products cut from their lands.

Private forest lands are an important source of timber for local manufacturing plants and provide a considerable source of revenue for the landowner. Prior to this survey, very little reliable information was available on the volume of forest products cut from these lands. With this survey data, the Department of Lands and Forests can determine the drain on private forest lands in the Tweed Forest District and can assess the future status of the forest based industry in the district.

Cooking Comments

So that you will always have a little parsley on hand drop a few seeds into a flower pot. Soon you will be able to surprise your family at dinner with a green accent against the gold of turnips and the white of Ontario potatoes, suggests the Food Department of Macdonald Institute, Guelph.

Organ meats are especially rich in food value, so use them often in your

menus. Thoroughly wash kidneys and split them down the centre with kitchen shears, removing the white tubes and outer membranes, if present. Soak in salted water. Then drain on paper towels before broiling or using in beef and kidney pie.

To make a fresh jam for spring try preparing a packaged gelatine jelly in orange, pineapple or strawberry flavor. Replace a cup of the required liquid with a cup of sweetened stewed Ontario forced rhubarb, suggests the Food Department of Macdonald Institute, Guelph. Let set. Serve for Sunday morning's breakfast.

Canada Food Guide has now been approved by the Canadian Council on Nutrition, says the Food Department of Macdonald Institute. Like Canada's Food Rules which it replaces, it stresses the importance of milk in the diet of all ages. Even adults need at least 3 pint of milk per day to supply the required amounts of calcium and protein.

A Letter To The Editor

Dear Sir: We wish to thank you for the support you and your public gave the Hospital in our Annual Christmas Appeal for funds. We also appreciated the many kind letters which at times accompanied the donation.

The research into the cause, and hoped for prevention of children's illnesses; the teaching of doctors and nurses; the care of the in-patient and the out-patient; means an ever expanding and progressive programme for the Hospital.

The understanding and generosity of people from all parts of the country is appreciated by those who work for the children in this Hospital, and is a continued source of inspiration.

Very sincerely yours,
C. L. GUNDY,
Chairman of the Board of Trustees
The Hospital For Sick Children,
Toronto, Ontario.

Generally the Canadian forests belong to the Crown.

Meighen Rodgers Writes Interesting Account of His European Tour

Following is the story of a European tour by Meighen Rodgers, of West Hill, who formerly resided in the Stirling district, and is now a teacher at Scarborough. Due to its length the article will be published in several parts. This is the fifth instalment.

Italian Riviera

Our motor trip took us from Pisa to the resort town of Viareggio, then through beautiful mountainous country to Rapallo on the Italian Riviera, where we relaxed on the beach.

A short drive from Rapallo took us to Genoa, Italy's most important seaport and fifth city in size with a population of 650,000. Here we saw the birthplace of Christopher Columbus and a wonderful replica of his fleet, "the Pinta, the Nina and the Santa Marie" in flowers.

Travelling on along the Italian Riviera, we passed through San Remo, where we saw fields of carnations growing. These plants are shipped all over the world.

State of Monaco

Soon we were in the independent state of Monaco at Monte Carlo (Mountain of Charles), where we saw the huge Casino and the Palace of Prince Rainier III and his wife, the former Grace Kelly. Monaco covers 42 square miles, and will remain an independent state as long as there is a male heir to the throne. The Rainier Family have ruled since 1630 with only a few breaks in between. The residents of Monaco are not required to pay taxes as the casino provides the funds required by the State. Monte Carlo has an excellent and picturesque harbour just below the Rainier Palace, which stands high on the cliff above the bright blue waters of the Mediterranean.

Travelled By Scenic Highway Into France
Continuing westward, we followed the scenic coastal highway into France, arriving at the world-renown-

ed health and pleasure resort of Nice, where we lodged at the beautiful Huhl Hotel. I enjoyed swimming and relaxation here on the Riviera. Nice has a population of 250,000 and is visited by tourists from all over the world.

Our next stop in France on our journey northward was at Grasse, where we made a complete tour of the perfume factory, then continued into the French Alps to Digne.

French Alps

Truly Beautiful

The scenery in the French Alps was truly beautiful. Every turn in the road would arouse a photographer's zeal. We motored over the "Route Napoleon," the road which Napoleon took on his way to Paris after his escape from Elba, to Grenoble, the famous French University town, then on to the La Residence Hotel at Megève, within sight of towering Mt. Blanc.

Scenic Land of Switzerland

In the morning we entered the scenic land of Switzerland and got an excellent view of Mt. Blanc at Chamouni, before travelling on to Geneva.

Switzerland has a population of over four and a half million and covers an area of 16,000 square miles. Twenty-six per cent of its area is taken up by the Swiss Alps, which provides some of the best skiing in the world. During the World Wars, Switzerland was a neutral country. The last battle involving Switzerland was in 1813. Prior to Confederation, Switzerland was made up of twenty-two sovereign states ruled by cantons.

(To be continued)

Drivers, check your car lights frequently. The Ontario Safety League reminds you that headlights, side-lights and front turn indicators can be checked by the reflective glow from your garage wall; or from the reflection from the back of the car ahead, when you are waiting in line for the traffic light to change to green.

Attention All Farmers!

Do you Sell Farm Separated Cream?

There is a petition being circulated for a vote on a new over all marketing plan for milk products.

For a Healthier Dairy Industry

If you have not signed this petition, ask your cream truck driver or your local creamery office about it at once.

LEGION NOTES

The regular March business meeting of Stirling Branch will be held next Tuesday evening, March 6th at 8.15 o'clock. Many important items of business will come up for discussion and all members are urged to

turn out.

Word has just been received that April 17th will be another important event on the Legion calendar. Through the kindness of Comrade Charles Wilson, the branch has obtained two very interesting and enjoyable films for screening at the April 17th Social meeting. All veterans and comrades are advised to reserve this date. More details will follow.

Stirling's Pee Wees and Midgets are still in playoff competition. Local hockey fans are missing some fine

entertainment if they are not supporting these youngsters. With play-offs underway it is not possible to give advance notice through column. Hockey fans should watch the notices which will be posted locally as play-off games are scheduled.

The local Midget club will meet Marmora Midgets in the Legion Arena this (Thursday) evening. The second game of the home and home series will be played in Marmora at 7 p.m. on Saturday, March 3rd. The winner of this series will then play Lakelfield for the Eastern Ontario Midget "C" Championship. The winning Club will receive the Bill Post Memorial Trophy. The trophy was donated by district O.M.H.A. referees in memory of the late Bill Post, of Peterborough, who contributed much to the growth and advancement of minor hockey in Eastern Ontario. The trophy may be seen in the window of Patterson's Men's Wear.

With the approach of spring local and district skaters will soon be denied the pleasure of public skating at the Arena. Public skating will continue every Saturday evening and Sunday afternoon at the arena as long as there is ice.

Legion membership now stands at 64. Several prospective members are still to be contacted. All present members are asked to assist the Membership Committee in this respect.

Arena Calendar

Thursday, March 1st — O.M.H.A. Midget "C" Playoff, Marmora vs Stirling, 8.15 p.m.

Friday, March 2nd — Industrial Hockey.

Saturday, March 3rd — Public Skating, 8 to 10 p.m.

Sunday, March 4th — Public Skating, 2 to 4 p.m.

Monday, March 5th to Thursday, March 8th — to be announced.

Springbrook

Friends were sorry to learn of the passing of Mrs. Charles Lough at the Campbellford Hospital on Saturday. Sympathy is extended to the bereaved ones.

Mrs. Clarence Jeffrey and family, Napanee, were guests of Mr. and Mrs. Reg McKeown on Sunday.

Mr. Emerson Reid is attending a dealers' training course which is being sponsored by the DeLaval Co. in Peterborough this week.

Congratulations to Mr. and Mrs. Percy Mumby who celebrated their 40th wedding anniversary on Sunday. A large number of friends and relatives called during the afternoon and evening to offer their best wishes.

A number of our folk attended the Midget hockey playoffs between Stirling and Wellington at Wellington on Saturday evening.

Mr. and Mrs. Russell Reid and Cheryl, Toronto, were guests of the former's mother, Mrs. Jane Reid on Sunday.

The Women's Institute sponsored a pot luck dinner in the church dining hall on Wednesday, followed by their regular meeting at which Harriet Stevens was the guest speaker.

Ross Runnalls, R.C.N., returned to Halifax on Monday after spending a two weeks' furlough with his parents, Mr. and Mrs. Vern Runnalls and family.

Miss Janet Reid, student nurse at the Ontario Hospital, Kingston, was a week-end guest of her parents, Mr. and Mrs. Emerson Reid.

Mr. Ed. Bateman is a patient at the Peterborough Civic Hospital, where he underwent surgery on Monday. We wish him a speedy recovery.

The L.O.L. sponsored a successful euchre party in the hall on Friday evening. The ladies' high prize was won by Mrs. Percy Mumby. The gent's prize went to H. Bulten.

OF MANY THINGS

(By Ambrose Hills)

READ A BOOK

Last night I talked to a man who is a pretty fair curler. I asked him if he has ever read a book about curling. To my surprise, he had not. He was simply a natural at the sport, and that was that.

It is surprising how many people neglect the advantages of reading books on subjects of such a technical nature. Pool players, for example, sometimes go all their lives without reading what the top players have been at such great pains to write about the game.

To my mind this is a shame.

I once knew a radio announcer who was quite popular. He lived next door to us and often dropped in during the evening for coffee. One night he was feeling a bit low and doubtful about his future. He didn't seem to be getting anywhere, he said.

I brought out a book I'd picked up full of vocal exercises. One of them, called the "hung E," was a favorite with Caruso. My friend hadn't realized that as he was in the business of projecting his voice on the multitudes, he might learn something about it from books. He started practising these exercises, and then went on a search of the libraries for more of them. He became a top performer, but because he was bright in a variety of ways, he was promoted beyond the announcing chores. Books started him on the upward path just the same.

It seems so foolish to plow along the hard way when experts have so many tips they provide almost free. Politics, too, engages the attention — or should engage it — of most citizens these days. They would be

able to understand what is happening now much more easily if they read a few books on political history. There are many excellent ones in the libraries.

Check up on yourself. Have you read some books lately? If not, you're cheating yourself. Get busy and brush up.

Chamber of Commerce Holds Dinner Meeting at St. John's Parish Hall

E. C. Nokes, of Ontario Chamber Commerce, Guest Speaker—50 in Attendance

Some fifty businessmen and interested citizens attended a dinner meeting of the Stirling Chamber of Commerce held in St. John's Parish Hall on Monday night.

Following the Queen and invocation by Rev. F. F. Downing, the ladies of St. John's served a delicious dinner.

President W. J. Morton welcomed all and introduced those at the head table with the exception of the guest speaker, Messrs. G. B. Noble, E. Dickmeyer, H. Emery, Field Representative of Canadian Chamber of Commerce; Rev. F. F. Downing and D. R. Williams.

The guest speaker was E. C. Nokes, representing the Canadian and Ontario Chambers of Commerce, who was introduced by G. B. Noble.

In his opening remarks Mr. Nokes stated the Chamber of Commerce operated on three levels, local, provincial and national with the objective to foster and develop the free enterprise system and cultivate an informed public opinion at all levels.

He outlined the characteristics required for a Chamber and stated the prime objective of the local Chamber was to promote interest in the community and endeavour to make it a better place in which to live. The Chamber must have a programme to provide a continuity of interest by the membership. First there should be a project which can be completed in the current year and give pride of accomplishment to the executive and members, but there also should be a continuing project to maintain the continued interest of the membership.

Leaders, willing to serve, and members who will support the programme of the Chamber were required if success were to be achieved. Anything that can be done to make your village the shopping centre for the surrounding community was beneficial, stated the speaker.

In concluding he urged his listeners to take an interest in national and provincial affairs. Certain members should be selected to watch the trend of public affairs and pass along observations to the Chamber in order that the members would be better informed. An informed public opinion was a safeguard against infringement on the freedom of citizens, stated the speaker.

An expression of thanks to the speaker was voiced by D. W. Rodgers. Following brief remarks by E. Dickmeyer, sec.-mgr. of the Belleville Chamber of Commerce, a question and answer period was conducted by President Morton, prior to adjournment.

Hastings County Junior Farmers Compete in Seed Judging

Owen Ketcheson, of Moira, Wins All Special Awards—Held Here On Friday Last

Owen Ketcheson, popular young Moira district Junior Farmer made an almost clean sweep of the annual Hastings County Seed Judging Competition held Friday at the Community Hall, Stirling.

Not only was he the high overall contestant in the competition which saw 65 Juniors from the County entered, but he also captured three of the special awards, including the Bishop Trophy; the H. R. Tompkins Trophy for highest marks in small seeds and the Sidney MacDonald Special for the highest points in coarse grains and questionnaires.

It was a repeat performance for Owen as last year he also won the Bishop Trophy and the H. R. Tompkins award.

The winning high school team at the judging competition was from the Moira Secondary School at Belleville. Members of the winning team were: Clare Trevorton, Plainfield; Paul Caglan, Corbyville; Graydon Pound, Corbyville; Wayne Tammun, Corbyville, and Don Blair, Holloway R.R. 1.

The judging competition saw the Juniors, including two girls, judge coarse grains, small seeds, forage plants and seeds, weeds and answer three questionnaires.

In Four Sections

The competition was divided into four sections — senior, intermediates,

Boy Scout Paper Drive

The Stirling Boy Scouts will be holding a paper drive this Saturday morning (March 10th), beginning at 9.00 o'clock.

The Scouts would appreciate it if all paper could be either bundled or put in boxes. The Scouts are now dealing with a new purchaser and he insists on the above regulations.

In Hospital

Mrs. James Palmer, Church St. is a patient in Belleville General Hospital, where she was taken on Sunday night.

Fraternal Visit

Messrs. W. Warren, G. Finkle, H. Vandervoort and Maurice Clancy paid a fraternal visit to Temple Lodge, A.F. & A.M., Belleville, Monday night.

81st Anniversary

Major Fraser, John St., observed his 81st birthday anniversary on Saturday last, March 3rd. He is a familiar figure on the village streets and maintains a keen interest in sports, particularly those played by the younger element of the district. A host of friends join in wishing him many more years of health and happiness.

"At Home" On 99th Anniversary

Mrs. A. D. Runcalls, of Springbrook, will celebrate her 99th birthday anniversary on March 14th, 1962. She will be "at home" to her friends and relatives from 3 to 5 and 7 to 9 p.m. at the home of her daughter, Mrs. J. M. Datoe, Frankford, Ont. (Please omit gifts).

Inspectorate Finals Held

The Inspectorate finals in the Public School Public Speaking Contest were held in Madoc on Thursday night last. Inspector W. G. Waldron presided and there was a large crowd in attendance.

First prize was won by Mary Jairath, of Madoc, who spoke on "World Parliament." Second prize went to Evan Newbacker, of Tweed, speaking on "Schools of the Year 2000." For third place Sue Ann Bastedo, of Stirling, and Joan Bronson, of Madoc, were tied.

Teen-Age Bowling

On Friday, March 2nd, June Wilson's "Jazz Gang" took 5 points from Brian Crossman's "Rookies," while Joan McArthur's "Smoothies" got 3 points and Doug Nicholson's "Goofballs" 2 points.

Keth Christie rolled the high single and double, 228 and 412.

Juniors and novices competing for the first time.

The winner of each section was: Senior, Joe Hagerman, Harold R.R. 1; Intermediate, Owen Ketcheson, of Moira; Junior, Howard Pulver, R.R. 2, Carrying Place; and Novice, Kingsley Doolittle, Frankford R.R. 2.

The event was under the direction of Sidney MacDonald, Agricultural Representative for the County, and his Assistant, Gibson Patterson.

Assisting were Agricultural Representatives Ralph Banbury, Brighton; Garnet Mills, Lennox and Addington; Ivan Bell, Prince Edward, and Assistant Agricultural Representative Dale Miller, Peterborough. Also helping with the competition were Bruce Bishop, of Belleville; Byron Beeler, Fruit and Vegetable extension man for Hastings and Prince Edward; and Ronald Hamilton, of Trenton R.R. 5, President of the Hastings County Club Leaders' Association, was in charge of Forage mounts and seeds.

Mrs. Marlene Richardson acted as the record keeper.

Honoured On His 87th Anniversary

Mr. and Mrs. G. C. Mouck, Mill St., entertained on Sunday, March 4th, in honour of the former's father, Mr. Abner Mouck, who was observing his 87th birthday anniversary. Despite his years Mr. Mouck is enjoying good health and is about his son's store daily, where he enjoys conversing with his friends.

Among the guests were Miss Helen Mouck, R.N., and Mr. Harry Ward, of Toronto; Mrs. J. C. Bennett and Miss Helen Anne Bennett, Port Credit; Mr. and Mrs. Henry Mouck, Peterboro; Mr. and Mrs. P. G. Townsley and Mrs. Laura Bateman, Belleville; Mr. and Mrs. Basil Chilvers, Brenda and Gloria, of Foxboro; and Mr. and Mrs. Harry Coulter, Mr. and Mrs. Ray Hall, Mr. Clarence Mouck and Mr. Earl Graham, of Tweed.

The News-Argus joins with his many friends in wishing him continued health and happiness.

World Day of Prayer At St. Andrew's

The World Day of Prayer for women will be held in St. Andrew's Presbyterian Church, Stirling, at 3.00 o'clock on Friday, March 9th. This is a day on which christian women worship together around the world as an expression of their united witness. A cordial invitation is extended to all to attend the service at St. Andrew's tomorrow (Friday) afternoon.

99 Years Old Today

Congratulations are extended Mrs. Jane Munro, Wellington St., who is observing her 99th birthday anniversary today (Thursday), March 8th. Although her eyesight is dimmed somewhat and her hearing not as acute as it used to be, Mrs. Munro gets about the home as spry as one many years her junior and enjoys comparatively good health. She resides with Mr. and Mrs. W. L. Munro and enjoys conversing with friends who call. Her memory is particularly keen and she takes delight in reciting poems she learned many many years ago.

A dinner party, at which her three sons, Lawrence, Ernest and Lloyd, were present, was a highlight of the day. Several friends called and the aged lady was the recipient of many messages of good wishes.

Bylaws Covering Cemetery Rates and Highway Connecting Links Approved

Offer of J. V. Holt to Purchase Land on Henry St. For \$2000.00 Is Accepted

Notification of the approval of the Cemetery Bylaw covering the new rates and the Highway Connecting Link Bylaw was tabled from the Department of Health and Department of Transport, respectively, at the regular monthly meeting of Village Council on Monday night. Reeve G. C. Mouck presided and was supported by G. B. Noble, Jas. Chambers, B. Jones and R. Anderson.

A communication from the Department of Municipal Affairs announced an Assessor's School at Belleville May 10th and 11th next. W. L. Pollock, local assessor, was instructed to attend by Council.

Tender Accepted

The tender of Everett Reid, Holloway, for removing several trees in the Village, for \$200 was accepted.

D. M. Ketcheson, Police Chief, presented his report which was adopted. The matter of frontage charges on corner lots was discussed at length. It was pointed out that various municipalities used different methods of computing the tax and it was decided that the measurement of both sides of the property would be divided in half. The bylaw will be amended accordingly.

The sale of the Village property on the west side of Henry St. and south of Rawdon Creek was discussed at some length. Mr. J. V. Holt was present and offered to purchase the same at a price of two thousand dollars, and Village to retain whatever portion of land was required on the south bank of Rawdon Creek, also ten feet of the eastern portions of lots 9 and 10 on Henry Street and have necessary survey made.

Stirling "Chevies" Oust Marmora

Stirling "Chevies" maintained their season's unbeaten record with two straight victories over Marmora in the O.M.H.A. Midget "C" play-offs last week.

Thursday's Game

On Thursday night at the Stirling Arena they won by a score of 15-4 before a good crowd of fans. Stirling opened the scoring with Noble counting from Donohoe early in the first period and ran the count to 6-1 at the end of the period. They added two in the second and seven in the third stanza. Marmora counted one in the first and three in the third.

Noble led the Stirling goalgetters with four while Faulkner and Wrightman each got three, Vandervoort 2 and Grant Hagerman, J. Wright and D. Potts singletons. Marmora scorers were Nicolson (2), McNamara and Jennings.

At Marmora

In the second game at Marmora on Saturday night the "Chevies" ran roughshod over the homesters to the tune of 21 to 5. Scoring six goals in the first period they added ten in the second and five in the third. Marmora got one in the first, three in the second and one in the third.

The goalgetters for Stirling were Wrightman (6), Vandervoort, Potts and Grant Hagerman, 2 each; Faulkner (4), Donohoe (3); and Noble and Wright, singletons.

For Marmora Jennings got three counters and Nicolson two.

Play-Offs Here Saturday Night

Stirling "Chevies" dropped their first game of the season at Lakefield on Tuesday night when the homesters defeated them by 8 to 5.

The second game will be played here on Saturday night, March 10th. (ice condition permitting). In the event that ice conditions are not favourable the game will be played in Marmora.

The visitors are rated as a well-balanced club and the "Chevies" will have to play their best hockey to win. However Coach Bob Anderson and the players feel they got a bad game out of their system on Tuesday and will be able to come back.

So all roads lead to Stirling Arena on Saturday night to cheer the local boys to victory. Plan now to attend. Your support will be appreciated.

143rd Anniversary of Oddfellowship Commemorated by Stirling Lodge

Pot Luck Supper Followed By Good Programme and Dancing Greatly Enjoyed

Commemorating the one hundred and forty-third anniversary of the founding of Oddfellowship members of Stirling Lodge, No. 239, with their wives and friends, gathered at the I.O.O.F. Hall, Charlotte St., on Friday, night last for a pot luck supper and programme.

Following a sumptuous repast, Noble Grand Roy Tucker welcomed all and paid tribute to Vice-Grand Basil St. Pierre and his committee for serving the dinner and completing the necessary arrangements.

The programme opened with two tap dance numbers by Misses Brenda and Carol Pope, of Belleville, followed by two vocal solos by Mrs. Walter Warren. Numbers were provided by "The Night Riders," of Campbellford.

Address

Geo. Carlisle, District Deputy Grand Master of Madoc District, No. 45, gave an informative address on Thomas Wilkey, the founder of Oddfellowship on the North American continent.

Community singing was led by Jack Bush with Mrs. Mac Sharp at the piano, and Murney Bateman, Springbrook, rendered several selections with guitar accompaniment.

Miss Dianne Flindall, of Brighton, gave an excellent report on her trip to the United Nations, sponsored by Brighton District I.O.O.F.

Interesting coloured slides of the United Nations Centre, Washington, Gettysburg and other points of interest were shown by Douglass Farrell, of Thomasburg.

At the conclusion of the programme round and square dancing were enjoyed to music provided by Phil Beaudrie, violin; Harold Sarles, piano, and the "Night Riders" and their guitars. Miss Elsie Martin called for the square dancing.

Refreshments and a social hour were enjoyed at the midnight hour.

Miss F. Matthews Appointed Director

Miss Freida Matthews, a native of Stirling, has been appointed director of the immigration department of the Presbyterian Church in Canada. Miss Matthews, who was formerly executive director of national missions for the W.M.S., western division, assumes her new duties on March 15th, with headquarters in Montreal.

Bowling Club Card Party

The second card party sponsored by the Stirling Lawn Bowling Club was held at the home of Mrs. W. T. Elliott on Thursday night last. Both Bridge and Euchre were played with ten tables participating. For bridge J. L. Good was the winner with Mrs. R. K. West second. The latter also won the travelling prize. In euchre Burton Woodbeck was high for the gentlemen and Mrs. E. Cooke for the ladies.

At the conclusion of play dainty refreshments were served.

Successful In Music

The following pupils of Mrs. Harold Elliott, A.T.C.M. R.M.T., were successful in the recent music examinations of the Royal Conservatory of Music of Toronto, held at "The Manor," Albert College, Belleville.

Scarboro Glee Club Made Hit With Large Crowd

Lovers of vocal music in Stirling and district were given a rare treat on Saturday night when members of the Scarboro AOTS Glee Club presented a concert in Stirling Theatre. This group of 35 songsters from eastern Toronto made a decided hit with a crowd of over four hundred and drew rounds of well-merited applause. Their visit to Stirling was sponsored by St. Paul's AOTS Men's Club.

Founded more than three years ago by director, Sidney Bagnall, the club draws its members from 12 United Churches in Scarboro. The singers are all members of the "As One That Serves" United Church men's clubs.

Also featured on Saturday's programme were the club's accompanist, Ruth Butt, Betty Davis, a vocalist who made two solo appearances, and Bob McNeill, a member of the Scarboro Club, who sang on his own. Bob Campbell and Sidney Milne were soloists in two of the club's choral numbers.

The Scarboro club's programme ranged from old favourite numbers — "You'll Never Walk Alone," "May the Good Lord Bless and Keep You" — through the barbershop repertoire — "By the Light of the Silvery Moon" and "Dear Land of Home" — to traditional sea chanteys and spirituals — "Rio Grande" and "Ride de Chariot."

During the programme Mr. Bagnall also led the audience in a spirited sing-song including old favourites such as "Row, Row Your Boat," "Two Bin Workin' on the Railroad" and "She'll Be Comin' Round the Mountain."

Thanks to Mr. Bagnall and his group were expressed by J. Bush, President of the club.

Attend O.M.E.A. Convention

Messrs. R. L. Hatton, G. C. Mouck and Nix Flindall, sec.-mgr. of the Stirling Public Utilities, and their wives, were in Toronto this week attending the annual convention of the Ontario Municipal Electric Association. The convention was held at the Royal York Hotel Monday, Tuesday and Wednesday.

Pee Wees Win Over Bancroft

Stirling Pee Wees won the first game of their play-off series with Bancroft on Wednesday night at Bancroft by a score of 4 to 3.

The Stirling goal getters were D. Potts, R. Bastedo, D. Ray and L. Pyear. Wilson, Roback and Buckley counted for the home club.

Play Here Friday Night

The second game will be played at the Stirling Arena tomorrow (Friday) night.

Eliminate Brighton

Stirling Pee Wees defeated Brighton 6 to 1 in the second game of the play-offs at the Stirling Arena on Friday night to tie the play-off series. On Saturday night they won the third and deciding game in overtime at Brighton by the score of 5-4.

Mrs. Carl W. Clancy Guest Speaker River Valley W.I.

Mrs. Kenneth Myers was hostess on March 1st when eighteen members of River Valley Women's Institute, twelve visitors which included nine from Trent River Bridge W.I. and nine pre-school children were in attendance.

The President opened with the Ode and the Mary Stewart Collect. Each lady introduced herself. Mrs. George Heasman said she had sent the F.W.I.O. and the school kit has been replenished. A picture of the adopted boy with his case history was displayed. The money for the officers' conference at Guelph in May will be forwarded. Special notepaper was purchased for the Secretary.

Mrs. Roy Tucker passed "The Pennies For Friendship" jar. The February amount was \$1.10. She read the story of the memorial to Mr. Dag Hammarskjöld, Secretary-General of the United Nations, who died on September 18th, 1961, while on his way to help gain peace in Africa. Plans were completed for future events and a nominating committee appointed.

Mrs. Glenn Bush presided over the programme. Mrs. E. C. Hay-Elis outlined the motto, "Homes are greenhouses where the plants of citizenship are started." Her closing thought was that love and loyalty in the home makes a child aware of his country and gives him pride of Canada both past and present.

Mrs. Burton Woodbeck delighted with two lovely vocal solos with her own guitar accompaniment.

The roll call, "One step I can take with my child toward world peace," brought out a wealth of ideas.

Mrs. Percy MacMullen introduced Mrs. Carl W. Clancy, who was one of the leaders of the senior training school at Wellman's on the subject, "143 Pounds of Meat."

Mrs. Clancy gave a very informative paper on "Meat Cookery" and stressed a thermometer and a good carving knife as important utensils. She displayed a large number of colourful pictures which added to her message.

Mrs. Glenn Bush voiced thanks to Mrs. Clancy and Mrs. Woodbeck and presented each with a small gift on behalf of the Citizenship and Education group.

Mrs. Percy MacMullen gave the highlights of four sessions of the Trent Valley Area Convention held last November at Club Canara, Belleville.

Report on 65th Birthday Anniversary

Four members who attended the sixty-fifth anniversary birthday party in Toronto on February 19th gave brief messages.

Mrs. Jack Bush synthesized the address given by Mrs. Haven Smith, of Nebraska. Mrs. George Heasman read the Queen's greetings and told of the anniversary cake.

Mrs. Vernon Harry described the flags of all the countries and the song of peace, the hymn of all nations. Mrs. Roy Tucker synthesized the pageant which gave a brief summary of each Province. At the close pictures and clippings were displayed.

Mrs. L. Vanness, on behalf of the guests from Trent River Bridge W.I., expressed appreciative thanks for the invitation.

Annual Meeting
In April

The annual meeting in April will be held at the home of Mrs. Vernon Harry.

The meeting closed with the Queen and Institute Grace. The hostess and members of the Citizenship and Education group served refreshments and a social half hour was enjoyed.

Mrs. E. C. Hay-Elis voiced thanks for hospitality, programme and lunch.

If it's true that a fool and his money are soon parted — then tell us how they got together in the first place?

21st Annual Report Hon. J. R. Cooke Chapter I.O.D.E.

The following report was presented by Mrs. W. J. Morton at the annual meeting of Hon. J. R. Cooke Chapter, I.O.D.E., held February 22nd.

It is my privilege, as Secretary for 1961, to present the 21st Annual Report of the Hon. J. R. Cooke Chapter, Imperial Order Daughters of the Empire.

This Chapter received its charter in 1941, and twenty years later, we have a membership of 50 and one life member, Mrs. Earl Luery. Our Honorary Regent is Mrs. H. C. Martin.

We regret the loss of one member, Mrs. Harry Cooke, who withdrew her membership two new members, Mrs. Allan Munro and Mrs. John Lanigan were received into the Order. We extend a welcome to them and hope their association with the Order will be rewarding and pleasant.

During the year 1961, ten regular meetings were held, eight in the members' homes and two in the I.O.O.F. Hall. Two meetings were preceded by pot luck suppers.

Mrs. J. G. Stobbs, Belleville, spoke at one meeting comparing the English and Canadian educational systems as she personally found them.

A 60-minute film "Trans-Canada Summer" was shown at a fall meeting.

Two members, Mrs. Robert Hatton, as delegate, and Miss Rosa Spry, attended the Provincial Annual Meeting in Hamilton in April. Misses Genn and Rosa Spry attended the Semi-Annual Meeting in London in October.

The members were present, in a body, at the Remembrance Day Service at the Cenotaph on November 11th, and the Regent, Mrs. Bruce Glendinning, placed this Chapter's wreath. On the following Sunday, 33 members attended the morning worship service at St. Paul's United Church.

Eighteen members attended the Annual District Dinner held in Picton and were privileged to hear Miss Ruth Park, a National Councillor.

The members have been very active this year, sponsoring several fund-raising events. They have given freely of their time and talents toward these, and are to be heartily thanked for their fine efforts and co-operation.

The Annual Spinners' Dance in January and a Luncheon Bridge in April were both successful.

At our 20th Anniversary Tea, held in June, we were pleased to entertain members of the Order from Belleville and Campbellford as well as many friends from Stirling and district.

A bake sale held at Oak Lake in July proved most popular with the cottagers there.

The proceeds from the Fashion Show in October and "Hydro Show Time," sponsored by the Chapter in November were most gratifying.

I would particularly thank, on behalf of the Chapter, the merchants and citizens who support our various projects so generously. The proceeds enable us to contribute our share in the work done by the Order in education and welfare, both locally and abroad.

Michael Long, of Stirling, was the recipient, for the second year, of the \$100 bursary from the Chapter. He is now in his second year at Queen's University.

On Citizenship Day several members were present at Stirling Public School when the programmes sent from I.O.D.E. Headquarters were presented by the junior and senior pupils.

A donation of \$25 was presented to the school by the Regent with which a handsome proficiency trophy was purchased. Miss Marion Camm's name will be placed on the trophy for obtaining highest honours in Grade VIII last June. Miss Camm was also the

recipient of a book given by the Chapter.

A donation of \$10.00 was made to the Stirling Festival of Sacred Praise, I.O.D.E. calendars were placed in each room of the Public School and one in the Stirling-Rawdon District High School.

The following articles (valued at \$262.35) were completed and sent to I.O.D.E. headquarters: Personal property bags (12 articles each); 3; nursery bags (12 articles each); 4; 6 complete layettes (30 clothing and toilet articles in each); 3 toys; 5 pair pyjamas, 8 bibs, 5 nightgowns, 4 baby nighties, 2 pr. long booties, 4 girls' dresses, 6 children's sweaters, 1 shirt, 1 matinee jacket, 35 pr. Korean socks, 5 babies' (2 and 3 piece) knitted sweater sets, 2 dozen diapers.

The members were pleased to assist, at Christmas, two families with new and used clothing, food and toys. The Chapter, on payment of \$50.00, renewed sponsorship of a refugee child in Germany.

The following allocations were made to Provincial and National headquarters:

National — Shipping Fund, \$10.00; Korean Project, \$10.00; Overseas Relief, \$10.00; Emergency and Welfare, \$10.00; Peace Garden, \$1.00.

Provincial — Special Representatives, \$5.00; Lucy Morrison Memorial Fund (scholarships), \$50.00; Commonwealth Relations, \$10.00; Workroom Maintenance, \$10.00; Film Fund, \$1.00; Canadian Scene, \$2.00.

Today, we live in a world of hope and challenge if the fear of nuclear war and all its implications could be removed.

We cannot, as members of the I.O.D.E., eliminate these dangers, but we can direct our efforts, through the projects of the Order, to assisting those people less fortunate than ourselves. Let us try to promote better understanding with the peoples of countries whose ways are foreign to us.

And let us pray for the free nations of the world working for the preservation of world peace and the continuance of world progress.

Respectfully submitted,
Keltha E. Morton

To Open Centre For Bible Study

Mr. Walton Lidster, presiding minister of the Trenton congregation of Jehovah's Witnesses, announced today that the congregation is opening a center for Bible study and Christian meetings in Stirling. This educational center is located on Charlotte Street in Stirling, three doors west of the Post Office.

Each week group Bible studies will be conducted on Tuesday evenings at 8:00 o'clock to discuss the fulfillment of Bible prophecies. Each Sunday afternoon at 2:00 p.m. a one-hour Bible lecture will be delivered, followed by a group Bible study using the official journal, The Watchtower.

The public is cordially invited to these meetings, Mr. Lidster advised.

Mrs. Lindsay Finch Hostess Rylstone U.C. Women

Mrs. Lindsay Finch entertained the Rylstone U.C.W. on Tuesday afternoon with an attendance of 7 members and one visitor.

Mrs. Wilfred Spencer, President, opened the meeting with the reading of the 117th Psalm. The Scripture selection, Isaiah 6: 118, was read by Mrs. Harold Stapley, followed by the hymn, "From All Who Dwell Below the Skies." The meditation and prayer was given by Mrs. Spencer. The hymn, "Rock of Ages," was sung and the Bible study was conducted by the President.

Roll call was answered by a Bible verse containing the word "Love" and most of the members donated a dessert spoon for the church silver supply. An invitation to attend an afternoon tea with Zion U.C.W. was received. The regular meeting for March was postponed to the 21st.

Mrs. Cecil Finch was convener for the remainder of the meeting. A reading, "A Valentine," was given by Mrs. Lindsay Finch. "Do You Wish," was read by Mrs. Jim Milne and Mrs. Jack Spencer conducted an oral contest on "Girls' Names." The meeting closed with the Mizpah Benediction and lunch was served by the hostess and lunch committee.

The next meeting will be held at the home of Mrs. Jim Milne. The keyword will be "Saint." Lunch committee — Sandwiches, hostess and Mrs. Cecil Finch; cake, Mrs. Lindsay Finch and Mrs. Ray Stewart.

Until 1913 in Canada taxation on imports was the federal government's principal source of revenue; it wasn't until World War I and just after that Canadians started paying income and corporation taxes and a sales tax on manufactured goods.

Wickens -- Preston Wedding Solemnized

A lovely winter wedding was solemnized on Saturday, March 3rd at high noon in St. Thomas Anglican Church, Rawdon. The double ring ceremony was performed by Rev. R. G. Fleming, of Marmora, when Linda Anne Preston, of Harold, Ontario, daughter of Mr. and Mrs. Ted Preston, was united in marriage to George Robert Wickens, of Harold, Ontario, son of Mr. and Mrs. Melville Wickens. The church was decorated with white and mauve chrysanthemums, while white satin bows designated the guest pews.

Mrs. R. G. Fleming played the wedding music and accompanied the soloist, Miss Diane Neal, of Marmora, who sang "O Perfect Love" during the signing of the register.

Given in marriage by her father, the bride was attired in a gown of fuchsia nylon sheer over flowered silk taffeta and fashioned with full waltz length skirt with shirred bodice and was complemented by a three-quarter length coat in matching nylon sheer. Her accessories were white and she

wore a corsage of Tallman roses. Her bridesmaid, Miss Sandra Hayes, of Stirling, was attired in yellow nylon sheer over yellow silk taffeta with a full waltz length skirt. Her accessories were of white and she wore a corsage of white mums.

Mr. Albert McFadden, of Crookston, attended the groom and Messrs. Gary Preston, of Jarvis, brother of the bride, and Edgar Geen, of Tweed, brother-in-law of the groom, ushered the guests.

Following the ceremony the reception was held in the Salem United Church Hall where the guests were received by the bride's mother who wore a blue printed silk gown with a corsage of white mums. Assisting in the receiving line was the bridegroom's mother who was in navy blue crepe with a corsage of white mums. The bridal table was appropriately

appointed in the traditional manner with its centrepiece, the three-tier wedding cake and flanked on either side with silver candelabra holding lighted white tapers.

For travelling to Watertown and other points along the Lake to Buffalo, the bride wore a mint green wool suit with apricot accessories and a corsage of Tallman roses.

Guests were present from Belleville, Crookston, Madoc, Tweed, Harold, Jarvis, Denbigh and Stirling.

Mr. and Mrs. Harry McAdam were supper guests Sunday of Mr. and Mrs. William Burkitt, Petherick's Corner. Miss Gail Jeffs, Toronto, spent the week-end with Mr. and Mrs. Will Jeffs and family.

The men were busy on Monday arranging the church for redecoration and moving the furniture to the Church Hall where the services will be held for a few Sundays.

Miss Diane McAdam has been successful in her Grade VIII piano examinations in connection with the Royal Conservatory of Music.

Mr. and Mrs. Robert Merrick and children were supper guests Sunday of Mr. and Mrs. Frank Lain, Peterborough.

Mr. and Mrs. Thomas Sables, also Mr. and Mrs. Nelson Sables and David, Picton, spent the week-end with Mr. and Mrs. Henry Burrell, of Paris, Ont.

Miss Diane McAdam recently entertained Miss Beth Cook, Stirling; Messrs. Jack Bailey and Garry Dover, Kingston.

Mr. and Mrs. Milford Wrightman visited Mr. and Mrs. Howard Simpson and family, Brighton, on Thursday afternoon and were supper-guests with Mr. and Mrs. Fred Scott and Mrs. A. A. Farrar.

Bonarlaw

Mr. and Mrs. Bill Burkitt and Brian, and Mr. and Mrs. Claude Burkitt and Cheryl, of Campbellford, visited Mr. and Mrs. A. Burkitt on Saturday evening.

Mrs. Jas. Spry is holidaying in Florida.

Several are ill with flu in this vicinity.

Mr. and Mrs. Gawley, of Marmora, visited Mr. and Mrs. Paul Laton on Saturday.

Mr. and Mrs. Harry McAdam, of Mount Pleasant, visited Mr. and Mrs. Bill Burkitt on Sunday.

Mr. and Mrs. Bill Cronkwright and son, Peterboro, spent the week-end with Mr. and Mrs. C. L. McKeown.

Carmel

Miss Margaret Wilson, Petherick's, spent a week with her grandmother, Mrs. Lillie Morris.

Mr. and Mrs. Archie Bailey and Mr. and Mrs. Charlie Bailey motored to Toronto on Sunday and visited relatives.

Mr. and Mrs. Jim Hubel, Agincourt, spent the week-end with his grandmother, Mrs. N. Ferguson. On Saturday evening they were guests of Mr. and Mrs. Ray Hagerman and Sandra.

Mr. and Mrs. Jim Hubel and family, Mr. and Mrs. Ernest Grills and family, Mr. and Mrs. Garnet Grills and George and Mr. and Mrs. Everett Grills spent Thursday evening at the home of their sister, Mrs. Hazel Johnston, Norwood. The occasion was a birthday party for Mrs. Johnston.

Mr. and Mrs. Douglas Pyear and family spent Sunday evening with her parents, Mr. and Mrs. Roscoe Robson, Holloway.

Oak Lake

Mrs. L. E. Rielly and Gloria, of Frankford, were supper guests of Mrs. Don Irish Tuesday evening.

Mr. Harold and Ralph Detlor and Mr. Garnet Searles were guest fathers at the Father and Son banquet in Stirling on Tuesday evening. Wayne Mayell, Peter Little and Douglas Irish received their First Star and two proficiency badges.

Mrs. Annie Searles attended the Oddfellows' "At Home" banquet in Stirling Friday evening.

The use of helicopters to patrol high tension transmission lines saved the power users of Ontario \$1,000,000 last year, Ontario Hydro estimates. Cost of patrolling one circuit mile of line by helicopter was \$1.63, compared with an estimated \$8 a mile if the former ground patrol method had been used.

Stirling 4-H Calf Club Organizes

The Stirling 4-H Calf Club held its organizational meeting at the Masonic Hall, Stirling, on Saturday, March 3rd at 1:30 p.m. Mr. Gibson Patterson, Assistant Agricultural Representative for Hastings County, and Doug Detlor, 4-H Club Leader, addressed the members, giving information concerning the 4-H projects.

Following the completion of the enrollment forms, the following officers were chosen:

President, Glenn Hagerman; Vice-President, Grant Hagerman; Secretary, Robert Vandervoort.

Following the election of officers it was decided that monthly meetings be held on the first Wednesday.

Material for the members' projects and information pamphlets were distributed prior to adjournment.

River Valley Unit U.C.W.

The River Valley Unit of the United Church Women held their February meeting at the home of Mrs. Jack Bush on the 21st, with an attendance of twelve members, one visitor and seven children.

The President opened the meeting with the theme hymn, "From All That Dwell Below the Skies," followed by prayer.

Mrs. Ernest Carr had charge of the worship service. Following the call to worship all sang the hymn "What A Friend We Have In Jesus." Mrs. Ralph Utman read the Scripture, Luke 11: 1-10. Following the comments of the Scripture four ladies sang an impromptu quartette, "Sweet Hour of Prayer," Mrs. George Heasman, Mrs. Ralph Utman, Mrs. Jack Bush and Miss Flossie Rosebush, with Mrs. Phil Conley at the piano.

Mrs. Roy Bush had charge of the Bible study. She compared the Bible to a wheel with the Lord's Prayer, Ten Commandments, Beatitudes, 23rd Psalm, Faith, Hope and Charity, Creation, Christ's life and death and Ascension, making up the main spokes. Later we shall study these more carefully.

The offering was received and dedicated. The usual business was discussed with plans being made for the Scout banquet and the supper for the members of the Glee Club.

Quilt blocks were distributed to be made by the members. River Valley is now Unit 5.

Mrs. Roy Bush had charge of the programme which consisted of a reading by Elva, "Blessed Are They." Mrs. Phil Conley contributed a piano selection which was enjoyed by all. Mrs. Ernest Carr read, "Laudering in 12 Easy Steps." Mrs. Roy Bush gave a summary of the chapter in the study book. All repeated the benediction.

Everyone enjoyed pancakes syrup and coffee. Mrs. George Heasman moved a vote of thanks to all.

into the distant future. Thus far, few errors of judgment have been made. Contacts have been maintained and in some instances adjudicators have returned by popular request.

This year promises to be no exception. It is with pride that the announcement is made of the introduction to this district of Mr. Henry Rosevear, F.C.C.O., F.T.C.L. of Toronto, for musical classes and the Rev. J. Alistair Haig, B.P.H.E., B.A., B.D., S.T.M., of Belleville, for Scriptural numbers.

Mr. Rosevear presently serves Glenview Presbyterian Church, directing adult, junior and intermediate choirs and acting as organist. He is a lecturer on church music and the choir director at both Knox and Ewart Colleges. He accompanies one of these choirs each spring on a recruitment tour for the Presbyterian Ministry.

His musical career is worthy of note. He became a church organist at the age of 12 in Camborne, Cornwall, England, and played cornet and trombone in orchestras and solo baritone and euphonium in brass bands in England. He came to Toronto in 1925 and has served Metropolitan and Old St. Andrew's Churches. He is President of the Royal Canadian Col-

lege of Organists, a valued advisor in many music organizations and has a wide acquaintance with leading organists on both sides of the Atlantic. Mr. Haig is not quite a stranger in the locality, having assumed the responsibilities of Principal of Albert College during the summer of 1961. His experiences have fitted him for various duties and his appointment to this exalted position bespeaks of his ability to act wisely and deal generously with renditions of young people of varied ages.

He has served as Dean of Men at Mount Allison University, preached at a Congregational Church at Harvard while completing post-graduate studies in U.S.A. and advanced his education at every opportunity. He is a graduate of University College, Ontario College of Education and Emmanuel College. Having played with Toronto Varsity Blues for four years, his interests have earned for him such titles as athlete, educator and churchman.

Support of the entire area is invited. Sponsors, patrons and contestants alike are assured that the original purpose still stands, "To promote a love for sacred praise especially among boys, girls and young people."

CHERRIES AND CHERRY TARTS

Sour cherries (pie cherries) — canned and frozen — are among this year's plentiful foods, says the Canada Department of Agriculture, Ottawa. That, for us, means cherry desserts for extra color and flavor in those grey and white winter days. We will be making cherry pies, cherry tarts, cherry cobbler, cherry crisp, cherry bread pudding, cherry roll and cherry up-side-down cake. We will also serve cherry sauces, a tart one for pork and poultry; a sweet one for sundaes and puddings.

For the making of cherry desserts, we will likely buy Canada Choice cherries, packed in 45 to 50% sugar syrup. We will buy 10, 15 or 20 ounce cans, depending on the size of our family. Or we may buy frozen cherries in a 15% dry sugar pack with net weights of 11 ounces or two pounds. Like all frozen foods, we will store them in the freezer as soon

as we take them home.

Cherry Tarts

The Consumer Section has had many requests for this Cherry Tart recipe which you, too, may wish to add to your file.

- 1 (15-ounce) can pitted solid pack pie cherries
- 2 cup sugar
- Water
- 1 1/2 tablespoon cornstarch
- Few grains salt
- 2 tablespoons cold water
- 3 to 5 drops red food coloring
- 6 to 8 drops almond flavoring
- 6 large baked tart shells

Turn cherries into a saucepan, add sugar, bring to a boil and boil for 1 minute. Let drain in a sieve for 5 minutes. Measure drained syrup and, if necessary, add enough water to bring up to 1 1/2 cups. In the saucepan combine cornstarch, salt and the 2 tablespoons water. Gradually stir in the liquid. Cook over high heat, stirring constantly, until mixture be-

gins to thicken, then reduce heat and cook until transparent, about 2 minutes. Add red coloring until sauce is desired color. Stir in almond flavoring. Gently stir in cherries, then spoon into baked tart shells. Makes 6 large tarts.

OF MANY THINGS

(By Ambrose Hills)

MR. GALBRAITH EXPLAINS

John Kenneth Galbraith is often a comfort to those who like to picture our free enterprise economy as a "mess" or worse. Whenever he criticizes some North American institution, the leftist press quotes him with delight. The other day Mr. Galbraith did some explaining which put the record straight.

He pointed out that the United States has the world's oldest system of universal primary education, and of the world's most diverse and imaginative and in many respects the most highly developed system of secondary education. He said, "American colleges and universities were the first in the world to make higher education a democratic right, and until they did so university education has always been the privilege of a minute intellectual, aristocratic or financial elite."

He said he did not feel at home saying all these fine things. In his own lengthy writings he had not acknowledged them. His reason was that criticism is the engine of change. One had to knock to improve. "Nor was it considered entirely wise to admit that anything was right."

I admire Mr. Galbraith for making this explanation. Perhaps he will give a lead to many of us who, in an effort to get improvements in our system, have been inclined to knock it too hard and to praise it too seldom.

We are lucky that we have a free system, open to change, instead of a blue-printed plan imposed upon us from above. We are fortunate that we are free to criticize and thus to power the engines of change. What we ought to take into account, however, is that in neglecting to mention the many virtues of our free North American institutions, we may harm them irreparably. Our enemies are

attacking them all the time, and if we join them in the attack, our institutions could crumble.

Let us then admit more often that there is a great deal that is right and good and even wonderful about our free system! Perhaps we ought to make that acknowledgement every time we have a brickbat to throw.

John Wesley Was Right

(A Sermon by Rev. R. Donnan)

Dr. Schubert M. Ogden, thirty-three year-old associate Professor of Philosophical Theology at Southern Methodist University's Perkins School of Theology in Dallas, Texas, has written a book calling for "radical reinterpretation" of the New Testament.

His recently published book "Christ Without Myth," debunks the supernatural incidents and teachings of the New Testament. This book stands in sharp contrast to the beliefs of the founder of Methodism — John Wesley. To many people, the miracles of Jesus Christ are simply historical facts. If this be so, how would we explain Hebrews 13: 8 "Jesus Christ the same yesterday, and today, and forever." Miracles of healing did not cease when Jesus ascended into Heaven. Jesus said, "Greater works than these shall ye do because I go unto my Father."

In the opening Chapters of the Acts of the Apostles, we see a cripple healed who was lame from the time of birth. Indeed this miracle caused quite an uproar in the City of Jerusalem. What would be the reaction in our churches today if the cripples walked, the blind saw, the deaf heard? We might have to change our belief concerning the miracles of Jesus. A little child once presented a Bible to a minister who didn't believe in the miracles of the Bible. As the minister opened the package, he couldn't believe what his eyes saw. The little child had cut every page out of the Bible and erased the word "Holy" on the cover. Bewildered at such actions of the child, he asked why? She replied, "I knew you didn't believe in the miracles of God's Book,

so I cut them out."

Modernistic theology debunks the efficacy of the Blood of Christ and the reality of Hell. Colleges which were founded by our forefathers are now liberal in thinking. Were our forefathers wrong when they travelled many miles on horseback preaching the Gospel of repentance? They may not have had the modern conveniences that we have today, but they had revivals wherever they preached. Their only desire was to see sinners repent of their sins and live victorious Christian lives. Why did our forefathers build a penitent form in our churches, was it for the purpose of collecting dust? The old altar should haunt us day and night as we realize how far we have drifted from the "Faith of our Fathers." Now, honestly, which way of life rings true? The cold rationalism of Dr. Ogden, or the warm personal experience of John Wesley? Whose faith would you rather die by?

Dr. Ogden says, "The belief that only in Jesus Christ can man find salvation is mythological." How does that square with the Bible? Jesus said, "I am the Way, the Truth and the Life; no man cometh unto the Father, but by me." Peter said, "Neither is there salvation in any other; for there is none other name whereby we must be saved." Which will you believe; the philosophy of a liberal professor or the statements of God's Holy Word?

Of this you may be sure, if you will pray with an open heart, "God be merciful to me a sinner," and ask the Lord Jesus to come into your life, you will not be disappointed.

John Wesley was right. He was converted through faith in Jesus Christ.

The world was witness to the fact. He had a faith that worked. You can have this same experience if you will invite Jesus Christ to become your Saviour. Your heart will be strangely "warmed" by God's presence. Make this your decision today without delay.

Dr. J. S. Demorest Can Trace Family Lineage To 1096

(Ontario Intelligencer)

Possibly fewer than one person in a dozen is interested in genealogy, but when the bug strikes, true dedication is likely to be the result.

At least that is the case with Dr. J. S. Demorest, 81-year-old Foxboro medical practitioner, who since early in life has taken a deep interest in tracing his family history. He can trace his family lineage back to the time of the first crusades in 1096. Members of the Demorest family proudly marched with the crusaders to the Holy Land nearly 900 years ago.

But in his quest of family history, Dr. Demorest has come up with some interesting facts regarding the early history of the village of Foxboro.

For instance he knows that Foxboro was originally called Smithville after his great grandfather Smith Demorest, who built the first house in the village. That was back in 1800.

Another member of the Demorest family, Gilliam Demorest, founded the village of Demorestville in Prince Edward county.

Lived in France The original Demorests lived in France, but they later married with the Dutch and eventually were among the early colonists to New Amsterdam (now the New York and New Jersey area). Still later the family members made their way into Canada in the wake of the United Empire Loyalist movement.

And just for the record, the intermixture of Dutch, French and English did something for the Demorest name which now appears in approximately

35 different spellings. These range all the way from Demorest and Demarist to Demeray, Demeree and Demoreau.

Dr. Demorest's branch of the family came to Canada from Manchester, Vermont.

One of his proudest possessions is a framed certificate in his den which shows him to be a member of the Holland Society of New York. He is the first and only Canadian to have the honor.

Dr. Demorest has been delving into his family history ever since he was a bit of a lad on his father's farm just west of Foxboro on the 5th concession of Sidney. Currently he is working on a revision of the "Demarest" family history with Voorhis Demarist of Hackensack, New Jersey.

Has Coat of Arms

Like many other families of the era, the Demorest family had its own coat of arms back around the year 1,000. That coat of arms was carried by volunteer members who marched with the first crusades to fight for the liberation of the Holy Land.

Dr. Demorest has a replica of that original coat of arms, with its motto "Ex Vide Vivo" — the translation of which is "By Faith I Live."

The coat of arms is the Christian Cross of Hope with a diagonal black band as the mark of Knighthood. Escallop shells on the black band signify the badge of the crusaders.

Dr. Demorest's great grandfather, Smith Demorest came to the Belleville area first about 1797 to "look the area over" and apparently liking what he saw moved his family a few years later. He built the first house where Foxboro now stands.

Still Standing

That original Foxboro house is still standing on the north-west corner at the intersection of No. 14 Highway and the Frankford Road (5th concession of Sidney.)

Smith Demorest apparently wasn't eligible for a free land grant so he bought his first 100 acres (now the John Herbertson farm) and a few years later purchased lot 33, on the 5th concession of Sidney, paying 200 pounds for the 200 acres. Dr. Demorest has the original deed.

It was on this farm (now known as the Harry Lott farm) that Mr. Smith Demorest built his family home in 1812. This house also stands. The Demorest house seems to have been a first of its kind in the area in that it was covered with clapboards, something almost unheard of at the time.

The reason for the scarcity of clapboard houses back around 1812 was that clapboards required nails and nails were scarce in those pioneer days.

Mr. Demorest had an advantage over his fellow pioneers — he was a blacksmith and was able to make his own nails.

Has Sample of Nails

And Dr. Demorest has samples of the nails which his great grandfather pounded out on his anvil to build that first clapboard house.

It was in this house that Dr. Demorest was born in 1880. As a young man he had occasion to remove the clapboards and nail them back on in reverse position so the "new" side would be to the weather.

Dr. Demorest worked the home-stead until he was 29, when finances finally allowed him to enter medical school to train as a doctor. He entered the Manitoba Medical College at Winnipeg, graduating in 1914. During the summer holidays he worked on boats on the Great Lakes.

He did his internship at Winnipeg General Hospital; then practised for three years in Saskatchewan and for ten years in Alberta before returning to Ontario in 1931 when he set up practice in Stirling. He returned to his native Foxboro 20 years ago.

He recalls that when he was a boy three hotels still did a thriving business in Foxboro, and also remembers the old Ashley Carriage Works where the latest in carriages and buggies were manufactured.

Had Heart Attack

A coronary last summer forced him to give up his doctor's practice but it didn't deter him from further delving into family history and now that he is retired he feels he will have more time than ever for his hobby.

Throughout his life that hobby has taken him into county seats and record offices in New York and the New England States in search of names and other family data.

But genealogy hasn't been Dr. Demorest's only hobby. He is also a collector of antique items in furniture, china and glassware and at one time collected paintings.

"I collected paintings until I had no room to hang them," he says.

One of his most prized possessions is a stately grandfather clock built 180 years ago in England. The clock still keeps perfect time.

During his younger years, in the west, Dr. Demorest was an active Mason and is Past Master of Fidelity Lodge, A.F. & A.M., No. 76 at Bushaw, Alta. He now seldom attends lodge meetings.

NOW! Make your poor-doers profitable with 'Permaco'

All cattle must have a continuous supply of cobalt to produce the important health and growth Vitamin B-12. Most Canadian pastures and grains contain little or no cobalt and can cause poor-doers, weak and puny calves, weaning set-backs, unthriftiness and lack of condition. Cattle lose their appetites, cannot make maximum use of feed or supplements. Even apparently "healthy" animals often suffer from borderline deficiency—a kind of "hidden hunger" that sharply reduces production. That's why it pays to bullet your whole herd with 'Permaco' Cobalt Bullets. That's why it pays to bullet your whole herd with 'Permaco' Cobalt Bullets. One 'Permaco' bullet, administered with a balling gun, remains in the rumen for 12 months. 'Permaco' assures the continuous supply of cobalt not provided by cobaltized salt, drenches, etc. Bullet now—upgrade your unthrifty animals and protect the entire herd against Vitamin B-12 deficiency ALL YEAR LONG! NEWS FOR THE BUSY FARMER

SICK ANIMALS NEED CARE

When it comes to curing sick animals on the farm, good nursing can mean the difference between a fast recovery and a slow problem case, says Dr. Howard Neely, of the Ontario Veterinary College.

Just noticing a sick animal, calling a "vet", making the diagnosis and administering the treatment doesn't mean the animal is sure to get well.

Dr. Neely looks at it this way: If the animal is worth time and expense of a vet call, then it's also worth all the care and comfort you can provide for it until it recovers.

He suggests you keep these nursing tips in mind the next time you have a sick animal on your farm.

— Isolate sick animals from the rest of the herd — preferably in a box stall that is well ventilated but draught-free. This allows the cow to make herself more comfortable than when she is tied.

— Provide plenty of clean, dry bedding. A warm, dry bed is important especially if a high temperature is involved. It also prevents sores if the animal is sick for any length of time.

— Lots of fresh clean water is important in the treatment too. It keeps the body-fluid level up and helps the animal's built-in defences fight off the illness.

— Depending on the recommendation of the veterinarian, feed easily digested feeds, such as good quality roughage. It may be better to keep sick animals a little hungry than overfed them. This will reduce production stress and limit any digestive troubles.

— Make sure you check sick animals several times a day, until they are well on the way to recovery.

— Keep in touch with your veterinarian, reminds Neely. If the animal doesn't respond to treatment, let him know. If it does respond, don't forget to tell him the animal has recovered — he will appreciate it.

SUPPLY OF SEED POTATOES SCARCE IN SOME AREAS

Commercial potato growers who require seed potatoes of high quality will be able to secure more adequate supplies with the Province this year, provided arrangements are made soon. At present, many seed growers are completely sold out, and popular varieties most in demand are becoming scarce in some areas.

More than two hundred acres met with seed potato field standards than in the previous year, but more seed potatoes are now required annually to plant potato acreage for table stock and processing. The use of Foundation and Certified seed is now a standard practice, as it has been proven beyond a doubt that "Good Seed Pays." This is an entirely different situation than a few years ago, when planting of nondescript, unlicensed varieties and infected seed was all too common.

A complete list of seed growers for 1962 is available without charge from offices of Agricultural Representatives in every County and District or from the Field Crops Branch, Ontario Department of Agriculture, Toronto. Information may also be obtained from Seed Potato Certification officials at Barrie, Guelph, London and Ottawa.

The Ontario Department of Agriculture

culture will pay half the transportation costs on carload quantities from Northern Ontario. There is no charge for the service of field inspection.

Timely Tips

Farm manure is worth more when applied to corn land than when applied to meadows, according to Professor W. T. Ewen of the Ontario Agricultural College Soils Department. He states that average farm manure has a value of \$2.50 per ton when applied to corn land, compared to 50c when applied to meadows. He added that manure on oat land has a value of approximately \$1.50 per ton.

Iodine is essential for the prevention of goitre and hairlessness in newborn pigs, remind veterinarians with the Ontario Department of Agriculture. That's why a brood sow requires more iodine than a growing market hog. Guard against iodine deficiency by feeding iodized salt in which the added iodine has been stabilized. If a trace mineral premix containing stabilized iodine is being used, plain salt may be fed.

The damping-off fungi are favoured by a wet soil surface, says C. B. Kelly, Ontario Agricultural College botanist. There is less trouble from damping-off of seedlings in greenhouses if watering is done only when needed and then early in the day. He suggests controlling ventilation and heat to keep the air dry; this is especially important during dull weather when moisture condenses on the glass.

Make sure plenty of water is available for your dairy cows in the winter, and that it's above 35 degs. F., say livestock specialists with the Ontario Department of Agriculture. The average dairy cow drinks about 12 gallons of water per day, and a heavy milker might need as much as 20 gallons a day.

Cooking Comments

As a different garnish for a salad, try turnip lilies suggests the Food Department of Macdonald Institute, Guelph. For each flower, pare two thin turnip slices. Curve and roll them to the shape of the petals. Slip in a carrot stick centre. Then anchor with toothpicks and crisp in ice water.

Ground liver is excellent in a meat loaf. Before grinding, drop into hot water and simmer for a few minutes. This makes grinding easier.

For new flavour interest, try a different seasoning the next time you serve potatoes in a casserole or in soup. The Food Department of Macdonald Institute, Guelph, suggests trying onion, garlic, celery salt, thyme, marjoram, or curry powder. Grated orange rind adds a different flavour to a salad.

To make a delightful and easily prepared dessert, fold 2 tablespoons lemon juice and 1 to 2 cups sweetened apple sauce into 1 cup of evaporated milk which has been previously chilled and whipped.

Meighen Rodgers Writes Interesting Account of His European Tour

Following is the story of a European tour by Meighen Rodgers, of West Hill, who formerly resided in the Stirling district, and is now a teacher at Scarborough. Due to its length the article will be published in several parts. This is the sixth installment.

Geneva, situated on pretty Lake Geneva, is the site of the United Nations Building and the Spingli Monument. In our tour of the city, we saw these, as well as the botanical gardens, floral clock, opera house, Geneva University, the city hall, and the large fountain out in the lake itself. Latin, French, German, Italian and English are all spoken in Switzerland. Three hundred swans grace the water of Lake Geneva, which is fifty miles long and three to four miles wide.

We travelled around the Lake to Lausanne, a pretty city with a population of 70,000. Lausanne has very fine schools and 800,000 telephones in use.

An afternoon motor trip took us around the lake to Montreux and the Castle of Chillon. Chillon was immortalized by Lord Byron's poem, "The Prisoner of Chillon," which he wrote in 1816. A tour through the castle proved most interesting. It seemed hard to believe that torture chambers could be so horrible at that time.

Back To France

On leaving Switzerland, we entered France, which has a population of forty-five million, with Paris as its Capital City, and Marseilles as chief harbour. Ninety per cent of the population is Roman Catholic, due to the fact that many years ago the French Huguenots (Protestants) were forced to leave the country. After the war, France was governed by twenty-six different kinds of government, but now De Gaulle has done much to end the differences of opinion. Southern France is a farming district. Rheims and Bordeaux in the north are wine producing centres.

After entering France, we motored through the famous wine country via Dole to Dijon, then on via Fontainebleau with its famous castle in the midst of the finest forest of France to Paris, where we were lodged at the Claridge Hotel on the famous Champs Elysees. Paris is the capital city of France and is situated on the Seine River.

Our sightseeing tour of Paris included the Arc de Triomphe, the Eiffel Tower, Napoleon's Tomb, Place de la Concorde, Tuilleries Gardens, Madeleine Church, Notre Dame Cathedral, the Louvre Museum, Ste. Chapelle, Joan of Arc Statue, the Pantheon, the Military Academy, Church of the Sacred Heart, the Egyptian Obelisk, and many other beautiful buildings along the Seine River.

One evening we visited the Folies Bergeres, and another evening, we saw an excellent show at the Moulin Rouge, where the acts were performed by Oriental talent.

Les Invalides Building, built during the reign of Louis XIV, houses the tomb of Napoleon, his brothers, and others. The building itself and the tanks in front of it are 300 years old. It has a lead dome decorated with twelve pounds of gold. Napoleon's tomb is located in a pit immediately under the dome, where he was buried in 1820. When looking at Napoleon's tomb, Adolf Hitler said that when he died people would look up to his tomb instead of down into a pit.

The Louvre is a 400 year-old art gallery which was built by Francis I. It contains many ancient paintings and statues.

The Notre Dame Cathedral, which is now 800 years old, took 100 years to construct. It seats 10,000 people, and was the first Gothic Church in the world.

The Church of the Sacred Heart was built on a hill in 1890 as a place of prayer for world peace, and from this church one is able to get a very good view of the city.

The Pantheon is the burial place of Voltaire, Victor Hugo, and others. The Eiffel Tower, built in 1889 for the world's exhibition, is a steel structure 900 feet tall. It has three elevators, three platforms, a restaurant, and a radio station on it.

We took an afternoon motor excursion to the famous Palace of Versailles, the stately residence of Louis XIV. Louis had this castle built over 300 years ago, when he left the Louvre in Paris. Beautiful lawns, gardens, hedges, pools, fountains, and a canal, grace the grounds about this historic castle. King Louis XIV had the canal built and the water piped to fill it from the Seine River eight miles away in order to use his gondola which had been given to him. Louis XIV, XV and XVI lived in the Castle of Versailles and held many

expensive parties there. During the revolution in July 1789 Louis XVI and his wife, Marie Antoinette were beheaded.

End of First Tour

On August 7th, my first tour came to an end with a farewell dinner party at the La Reine Padoque restaurant in Paris, and the following day I boarded a B.E.A. plane at Paris for London. The crossing by air was in daylight and bright sunshine, giving one a bird's eye view of the French farmlands, the English Channel, and the White Cliffs of Dover. All too soon, I was back in London, where I was met by my relatives and taken to a beautiful country home near Oxford.

It was arranged by my relatives that we should make a motor trip to Wales for a few days. This really appealed to me, so off I went again.

Good Citizenship Means Caring For Wellbeing of Others

Good citizenship is not only a matter of obeying laws, voting and paying taxes. It also includes the matter of accepting responsibility for the wellbeing of the rest of the community the nation and the world.

Good citizenship cannot be learned overnight. It involves a process which begins as soon as a child ventures out on his own two feet, and it never ceases from then on. Every day of his life, an individual can improve as a citizen.

Good citizenship is something which affects each and every one of us. It's important that every child should develop along the right road toward that goal so that when he grows up he will be able to cope with his adult responsibilities in the community, and be a worthwhile member of society.

One organization admirably suited to channel our youth in this direction is the Canadian Junior Red Cross, an

in-school movement endorsed by all ten provincial Departments of Education.

The ideals embodied in Junior Red Cross objectives — the promotion of good health, service to others and the furtherance of international friendship and understanding — are guides toward the development of good citizenship.

There are about 1,400,000 young people in 41,289 class-room branches of the Canadian Junior Red Cross. Of this number, 191,131 are senior high school students. They are led by thousands of volunteer teacher-directors in our schools, men and women who recognize the full significance of good citizenship.

Red Cross Juniors undertake many commendable projects to help young people less fortunate than themselves. A crippled boy across the street, a blind girl on the other side of town, or a hungry child on the other side of the world, no matter where, the Junior Red Cross gives help without the petty restrictions of race, colour, creed or political beliefs.

Most parents are familiar with the work of the Junior Red Cross because of the enthusiastic action of their children. They know of their diligent fund-raising projects and that all services are for other children.

The administration costs of the Junior Red Cross are the responsibility of the Senior Society. Our donation this year to the Red Cross appeal will help our children and their interest in youth elsewhere. Be generous when the Red Cross Volunteer canvasser calls at your home.

Eggleton Messengers Met At School

The February meeting of the Eggleton Messengers was held at the school on Friday afternoon.

The President, Glenn Stapley, presided over a programme which Dianne Prest and he had prepared. The meeting opened with the call to worship, a hymn and prayer.

The Scripture Lesson, Psalm 67, was read by Carol White and following this Kenneth Danford read the story, "We Are Brothers."

The next meeting will be held at the school on March 16th. Gerald Stapley and Kenneth Danford were appointed to prepare the programme. Lin Stapley offered to bring lunch.

The offering of \$1.55 was gathered by Carol Danford.

Shella Clarke, Lola Danford and Carol White sang "Sowing in the Morning." A poem "A Winter Moter" was read by Lloyd Clancy. Mrs. M. Clancy read a story "In February," telling about the monk called Valentine.

During the short work period each child made a dainty valentine, using paper doilies, red and white hearts and flower cut-outs.

The World Friends papers were distributed by Lin Stapley, Wayne McMullen and Billy Clarke.

The hymn "My Faith Looks Up To Me," was sung, after which the meeting was dismissed with prayer by Mrs. Reid.

Cookies were then served by the lunch convener, Carol White.

PIONEER-CAFETERIA MILK REPLACER

GROWS BIG STRONG CALVES
... SAVES MILK and MONEY

More and more milk producers are finding that it pays to sell all their milk and raise their calves on Pioneer-Cafeteria Calf Milk Replacer. Nutritionally, Pioneer-Cafeteria Milk Replacer is better than milk. The high level of aureomycin prevents calf scours. And the Milk Replacer costs less than you get for the milk it replaces. Makes calf feeding easier too. Give it a try. We think you'll like it. Full directions on the bag.

We carry a full line of Pioneer-Cafeteria feeds for dairy cattle, beef cattle, pigs, poultry, turkeys. Come in or phone.

LEGION NOTES

Stirling Legion held their regular March business meeting at the Legion Hall on Tuesday the 6th. President Gilbert Finkle was in the chair.

A financial report indicated that the branch was in good shape financially. It was noted that Arena receipts were down somewhat from last year. However, the branch has made much time available for minor hockey at no cost to the teams involved.

Stirling Pee Wee hockey team were successful in eliminating Brighton in the second round of O.M.H.A. Pee Wee "C" competition. They now meet Bancroft. This will be a quarter-final for provincial honours, with the winning club scheduled to meet either Bradford or Port Perry in the Ontario semi-finals.

The local Pee Wee's play in Bancroft on Wednesday, March 7th, with the second game scheduled for the Legion Arena on Friday, March 9th at 8:00 p.m. Stirling's youngest team needs your support — why not make it a special point to get behind the kids this Friday at 8 p.m.

Mr. and Mrs. John Holmes
Celebrate Golden Anniversary

Mr. and Mrs. John Holmes, Stirling, R.R. 3, observed their golden wedding anniversary on Tuesday, March 6th. They were married at the home of the bride's parents, Mr. and Mrs. Thomas Broad, of Madoc, by the Rev. G. E. Ross. The bridesmaid was Miss Annie Holmes, sister of the groom, of Eldorado. The groom was attended by the bride's brother, the late J. M. Broad, of California.

Mr. Holmes is the eldest son of the late Mr. and Mrs. Wm. Holmes, of Eldorado, and Mrs. Holmes was formerly Annie Marlon (Mae) daughter of the late Mr. and Mrs. Thomas Broad (nee Mary Elizabeth Ranson). They have one son, Kenneth, of Madoc, and two sons, Clifford and Douglas, deceased. They have four grandchildren, Mrs. Douglas Martin, Miss Beverley Holmes, Miss Marilyn Holmes and Melbourne Holmes, and one nephew, Jack Fitzgerald, Niagara Falls, N.Y., who made his home with Mr. and Mrs. Holmes for several years.

The bride and groom of fifty years were "at home" to 150 friends and relatives Tuesday afternoon. Mrs. Frank Wood, Stirling, and Mrs. F. Fitzgerald, Carrying Place, welcomed the guests. Kenneth Holmes mingled with the guests and Miss Annie Holmes was in charge of the guest book.

Mr. and Mrs. Holmes received their guests in the living room which was beautifully decorated with several floral arrangements, one of yellow roses, carnations, spring flowers, lilies and a large plant of golden yellow mums.

The tea table was lovely with its lace cloth and centered with a two-tiered wedding cake and gold tapers in crystal candle holders. The anniversary cake was served on cut glass plates, which were wedding gifts belonging to Mr. and Mrs. Holmes. The silver tea service used was a wedding gift of Mr. and Mrs. Holmes.

Those pouring tea were Mrs. Edgar McKeown and Mrs. Raymond McConnell and those serving were Mrs. Ross Jeffs, Mrs. Douglas Campbell, Mrs. James Hoard, Mrs. Kenneth Weaver, Mrs. Thos. Sables, Mrs. Grant Hubble and Mrs. John Mulhern.

Telegrams and congratulatory messages were received from Prime Minister John Diefenbaker; Premier of Ontario John Robarts; Elmer Sandercock, M.P.P.; Rod Webb, M.P., and from Mrs. John Livingstone, Minnedosa, Manitoba. Several long distance calls were received including one from Mrs. Guy Lutz, of Weyburn, Sask.

Mr. and Mrs. Holmes received beautiful gifts among which was an upholstered platform rocker from the Mount Pleasant community and other friends.

Guests were present from Niagara Falls, N.Y.; Toronto, Kingston, Peterborough, Belleville, Madoc, Queensboro, Hazards Corners, Carrying Place, Massasauga, Stirling and surrounding community.

Mr. Holmes is a retired CNR employee and they have lived in this community for 45 years. He is of U.E.L. descent and is a member of the Bay of Quinte Branch. They are members of Mount Pleasant United Church.

50th Anniversary
On Sunday

On Sunday Mr. and Mrs. John W. Holmes were guests of honour at a family dinner in honour of their 50th wedding anniversary. The dinner was held at the Sky-View Lounge, Havelock Hotel.

The tables were set in a "U" shape and centred with wedding cake and floral arrangements of yellow roses, a gift of their son, Kenneth. A toast was proposed to the bride and groom of fifty years by their son, Kenneth Holmes and Mr. and Mrs. Holmes both replied. Several other toasts and speeches were given.

Those attending were Mr. and Mrs. Kenneth Holmes, Madoc; Miss Annie Holmes, Madoc; Miss Beverley Holmes, Mrs. Clifford Holmes, Melbourne Holmes and Mr. and Mrs. Douglas Martin, all of Kingston; Mrs. Frank Fitzgerald, Carrying Place; Mr. and Mrs. James Holmes, Toronto, and Mr. and Mrs. Jack Fitzgerald, Sandra and Douglas, of Niagara Falls, N.Y.

On Saturday, February 24th Allan Duffin's "Beavers" took 5 points from Bob West's "Hot Shots". Brian Cooke's "Star Bowlers" took both games from Bruce Woodbeck's "Pinbusters." Jim Armstrong trundled the high single and high double of 189 and 347.

Last year, Canadian Red Cross medical, nursing and technical personnel served in the Congo and Morocco.

The Late Mrs.
Gerald Dickson

In failing health for the past four weeks, Mrs. Marian Eleanor Dickson, of Stirling, died Thursday morning, March 1st, 1962, in Belleville General Hospital.

Born in Scotland, the daughter of the late Mr. and Mrs. Samuel Hampton, she was the widow of Gerald Dickson and was in her 73rd year. She has resided in Stirling for the past two years and previously lived in Campbellford (four years) and Frankford (24 years). In religion she was a member of Campbellford United Church, and fraternally a member of Belleville Chapter No. 55 Order of the Eastern Star.

Predeceased by her husband, Gerald Dickson, in 1957, she is survived by two daughters, Mrs. Ed (Jessie) Warren, Stirling, and Mrs. Peter (Betty) Robertson, of Alberni, B.C., and one son, Hampton Dickson, of Hamilton. A daughter, Isabel, died in 1953.

Also surviving are three brothers, Roland Hampton, of B.C.; Russell, of Saskatoon, and Vernon, of Calgary. A brother, Baul of Crozier, Ont., died five weeks ago.

On Saturday evening members of the Eastern Star, No. 55, Belleville, conducted a memorial service at the Rowe Funeral Home, Frankford.

The funeral took place from the Rowe Funeral Home, Frankford, on Sunday to Frankford United Church for service at 2:30 p.m. The Rev. Charles Judd of Frankford, and the Rev. D. M. Smith, D.D., of Campbellford, officiated. During the service Mrs. Walter Morrow sang "Beyond the Sunset." Interment was at Frankford cemetery.

Bearers were: Walter Morrow, Delbert Badgley, George Spencer, Marvin Dafee, Web Kingston and William Rose.

Stirling Rotary Club To Sponsor Easter Seal Campaign in District

Rotarian Geo. Lyons Heads Local Committee—Citizens Urged To Give Generously

The Easter Seal Campaign will open on March 22nd when Easter Seals will be sent to all homes in Ontario inviting support to the work being done by the Ontario Society for Crippled Children and its associated Service Clubs throughout the province. Service Club members not only raise funds for crippled children's work, but also have a personal concern that can only be given by men and women interested in the care and treatment of crippled boys and girls.

Crippled children know that Easter Seal gifts provide the chance that they need — the chance to improve and in some cases, even remove their physical disability.

The Easter Seal Campaign with an objective of \$1,000,000 established for care and treatment of over 15,000 crippled children needs not just an individual, but a community effort to justify and pursue its purpose fervently and efficiently.

Your local Easter Seal service club, with its dedicated volunteers, looks to you as a community minded citizen for a contribution to the lives of others whose activities have been temporarily restricted through no fault of their own.

On March 22nd, nearly 2,000,000 Easter Seal mailings will be entering homes, offices and factories searching for helpers of crippled children. Since 1947, Easter Seals have and still do guarantee to provide education, recreation and progressive health programmes which are channelled into a dynamic force for the crippled child and community betterment.

No one knocks at your door to sell you Easter Seals. The entire campaign — the message of hope and opportunity for crippled children — is put squarely to you in a letter. You are asked to read it and if you think the cause worthy enough, return your contribution in the pink envelope.

St. James Catholic Women's League Meet

Final plans were made for the St. Patrick's Euchre to be held in the recreation rooms in March. This was done at the regular meeting of St. James C.W.L. on Thursday evening last.

The President, Mrs. Stan Meeks, chaired the meeting. The Treasurer, Mrs. J. Doran, read the minutes of the last meeting for the Secretary, Mrs. J. R. Donohoe, who has been ill. Mrs. Doran then read the Treasurer's report.

A bake sale will be held in May at which time a draw will be made on a quilt donated to the League by Mrs. J. L. Donohoe.

Sometime in the near future members of the Parish will be able to obtain Catholic reading material from a library at the rear of the church. Any member having books they would like to donate is asked to get in touch with the president.

An article entitled "Feasts in March," from the League magazine was read by Mrs. Donohoe, who later served lunch, assisted by Mrs. H. Baker.

Friday Night Mixed Bowling

On March 9th the "Braves" took 5 points from the "Skylights" and the "Cricketers" were 7 point winners over the "Zeros."

The high single and high triple for the ladies went to Rosa Spry with scores of 267 and 736. For the men Ron Williams had the high single of 291 and Cliff Short the high triple of 731.

Other good games were Ruth Roth 201, Leo Shettell 277 and 207, Gord Roth 216, Eugene Tully 208 and 231, Ray Poste 252 and 215, Doug McGroarty 217, Ralph Sca 261, Jean Arbuckle 216 and 217, Rosa Spry 251 and 218, Father O'Neill 253, Dick Reil 240, Verna Woodbeck 230 and Cliff Short 218, 259 and 254.

Pee Wees To Play Bradford

Stirling Legion Pee Wee's have won a place in the O.M.H.A. Pee Wee Ontario semi-finals. The local youngsters have eliminated all opposition in Eastern Ontario.

Next Monday, March 19th, the local Pee Wee Club will play host to Bradford in the opening game of the Ontario semi-finals. The game will be played in Marmora Arena commencing at 6.30 p.m. The return game of the series will be played in Bradford on Wednesday, March 21st at 6.30 p.m.

Local hockey fans are urged to get behind the local youngsters as they seek to advance to the Ontario finals. The kids are playing good hockey and merit the support of all citizens in Stirling and district. It is hoped that all roads will lead to Marmora Arena next Monday at 6.30 p.m.

St. Patrick Supper

A successful St. Patrick's supper was sponsored by the ladies of St. Paul's United Church last night. A large crowd attended and many fine compliments were heard on the excellence of the meal.

Native of Stirling Dies In London

Mrs. Frank McColl, the former Annie McDowell, of Stirling, died in London, Ont., on Thursday last, March 8th. The late Mrs. McColl was the daughter of Mr. and Mrs. John A. McDowell and was in her 83rd year. She left Stirling some sixty years ago and was an aunt of Fred McDowell of this village.

The funeral took place on Saturday in Trenton.

Merrie Bowlers

High single and triple, Barbara Noble 264 and 711. Over "200" games — Mildred Fraser 213, B. Noble 223 and 234.

Local and Personal

Mrs. Jas. Palmer returned home from Belleville General Hospital on Friday night.

Messrs. R. E. Fox and Orno Sharp spent Saturday in Capreol where a new I.O.O.F. lodge was instituted.

Dr. Tom Patterson, Toronto, spent the week-end with his parents, Mr. and Mrs. R. A. Patterson.

St. John's Ladies' League

St. John's Ladies' League held their March meeting at the home of Mrs. J. Wetherell with an attendance of twelve.

The President, Mrs. Carr, opened the meeting with prayer. Following this, all members joined in singing the hymn, "Rescue the Perishing." Mrs. MacLellan gave the Scripture Lesson Luke 6: 20-26. The theme was "Love Ye Your Enemies." After a short meditation of these themes, the roll call was answered with an old proverb. There was certainly a varied assortment and all very good.

In the correspondence was an open invitation to all members to attend the meetings of the Afternoon Guild whenever possible.

During the business, a request was made to the members to turn in their thankoffering boxes at the April meeting.

A work hour, followed with members dividing into two groups for a "quilting" and a "toy stuffing" bee. A delicious lunch was served and Mrs. Edgar Hay-Elis thanked the hostess, Mrs. Wetherell, and co-hostess Mrs. Short, for the very enjoyable evening.

The next meeting of the Evening Guild will be held at the home of Mrs. Vera Cooke on Monday, April 2nd.

Arthur Morrison Died Suddenly

This community was shocked on Saturday to learn of the sudden passing of Arthur Roy Morrison, Emily St. He was having his car serviced at a local service station when he was stricken.

Born in Rawdon Township on the 14th Concession, he was the son of the late Mr. and Mrs. John Wesley Morrison and was in his 67th year. He followed the occupation of farmer until his retirement fourteen years ago when he moved to Stirling. For the past ten years he has been the efficient caretaker of St. Paul's United Church of which he was a member.

A kind neighbour and good friend he was held in high esteem by a wide circle of friends who deeply mourn his sudden passing.

He is survived by his wife, the former Florence Amelia Heagle, a daughter, Mrs. Bruce (Lucy) Davis, Toronto, a son, Gerald Morrison, of Eldorado, two stepdaughters, Mrs. Russell (Luella) Andrews, of Bonarlaw, and Mrs. John (Mabel) Litwin, of Hamilton and a step-son, John Bateman, of Hamilton. There are ten grandchildren and four great grandchildren.

Also surviving are two sisters, Mrs. Walter Meade, of New York City, and Mrs. Jennie Vogt, of Detroit, and two brothers, Bruce, of Toronto, and James, of Kingston.

The funeral took place from the Duffin Funeral Home on Tuesday to St. Paul's United Church for service at 2.30 p.m. Rev. P. J. Hommersen officiated.

The pallbearers were Messrs. R. E. Fox, Maurice Bell, R. A. Patterson, H. J. Wells, Chas. Vance and Geo. Sutherland. Interment in Mt. Nebo Cemetery.

Junior Farmer Conference Held At Guelph

Several of the Junior Farmers from this area attended the Junior Farmer Conference held at the Ontario Agricultural College, Guelph, on the weekend. Registration took place Friday night, followed by sessions on Saturday and Sunday.

During the Saturday programme a report on Junior Farmer activities in Hastings County was given by Harold Harris, of Madoc, a County Director. An interesting and informative address was also given by A. L. Laskie, Assistant Superintendent of Secondary Education, on the new program of education to be introduced next year.

The CBC Junior Farm Show at noon was also a feature.

Padre W. A. Young of the O.A.C., delivered an outstanding address during the afternoon session on "Courtship, Marriage and the Home."

The square dance competition in the evening concluded the Saturday session.

At the church service on Sunday the speaker was Miss Mariam Henry, of Picton.

Those in attendance from this area were Misses Donna Geen, Margaret and Mary Ray, Miss Elsie Martin and Messrs. Ken Fargy, Rosco Morgan, Ken and Bob Stiles, Duane Johnston and G. Patterson, Assistant Agricultural Representative.

Four Tons Waste Paper

The Boy Scouts collected approximately four tons of waste paper on Saturday last. They are very appreciative of the response to their appeal.

Stirling Legion Pee Wees Advance In Playoffs by Beating Bancroft

Stirling Pee Wee's advanced in the O.M.H.A. "C" play-offs on Friday night last when they defeated Bancroft 5-0 in the second games of the series. The game was played at the Stirling Arena before a good crowd of fans. Stirling won the first game played in Bancroft 4 to 3 Wednesday night last.

Both teams started off at a fast clip and it was not until the 14:10 mark that Doug Ray scored the opening goal, on an assist from R. Hagerman, to give Stirling a lead.

Midway in the second period Robert Bastedo made it 2-0 on an assist from Les Pyear. Six minutes later Ray Scored unassisted to make the score 3-0.

In the third period the northern team put on a spirited drive but were unable to crack the Stirling defence. Bastedo increased the locals' lead at the 15:14 mark and four minutes later Pete Brown got the final goal on a lone rush.

Only two penalties were handed out during the game with both going to the visitors in the second period.

Teen-Age Bowling

On Friday, March 9th, Joan McArtor's "Smoothies" took 5 points from June Wilson's "Jazz Gang," while Doug Nicholson's "Goatballs" were 3 to 2 winners over Jeff Mouck's "Rookies."

Murray Steacy got the high single of 225 and high double of 415.

Won Over Madoc

On Thursday, March 8th, two teams from the Stirling Teen-Age Bowling League journeyed to Madoc. The two local teams finished in the first and second positions with scores of 1703 and 1648. The two Madoc teams rolled 1636 and 1434. The high double of 424 went to Marlene Bruce, while Joe Hagerman rolled the high single of 219.

The teams returned home very happy not only because they were in first place but because they also brought all the prizes with them.

STIRLING — Goal, Robt. Cooke; defence, Gary Thompson, Donnie Potts; centre, Robert Bastedo; wings, Les Pyear and Peter Brown; alternates, Bill Bell, Bob West, Russell Hagerman, Allan Carr, D. Ray and Elgin Holden; sub goalie, Jean de Jong.

Herald of Spring

Mrs. Claude Tucker reports having captured a butterfly, which was flitting about in the home garage on Friday last.

Attend K.A.S. Royal

Mr. and Mrs. Carleton Potts and Mrs. Helen Neal attended the "Royal" at the Kemptville Agricultural School on Wednesday.

Have Operations

Jan Lutendorf, Emily St., underwent an appendectomy in Belleville General Hospital, early Tuesday morning.

Wayne Hadley, son of Mr. and Mrs. Alton Hadley underwent an operation for the removal of his appendix early Saturday morning in Belleville General Hospital.

Sells Property

A real estate deal of interest was completed this week when C. E. Bateman disposed of his home on Henry St. to Mr. and Mrs. R. L. Hatton, who will take possession June 1st.

Mr. Bateman has also sold the building lot on the corner of Henry and Elizabeth Streets to Mr. and Mrs. Lloyd Dufoe, of town, who plan to erect a new home on it.

25 Years' Service Recognized

Twenty-five years of service as a salesman were suitably recognized by Rosco Metal Products on Thursday last, when Jas. V. Holt, of Stirling, was presented with funds to purchase an oil painting of his liking and a suitable plaque by company officials. The presentation was made at a banquet held in the Royal York Hotel, Toronto.

'Chevies' Eliminated By Lakefield In Two Straight

Stirling "Chevies" were eliminated from further competition in the O.M.H.A. Midget "C" play-offs on Saturday night when they dropped a 7 to 6 decision to Lakefield. The game was played in Marmora Arena before a large crowd of fans, who witnessed a thrilling contest.

Stirling opened the scoring but their lead was short lived with the visitors going ahead 4 to 2 at the end of the first. From then on they fought an uphill battle and their best efforts were thwarted by a strong defence and some spectacular work by the Lakefield goalie.

The locals all gave their best and were beaten by a better balanced club.

River Valley W.I. Social Evening Much Enjoyed

On Friday evening, March 9th, seventy-three people enjoyed a pot luck supper at the I.O.O.F. dining hall.

A programme followed with Glenn Bush as master of ceremonies. Mrs. Philip Conley was pianist and Jack Bush led the assembly singing. Recitations were given by Janie Bush, Trudy Bush, Grant Carr, Susan Bush, Nellie Bartells and Johnnie Bush.

Kenneth Myers and Mrs. Conley contributed accordion and piano music. Mrs. Ernest Carr read a humorous selection. Mrs. Ed Hensman and Mrs. Jack Bush gave various slides of scenes in River Valley community, folks who live there and the 1961 Christmas concert.

The group enjoyed dancing to music supplied by Glenn Morrow, violin; Ernest Rosebush, banjo; Kenneth Myers, guitar, and Mrs. Conley, piano. The squares were called by Ed. Kent and James McDonnell.

A silver collection was taken to defray expenses and after all bills were paid the treasury was awarded 85c.

Those who attended this social evening report a good supper and a lot of fun.

Boy Scout Group Name Committees

Rev. F. F. Downing is Appointed Padre At Group Meeting Held Last Week

A meeting of the Stirling Boy Scouts Group Committee was held in the Stirling High School on Tuesday, March 6th, with C. E. West in the chair.

The following committees were appointed:

Fish and Game Club To Seek Charter

Some seventy-five members of the Trent Valley Fish and Game Association were present at a meeting held in the Stirling Community Hall on Tuesday night. Carl Austin, President, was in the chair.

A lengthy discussion took place on club projects and it was unanimously agreed to purchase the Turley farm on the 6th Concession of Sidney as a fish and game preserve. It was pointed out that there were a couple of trout streams on the property and with considerable work the site could be made ideal for club purposes. The establishment of a rifle range and trap-shooting facilities were also mentioned as future club projects. It was also decided to make application for a charter for the club.

President Austin voiced appreciation to the members for the support given the executive in the above project.

In the draw for door prizes Blake Hearn and Keith Tompkins, Frankford, held the lucky tickets.

Two conservation films were shown through the courtesy of Carling Breweries to conclude the meeting.

Mt. Pleasant U.C. Women

The March meeting of Mount Pleasant Rawdon United Church Women was held at the Church Hall on Thursday afternoon. There were 24 ladies and the pastor in attendance, also several pre-school children.

The President welcomed the group and Mrs. Don Knight presided over the programme. Mrs. Garth Joslin officiated at the console of the organ and all sang "Happy the Home."

Mrs. Marguerite McMullen read the Bible Lesson. The meditation centred around "What is the Task of the Church." Mrs. Robert H. Hoard contributed a vocal selection.

The study chapter on "Family Life" was synopsized by the convener and

pointed out that our pioneers had a heritage of home life despite actual hardships, yet from such homes came men and women of character with strong faith and convictions to carry them through life.

Mrs. Grant Hubble read the story of the life of "Frank Edwards and his Sunset Honour" in a senior citizens home. The offering was gathered and home. The offering was gathered and home. The offering was gathered and home.

The devotion and study closed with "Blest be the Tie That Binds."

Mrs. Milford Wrightman then conducted the regular business. The Treasurer reported \$114.00. Mrs. Gordon Linn gave an outline of the supply department to date. Mrs. Kenneth Weaver announced the Regional Meeting for May 30th at Mount Pleasant. All sang "Jesus Shall Reign" and the President read a meditation

on "The Lord's Prayer."

Mrs. W. G. Fletcher conducted the Bible study based on Mary, Mother of John Mark. She was assisted by Mrs. Herbert Smith, Mrs. Burton Sharpe, Mrs. Garth Joslin, Mrs. Marguerite McMullen, Mrs. Frank Jeffs, Mrs. Kenneth Weaver, Mrs. Harry McAdam, Mrs. Robert Hoard and Mrs. Percy MacMullen.

Refreshments were served by the programme committee and Mrs. Thos. Saries and Mrs. E. Spencer.

Carmel U.C.W. Family Night

On Wednesday evening Carmel U.C.W. sponsored "Family Night" in the Church Hall. Mr. Harry Brown was chairman for the evening with each family being responsible for a number which resulted in a varied programme providing entertainment, surprise and humour as follows:

Skit, "Nod and Jake," Mrs. Ray Hagerman and Mrs. Archie Bailey; readings, Mrs. Vernon Harry, Mary Anne Grilla, Ross Stapley and Wayne Fraser; piano solos, Sandra Hagerman and Diane McAdam; piano duet, Mrs. Dorothy Sheppard and Linda Johnston; novelty musical selections, Mrs. Harry Brown; vocal duets, Barry and Leslie Pyar; Joan and Linda Justus, accompanied by their mother;

Louise Hubble and Brenda White, accompanied by Marlene Bruce on the piano accordion; vocal and trumpet solo, Don Armstrong.

Mrs. Ron White read portions of letters from Mr. White describing his trip by air to Italy, his work at Pisa and his impressions of the country and people.

The pupils of Glen Ross School sang two choruses. The singing of the Queen brought to a close the programme and the ladies served lunch. The thought was expressed that a similar evening be arranged in the near future.

Rawdon Circuit World Day of Prayer

The special service for the World Day of Prayer for Rawdon Circuit was held at Wellman's United Church with a fair attendance. The theme for the service was "God's Love for the Whole World." Mrs. Frederick Beckett was musician for the entire service, playing quiet music preceding the call to worship.

Mrs. John Carlisle, President of the United Church Women of Wellman's, was in charge of the call to worship. The opening hymn was "O Love of God, How Strong and True."

Mrs. F. Laycock, President of Bethel U.C.W., took the part of the leader

for the Act of Confession and Penitence. Mrs. M. Wrightman, President of Mount Pleasant U.C.W., was leader for the Act of Confidence and Assurance, beginning with the hymn "Love Divine All Loves Excelling."

Mrs. John Carlisle again performed the duties of leader for the Acts of Thanksgiving and Intercession. All these prayers had been read responsively with the congregation.

Mrs. Herb Smith, of Mount Pleasant, gave the prayer for Her Majesty and leaders of the nations; Mrs. Stewart Hoover, the prayer for Our Own Country; Mrs. Kenneth Tompkins, the prayer for Families; Mrs. Carleton Poits, the prayer for the Needy; Mrs. John Mulhern, the prayer for the Whole Christian Church.

Address

Mrs. Kenneth Weaver gave the address, a message in keeping with the World's Day of Prayer. She told of the years of the beginning of this world wide service, Canada being 1920, the United States joining in 1922 and other countries later. Korea was one of the latest countries to join, 1959. Today there are approximately 120,000 ladies of 8 denominations in 145 countries on 6 continents taking part in this service, using the exact same hymns and prayers. The various countries take turns in preparing the programme. This year the programme was prepared by Mrs. de Svetogorski and Miss Cavallero, both of Montevideo, Uruguay, South America.

Last year \$53,901 was raised in Canada for Mission work. Our money is used to extend Christianity into other countries; also to help to get units of Christian reading for the blind in our own country. Our help is badly needed today in confused Africa. We should continually pray for all stricken countries. The World Day of Prayer has been the greatest Ecumenical transaction to take place connecting the countries of the world.

Mrs. Jim Pollock rendered a beautiful solo, "Prayer in the Soul's Sincere Desire." The hymn, "The Day Thou Gavest, Lord, is Ended," was sung. Mrs. Carlisle closed this very inspiring service with the benediction.

Newly-Weds Honoured At Carmel

Friends and relatives gathered at Carmel Jubilee Hall on Friday evening to spend a social time with the newlyweds, Mr. and Mrs. Bill Fraser (nee Jean Grills).

Rev. P. J. Hommersen was chairman for the programme. Mrs. Ray Hagerman read an address and a matching coffee table and step-up table were presented on behalf of the community.

The recipients made suitable replies. The ladies served lunch and a social time was enjoyed.

Friends were pleased to see Mr. and Mrs. Joe Grill who attended with their daughter, Mrs. Hazel Johnston, of Norwood, where they have spent the last two months.

St. Mark's W.A. Bonarlaw

St. Mark's W.A. meeting was held at the home of Mrs. B. Woodbeck on Thursday, March 8th at 2 p.m.

The meeting was opened by singing the hymn, "The King of Love My Shepherd Is," followed by the Litany and Prayers by Rev. Fleming. Mrs. Wellman read a prayer for our Prayer Partner. Mrs. M. Tanner read the Bible reading from the 61st Psalm: 9-17.

Roll call, a verse from the Bible containing another name for Jesus, was answered by 11 members.

The Treasurer, Mrs. Neill, gave her report on the Oyster Supper, showing a very good profit. Dorcas Secretary, Mrs. Heath, read a couple of thank you letters from receivers of bales.

The President, Mrs. Barlow, welcomed all and thanked Mrs. Woodbeck for having the meeting. She also reminded all members of the World Day of Prayer. She also announced that the W.A. would be catering to the Community Sale on April 9th.

Rev. Fleming gave the next chapter of the study book.

The Extra Cent-A-Day was collected by Mrs. Eggett. The meeting was closed with prayer.

The programme was in charge of Mrs. Neill and readings were given by Mrs. Eggett, Mrs. Wellman and Mrs. Heath. A solo, "His Hand In Mine," was sung by Wenda Neill.

Mrs. Barlow conducted a contest, after which the hostess served a lovely lunch.

Last year the average hourly wage in manufacturing was \$1.78 in Canada, 72 cents in the United Kingdom, 66 cents in Germany, 43 cents in France and 37 cents in Italy.

Haggerty -- Livesey Nuptials Solemnized

White chrysanthemums adorned the altar in St. John's Anglican Church, Stirling, for a double ring ceremony on Friday, March 2nd, when the Rev. F. F. Downing, rector of the church, united in marriage Carol Patricia, daughter of Mr. and Mrs. Jack Livesey, of Stirling, to John Thomas Haggerty, son of Mr. and Mrs. Morley Haggerty, West Huntingdon.

The wedding music was rendered by Miss Helen Morrow. Given in marriage by her father, the bride was radiant in a floor-length

gown of silk organza over taffeta fashioned with apron front, lavishly edged and scrolled with embroidered Alencon lace, scoop neckline and large butterfly bow back.

Her silk illusion veil, appliqued with French lace, was held by a crown of seed pearls and she carried a cascade bouquet of pink and white stephanotis and lily.

Miss Jane Rakker, of Foxboro, as maid of honour, was gown in a street-length dress of pink organza over taffeta with matching pink head-dress. She carried a bouquet of pink and white carnations.

Mr. Allyn Warren, of Toronto, was best man and the ushers were Messrs. Jim Tanner, Stirling, and James Wal-

lace, West Huntingdon.

Following the ceremony the reception was held at the bride's home. The bride's table was prettily decorated with white damask and centred in the room with a dining table. The bride's mother received the bride in a gown of beige brocade silk over taffeta with corsage of rose carnations. She was assisted by the groom's mother who wore a magenta brocade crepe with white accessories and corsage of pink carnations.

For the wedding trip to Quebec City the bride chose a beige wool dress with brown mouton fur jacket, beige accessories and corsage of tails-

man roses.

The young couple will reside in Stirling.

FIRST CLASS SCOUT IN A WHEEL CHAIR

Stricken with polio since he was seven, Lionel Hope, 17, of Peterboro, recently became the first Peterboro Scout confined to a wheel chair to gain his First Class Scout's badge.

Lionel, a member of St. Paul's Troop since 1957, has carried out every Scout test satisfactorily without special allowances being given for his disability. Another handicapped Scout, Bill Fayle, has recently completed his Second Class tests with St. Paul's Troop.

West Huntingdon

Mrs. Sandy McCurdy and Joan spent the week-end in Niagara Falls. Miss Hilda Haggerty is visiting her sister, Mrs. Geo. Varty, Toronto.

Wellman's

Mr. and Mrs. Frank Johnson, of Frankford, are holidaying with Mr. and Mrs. Russell Johnson and Mrs. T. W. Snarr.

Mr. and Mrs. W. L. Pollock and Mr. and Mrs. Alvin Pollock spent the week-end at Kincardine.

Hostess To Rylstone W.I.

Mrs. Eldon Anderson entertained the members of Rylstone Women's Institute at the Sunday School room of Zion Church on Wednesday, March 7th. There was a good attendance of 12 ladies and one pre-school child.

Mrs. Don Kerr, President, opened the meeting in the usual way with the Institute Ode and Creed. Roll call was answered by "A famous discovery in medicine and its discoverer." The minutes of the February meeting were read by Mrs. Stanley Kerr, Secretary-Treasurer, who also gave the Treasurer's report.

It was decided to forward the money for the President's Conference at Guelph, though it is not certain who will be the new president for 1962-63. It was decided that a donation be made to Campbellford Hospital in lieu of a card party to raise money.

Programme

Mrs. Carl Reid was convener for the balance of the programme as follows:

Irish sing song, with Mrs. Ellis Jones at the piano; reading, "House By the Side of the Road," by Mrs. Percy Reid; reading (answer to above), "The Crowded Ways of Life," by Mrs. Don Kerr.

Mrs. Stanley Kerr then introduced and welcomed Dr. Pauline Jerritt, Liberal nominee for Northumberland County, who gave a very interesting and informal talk on "Some Reflections on Participating in Public Life." Mrs. Jack Watson voiced the thanks of the members for the splendid talk.

Mrs. Stanley Kerr read, "This is March." Mrs. Ellis Jones gave current events and gave a reading. Mrs. Carl Reid gave a short reading, "My Dream." A contest on "Birds," conducted by Mrs. Gerald Barnum was enjoyed while the hostess and lunch committee were preparing the lunch.

The meeting closed with the National Anthem and a dainty lunch was served by the hostess and her committee.

Tom — "My brother paints men and women."

Jerry — "Oh, an artist, eh?"

Tom — "No, he just paints 'Men' on one door and 'Women' on the other."

St. Andrew's W.M.S.

The regular meeting of St. Andrew's W.M.S. was held on Tuesday afternoon at the home of Mrs. Leslie Rawlings.

The President, Mrs. Johnston, opened the meeting with a poem, followed by the singing of a hymn. The Scripture reading was taken by Mrs. H. McGee. The meditation was read by Mrs. Don Fargey, followed by prayer by Mrs. Munro.

The roll call was answered by eighteen members. The Treasurer's report was given and a short program followed.

Mrs. Don McIntosh assisted by Mrs. E. Bateman, gave a very interesting review of British Guiana. Mrs. Rawlings gave a reading on stock taking, which gave much thought as to our ways of living. A content on names of women in the Bible ended a very pleasant and profitable afternoon.

A vote of thanks was given Mrs. Rawlings and committee by Mrs. L. Dafee.

"If God had a reason for saving my life, I believe it is for me to try my hardest to get drivers and passengers to wear safety belts." So said Donald Campbell after his crash in "Bluebird" at Utah Salt Flats. His car skidded at 310 m.p.h. and was catapulted through the air for several hundred yards. Thanks to his safety belt he was freed from the badly damaged car practically unhurt.

25 POOR-DOERS CATCH-UP AFTER 'PERMACO' BULLETING

'PERMACO' GIVES 15%-25% GAINS

"Though all got supplementary minerals and heavy protein, 25 of my 70 pure bred Herefords were still unthrifty. Five months after those were bulleting with 'Permaco', they had improved 15 to 25% and had caught up with the rest of the herd."

Harry Hill, Alexandria, S.D.

'PERMACO' UPS MILK 12%

"For the past 12 years, we've made the National Honour Roll for production, yet two months after bulleting 16 head of our milking herd with 'Permaco', their production increased by 12%. Our replacement herd showed equal improvement. We strongly urge other dairymen to use 'Permaco' for greater profits."

The Food Basket

Consumer Section Marketing Service
CANADA DEPARTMENT OF AGRICULTURE

Many people are buying extra supplies of canned foods and at the same time, says the Consumer Section, Canada Department of Agriculture, Ottawa, they are asking many questions about their storage and food value. Here the home economists give some facts about canned foods by answering consumer's questions:

Question — What are considered to be the best conditions for storing canned foods?

Answer — Canned foods should be stored in a cool, dry place where the temperature remains fairly constant. These conditions are favourable to both the quality and food value of the contents of the cans. High storage temperatures increase loss of food value, whereas freezing causes a breakdown of quality.

Question — How long is it advisable to store canned foods?

Answer — In order to get the maximum in food value from canned food, they should be rotated through use every six months or so.

Question — Are dents and rust on the can indications of spoilage of the contents?

Answer — Not unless either is so severe it has perforated the can and caused leakage. When this occurs the contents should be discarded. Rust on cans may occur in salt water areas such as in the Atlantic provinces and in British Columbia or in any area during periods of high humidity.

Question — Are Canada Standard quality of canned fruits and vegetables as good a buy nutritionally as Canada Choice or Canada Fancy grades?

Answer — Yes. The trade mark on the can is not an indication of food value but of the quality of the food, that is, its colour, flavour, uniformity of size of pieces, degree of maturity of the fruit or vegetable and clearness of the liquid in which it is packed. The quality of the food varies with the grade but the food value has the same excellence for all grades.

Question — Do canned vegetables retain their original food value?

Answer — The modern canning process retains much of the original food value of garden-fresh vegetables. However, a large amount of the water soluble nutrients go into the liquid. If this liquid is used with the vegetable much of the nutritional value will be retained. There are several ways to avoid losing these nutrients. The liquid may be boiled down quickly before adding the vegetable for heating it, (an exception here would be whole kernel corn which is packed in very little liquid). The liquid may be used in gravies, soups, sauces or casseroles. It may be stored in the refrigerator but should be used as quickly as possible to avoid loss of food value due to holding.

Question — How long should canned vegetables be cooked?

Answer — Canned vegetables are already cooked. They need only be heated until hot enough for serving. Butter, seasoning or sauces enhance the canned vegetable as much as they do fresh or frozen ones.

OF MANY THINGS

(By Ambrose Hills)

BARBERSHOP WISDOM

"How would you like your beard trimmed, sir?" the barber in the story asked.

"In silence," the wit was supposed to have replied.

Good repartee, no doubt. The wit, however, missed considerable wisdom.

Barbers get to know a great deal about human beings. And a knowledge of humans, their virtues, their faults and foibles, is at least as valuable as book learning. Some of the "longhairs" I have watched and listened to on television and radio lately would probably do better if they spent more time in the barbershops, a haircut as a secondary consideration.

While this column is being written, there is a plethora of television commentators giving us the "inside story" of why Mr. Hazen Argue left the NDP. Each has a theory of some sort. None seems to have much understanding of the human being in question. My barber sounded more convincing to me than the lot of them. He said, "I guess Hazen figured the voters at home wouldn't back him in that Party. He wants to represent his constituency."

My barber doesn't think there is as much juvenile delinquency today as there was when he was a kid. "I have a lot of teenagers come in here," he said. "I've been cutting hair on Canadian youngsters for thirty years, in small towns and in the city. There's not a finer crop of kids anywhere than you can get today. They tell how they want their hair cut; do it their way and they thank you; miff it by cutting it a bit too short, and they tell you about it politely. They don't thank you and then go out of the shop and criticize you. Their fathers are not as straightforward."

My barber likes people with honest views which they state forcefully. He often says things to stir up some talk. He is pretty disgusted when a customer would rather agree than have the gumption to argue.

I suppose the barber is wrong about some things. My guess would be, though, that his comments are usually close to the truth. He forms his convictions from a pretty careful study of human beings and what makes them tick. He doesn't accept everything he reads or hears. It has to jibe with human nature or he rejects it. Political commentators might do better if they would use a similar check chart.

Ontario Diocesan Woman's Auxiliary

Bishop Stephen Neill, formerly of England and now residing in Geneva, Switzerland, was the speaker at the monthly meeting of the Ontario Diocesan Woman's Auxiliary, which took place at St. Paul's Parish Hall, Kingston.

Bishop Neill mentioned preparatory to speaking that while this was his first visit to Kingston, he could claim a family tie, as William Monroe Grant, noted educator, who had had a close association with Queen's University in the past was a distant relative.

His Lordship having spent twenty years in India, chose as his topic women's work in that country. He commenced by speaking of a Brahmin caste father of a century ago, who felt that women had a place in this world, and thereby educated his daughter. This girl grew up to be a champion of women's right and eventually became a Christian. Secondly, he spoke of a mother who became widowed at an early age and left with a young son to care for. This woman was simple and humble but an excellent disciplinarian. Her son grew up to be the first Indian Bishop. Thirdly two brilliant English teachers were discussed. These two ladies taught in the Bishop Tucker College, and after a period of time felt they would like to go to a remote area and assist people in small villages. This they did with much success; proving that tremendous drive and courage are requisites to further the cause of Christianity. It should be remembered that God is a Faithful Workman and does not want anyone to be wasted.

The rector of St. Paul's, Rev. T. H. Good said the opening prayers and Bishop Neill pronounced the Benediction. Mrs. W. F. H. Mitchell intro-

duced the speaker and Mrs. M. C. Becker thanked him; stating that he had provided excellent examples for W.A. members to follow. Mrs. G. A. Platt presented the Bishop with a copy of the history of the Woman's Auxiliary in Ontario Diocese. St. Paul's Branch was thanked by Mrs. D. Stewart, of Belleville.

THE BIBLE TODAY

The Rev. H. Curwen-Smith, Bible Society Secretary in Viet-Nam and Cambodia, recently received a photograph of a small church, newly built in a far away village.

The history of the building of this church provides an exciting story. During an evangelistic campaign in 1957 gospel portions were sold and one was taken to this remote village. Though the original owner was not very interested he loaned the Gospel to anyone who wished to read it. One man, so stirred by the gospel message, made a trip to the nearest town, sought out the Evangelist and received from him an explanation of the Way of Salvation.

This man, together with his family became believers. They desired to win others and to have a small church. These people had been dominated by a communist regime for nine years. They had nothing to start such a programme. They did have a small piece of land and willing hearts and hands soon collected a few materials for the building. For three years their crops were destroyed by floods, rats or locusts and they had to subsist on roots and sweet potatoes rather than rice. The way was hard. One or two Christians disposed of their bicycles, while others sold meager possessions to help to provide the materials.

After four years the tiny brick church was completed and ready for dedication. The pastor who related this story concluded with a message of thanks to the Bible Society for providing the Scriptures without which there would be no Christians and no Church in that village.

The Enemy

I am more powerful than the combined armies of the world. I have destroyed more men than all the wars of the nation. I massacre thousands of people in a single year. I am more deadly than bullets and I have wrecked more homes than the mightiest of guns. I steal in the United States alone over \$500,000,000 each year. I spare no one and I find my victims among the rich and poor alike; the young and the old; the strong and the weak; widows and orphans know me to their everlasting sorrow; I loom up in such proportions that I cast my shadow over every field of labour. I lurk in unseen places, and do most of my work silently; you are warned against me yet you heed me not. I am relentless, merciless and cruel. I am everywhere — in the home, on the streets, in the factory, at railroad crossings, on land, in the air and on the sea. I bring sickness, degradation and death — yet few seek me out to destroy me. I crush, I maim, I devastate; I will give you nothing and rob you of all you have. I am your worst enemy.

I am CARELESSNESS!

NEWS FOR THE BUSY FARMER

Timely Tips

Pregnant cows need lots of exercise, says Tom Needham, Ontario Agricultural College livestock researcher. Start now by putting feed bunks and hay racks at the far end of the paddock, they'll get exercise by walking back and forth. Another way, if the snow isn't too deep, is to allow them access to the fields for an hour or so.

Sore teats can be a real problem at milking time. Dr. Howard Neely, extension veterinarian at the Ontario Veterinary College, suggests bathing the injured teat just before milking time in a hot solution of epsom salts or boric acid. This softens the teat, increases the circulation and deadens the pain. For best results, bathe the teat for 10 to 20 minutes with as hot a solution as the cow can comfortably stand.

If you plan on adding a drilled well on your farm, make sure you instruct the driller to install a casing large enough to handle the pump, suggests Professor R. W. Irwin, Ontario Dept. of Agriculture engineer. Since most deep-well pumps used on farms nowadays require at least a 4" or 5" casing, don't get caught trying to cut expenses and end up with a casing too small for the pump you intend to buy.

Spend a few days now preparing your farm machinery for the spring rush, advise engineers with the Ontario Department of Agriculture. It might save you up to a week in lost time in breakdowns during seeding. Check for worn bearings and chains, clean rusted mechanisms and replace broken parts.

Farm Credit Act Appointment

Mr. J. Roland Humphries has been appointed as local Credit Advisor for the Farm Credit Corporation in the counties of Hastings and Prince Edward. Mr. Humphries' office is located at Campbellford in the Post Office Building and he is available to advise farmers on the loans available and assist them in organizing economic family farm units. Thursday has been set aside as interview days. There are two types of loans avail-

able. There is the Standard Loan which may be obtained on the security of farm land in an amount not exceeding 75 percent of the appraised value or \$20,000.00, whichever is the lesser, for single farming enterprises.

The second is a Package Deal Loan designed to cover all the long term and intermediate term credit needs of capable young farmers who are starting with a limited amount of capital. This may be obtained in an amount not to exceed the lesser of \$27,500.00 or 75 percent of the real estate, basic herd livestock, and necessary farm equipment.

The rate of interest paid on either type of loan is 5 percent and repayment may be amortized over a period of up to 30 years.

Loans can be used to acquire land, erect or modernize farm buildings, purchase basic herd livestock, and necessary farming equipment.

To qualify for a Standard Loan the applicant must have farming as his principal occupation, own or propose to purchase the farm offered as security and actually be engaged in or about to be engaged in operating the farm. The farming enterprise must be of an economic size which under the owner's management will pay all operating and maintenance costs, repay the loan with interest and give a good standard of living to the operator.

To qualify for a Package Deal Loan the applicant must have, in addition to the foregoing, five years' successful farming experience, be over 21 and less than 45 years of age, and must satisfy the Corporation that the farm to be mortgaged will be successfully operated.

Meighen Rodgers Writes Interesting Account of His European Tour

Following is the story of a European tour by Meighen Rodgers, of West Hill, who formerly resided in the Stirling district, and is now a teacher at Scarborough. Due to its length the article will be published in several parts. This is the seventh instalment.

Second Trip

Although it is now approximately seven hundred years since England and Wales became part of the same Kingdom, the Welsh have managed to retain, to this day, their own individuality and their own language. From this it may be inferred that there must be something very particular about Wales. And indeed there is.

The scenery is on the grand, almost the operatic scale, with gaunt and grim castles rearing their formidable towers from nearly every rise. They were built by Edward I in the thirteenth century. The most famous and picturesque are Harlech Castle, which saw bitter fighting during the Wars of the Roses; Conway and Caernarvon Castles at either end of the Menai Straits. The first Prince of Wales, as the term is now understood, was born at Caernarvon Castle in 1284. Within a few hours of his birth, his father, Edward I, exposed him to the public and an east wind, whereupon the infant caught cold of which it nearly died.

Within easy reach of Caernarvon is the National Park of Snowdonia; which contains some of the finest scenery in Britain. The ascent of Snowdon itself (3,560 feet) can be made by a number of routes of varying difficulty, or by a mountain railway which presents no difficulties at all.

Other famous Welsh beauty spots are the Black Mountains and Brecon Beacons, which offer limitless tracts of wild and remote heather-clad country; the lower Wye Valley, where the river winds its way past the lovely Forest of Dean and the stately ruins of Tintern Abbey to Chepstow on the mouth of the River Severn; and the Eilan Valley in Radnorshire, where a chain of lakes, some natural and some caused by the flooding of valleys, has made of the countryside a very picturesque Welsh Lake District.

Left Dover

For Belgium

On August 13th I left London's Victoria Station by train for Dover, where I boarded a boat for a rough crossing of the English Channel to Ostend, Belgium. Ostend is a famous North Sea resort with a well-developed fishing industry. On leaving Ostend, just before arriving at the first bridge, are the remains of H.M.S. Vindictive, which played a great part in the 1914-1918 war by blocking the canal used by U-boats. Travelling along the canal, we arrived at Bruges, Belgium's best preserved medieval town. Bruges grew wealthy from the Flemish cloth trade and was also the chief port of Flanders. That prosperity is reflected in magnificent buildings around the main square. Since then, Bruges has declined in importance, now depending mainly on its lace-making, tourist industry and horticulture. With its network of canals Bruges is sometimes called "The Venice of the North." Continuing our journey, we passed a Canadian War Cemetery and arrived at Ghent, which has a beautiful medieval centre with a cathedral, a Gothic Town Hall and delightful medieval guild houses alongside the River Lys.

Our next stop of importance along the main highway was at Antwerp. In the course of centuries, on land partly reclaimed from the River Scheldt, Antwerp has gradually grown to be an important and attractive centre of commerce and art. Including the suburbs, it has a population of nearly 600,000 and is one of the most densely populated centres of Europe. The Castle of Antwerp was destroyed in the ninth century by the Northmen and rebuilt in the tenth.

I was greatly impressed as we travelled from Ghent to Antwerp by the acres upon acres of tuberos begonias we saw in full bloom on both sides of the highway. There were many road stands where vendors were selling potted begonias. Many of these plants and bulbs are exported to various countries.

Pilgrimage To Holland, 1962

The Netherlands War Graves Committee has asked the Royal Canadian Legion to act as their agent in Canada to look after the administrative arrangements necessary for the organization of Pilgrimages from Canada of the next-of-kin of servicemen and women buried in Holland. The Legion has accepted this responsibility.

The Netherlands War Graves Committee is an organization that was established immediately after World War II for the purpose of ensuring that the graves of Allied Servicemen and women who died in the liberation of Holland receive personal attention and visitation by the people of the Netherlands over and above the care provided by the Commonwealth War Graves Commission. This organization, which is supported entirely by voluntary subscriptions in Holland has for many years past arranged, in conjunction with the British Legion, for visits of Next-of-Kin from the United Kingdom to the war graves in Holland.

It is proposed that the first of these Pilgrimages from Canada will be held in the early Fall of this year. It has now been possible for arrangements to be made for a chartered flight on an established airline from Montreal to Holland at a cost of two hundred (\$200.00) dollars per person. The Netherlands War Graves Committee are making a contribution of \$50.00 per person which will reduce the cost to \$150.00 for trans-Atlantic transportation from Montreal to Holland. In addition the Netherlands War Graves Committee will arrange for the next-of-kin to be guests of Hollanders during their ten days' stay in that country. This will mean that lodging, meals and transportation will be provided completely free of charge while the pilgrims are in Holland. The result of this is that the immediate relatives — mother, father, widow, son, daughter, brother or sister — of service men and women buried in Holland during World War II, can travel from Montreal to Holland and return, and then enjoy a ten day stay in Holland, for a cost of \$150.00 plus any pocket money that the individual cares to or is able to provide. Please contact B. Glendinning for further particulars.

A Letter To
The EditorA PLEA FOR
THE HOME GAME

Dear Mr. Editor:

Last Saturday a game of hockey of considerable local interest, that should have been played on local ice was taken to Marmora. The game was the second in the play-off of the Midland "C" Eastern Ontario finals between Stirling and Lakefield, the first having been played at Lakefield and won by that team by the score of 8-5.

Stirling now needed a win to stay in the running but the decision to play another "away" game was made and the game and title lost. The final score, 7 to 6, was so close as to suggest that on home ice before a home crowd, they would probably have won handily, but it was held that the Stirling ice would not be good enough for the game.

Two important factors are involved here. One is the support the Stirling Legion needs to keep the arena functioning, and the other is the tremendous boost to both team and fans, and the games, that a rousing play-off on home ice generates.

Regarding the former it must surely be known that the Stirling Legion rescued the local arena from collapse by undertaking the repair, caretaking and maintenance necessary to ensure that one of the finest winter recreational centres a community can have would be kept running. Over the last few years thousands of dollars in labour and materials have been spent on the arena. Bleachers, dressing rooms, a large heated canteen area, good flooring and reinforced timbers have been added, and the boarded enclosure kept smoothly repaired and painted. As a result, considerable free skating

and training has been made available to the small fry of the village and district, as well as providing a fine sheet of ice for pee-wee, bantam, midjet and juvenile league games.

All this adds up to a steady drain on Legion funds and the only time any real revenue is forthcoming is during play-offs, if the Village is fortunate in having a team of championship calibre, which is often the case. But year after year the local teams pass up the "home" games and many of the fans are disappointed and denied a chance to cheer the team to victory, and the game suffers.

The second point needs no elaboration. Anybody who has cheered and groaned and cheered again at a keenly contested play-off on home ice, needs no telling of its terrific lift — win or lose.

Surely greater consideration should be given to all the factors involved when a choice of location such as came up last Saturday occurs again. It needs only to be added that it is not professional hockey that might call for professional ice that is under discussion, and many a great game has been played in the old Stirling Arena on poorer ice than was the case on Saturday last.

District High School Board Will Need \$16,705.65 From Village

Resignation of Miss M. DeCarlo To Take Effect In June Accepted by Board

According to the Budget for 1962 approved by the Stirling-Rawdon District High School Board, the taxpayers of Stirling will be required to raise \$16,705.62 for maintenance of the local High School during the current year. Rawdon Township will be assessed \$55,909.23 and Sidney Township \$7,662.78, making a grand total of \$50,277.70.

Dr. R. B. Murray presided at this monthly meeting on Monday night and was supported by Messrs. H. Morrow, D. W. Rodgers and James Johnston.

A communication was tabled from Miss M. DeCarlo, tendering her resignation from the teaching staff and asking permission to be relieved from her teaching duties June 28th and 29th to facilitate her departure on a trip to Europe. Her resignation was accepted and her request granted on motion of Messrs. J. Johnston and D. Rodgers.

Letters were also tabled from E. C. Hay-Ellis, chairman of the salary committee; Watson & Wiegand, with final payment certificate for \$9007.07 to the Eastwood Construction Company, and Sprague & Cameron re clarification of title on a certain parcel of land.

J. Irish, school caretaker, presented his report, outlining action already taken or needed to make necessary repairs in the school. He also informed the Board he contemplated entering hospital for an operation and would be absent at least a week. In his absence Harry Waite would fulfill his duties. On motion of Messrs. Rodgers and Johnston the report was adopted.

Principal J. L. Good reported that members of the staff, with the exception of R. Marby, had visited Lawrence Park and Northern Secondary Schools in Toronto on Friday and had derived considerable benefit in observing teaching methods used in these schools.

He also discussed the placing of advertisements and their content to fill the vacancies which might occur on the local school staff.

His report was adopted on motion of Messrs. Morrow and Johnston.

The following accounts were presented for payment:

Bureau of Educational Research and Service, \$9.01; Edgar C. Hay-Ellis, \$3.80; MacMillan Co. of Canada Ltd., \$5.50; Co-Operative Book Centre of Canada, \$60.71; Rolufs, \$6.64; Livestock's, \$2.76; Stirling Motors, \$1.44; Gestetner, \$24.84; Majestic Cleaners, \$5.00; James Texts Limited, \$3.55; Superior Propane, \$62.79; Ken Sine, \$362.21; J. L. Good, \$5.83; C. C. Snowdon, \$29.62; Canadian Fairbanks-Morse, \$17.40; Moyer Vico Limited, \$60.80; Mrs. Phyllis Camm, \$60.00; Hatton Hardware, \$13.40; Mel Tanner, \$5c; Maurice Bell, \$60.21; James Wright, \$50.00; Stirling Lumber Ltd., \$38.50.

Following the discussion of some minor items of business the Board adjourned.

Mrs. R. Rupert Hostess To W.I.

On Wednesday afternoon the Stirling Women's Institute meeting was held at the home of Mrs. R. Rupert, Front St., with a splendid attendance, including two visitors, who are always welcome.

President Mrs. B. Reid conveyed good wishes to all and thanked the hostess for opening her home. The roll call, "A Canadian product I am Wearing," was well responded to.

Correspondence included communications re President's Conference at Guelph May 9th and 10th; thank you from Stirling Council, and from Mrs. E. Foster and Mrs. F. Smith for fruit and cards while ill.

An itemized account of the last bale of used clothing to Scott Mission was given and valued at \$170.00. A reply of thanks from Rev. Morris Zedman, reads in part — "Many hands make this work possible for daily tasks in carrying on the Mercy Mission with love for our fellow men."

Mrs. F. Smith kindly donated another top for a quilt and a quilting will be held at Mrs. Aythart's this coming week.

Pennies for Friendship and regular collections were gathered by Mrs. C. Gay.

Mrs. W. C. West and Mrs. R. Williams donated to the birthday box for March. A prize given for the birthday nearest St. Patrick's Day, was won by Mrs. W. C. West.

Owing to church duties, Mrs. E. Luery couldn't attend the W.I. meeting but instead sent a donation which was gratefully received.

A completed quilt was on display and is for sale. Anyone interested in its purchase may contact Mrs. W. C. West.

The summer trip was under discussion and will be decided on at the next meeting.

The purchase of a Bible as a prize for Scripture reading at the Festival of Sacred Praise was authorized and will be donated by the Stirling W.I. Mrs. R. Williams will be in charge of the choosing of same.

The singing of the Queen closed the business.

Mrs. Robt. Williams gave the final paper on the standing committees for the year at this meeting and chose "The History of Stirling." She also reported on the meeting attended in Belleville on Historical Research. Readings were given by Mrs. B. Reid and Mrs. F. Smith. Mrs. West conducted a contest with Mrs. C. Gay and Mrs. D. Luery being the winners.

The programme closed with the repeating of the Mizpah Benediction. A dainty lunch was served after which Mrs. B. Reid thanked the hostess for her home and lunch.

Bradford Defeats Stirling Pee Wees

Stirling Pee Wees proved no match for Bradford in the first game of the O.M.H.A. semi-finals played at Mar-mora Arena on Monday night, by mura Arena on Monday night.

The Bradford team were more polished and much bigger than the locals and outclassed them throughout to score their 26th consecutive victory.

4 TO 2 FOR BRADFORD

In the second game played at Bradford last night the local Pee Wees made a better showing and dropped the game by a score of 1 to 2. This eliminates the locals from further competition.

The Stirling goal-getters were D. Ray and Robt. Bastedo, on an assist from Gary Thompson.

Engagement

Mr. and Mrs. Blake Faulkner, of Stirling, wish to announce the engagement of their daughter, Helen Anne to Douglas Larry McMaster, son of Mrs. Earl McMaster, and the late Mr. McMaster, of Ivanhoe. Marriage to take place April 7th at St. Paul's United Church, Stirling, at 2:00 p.m.

Local Cancer Society Plans To Canvass Stirling District Next Month

Canvassers Are Needed — Volunteers Should Notify Any Member of Committee

"Good fellowship, friendship and the desire to understand each other are the jewels of Rotary," stated T. M. Palmer, of North Bay, Governor of Rotary District No. 701, in addressing members of Stirling Rotary Club at their weekly dinner meeting at Stirling Hotel on Tuesday night.

Introduced by President R. L. Hatton, the District Governor stated the Rotary Four-Way Test involves principles which come from the heart. These are the seeds and the earth is the heart of a good man. Put them both together and we have growth.

There is no place for complacency in the Rotary movement. Service to others and service above self are principles that must be practised constantly. The four-way test should be applied in all our business dealings. Rotary may exercise a power stronger than the A-Bomb by breaking down all racial, political and religious differences and bringing people closer together.

In conclusion the Governor charged his listeners with the duty of filling all classifications in the community. Should there be an unfilled classification and there is a man in the community who would justly fall

Honour Newly-Weds At Minto

Salem Church Hall was filled Saturday evening when Mr. and Mrs. Bob Wickens were honoured at a shower by the community.

Mr. Joe Hagerman capably filled the duties of chairman and expressed congratulations and best wishes to the bride and groom. Mrs. Joe Forestell led in community singing. Readings were given by Miss Edna Tanner, Mrs. Everett Sine and Mrs. Stan Thompson. Mrs. Vene Hagerman contributed a piano selection and Master Larry Forestell sang.

Ross Savies read the address and Bob and Linda were presented with a space saver, also several individual gifts, for which they very suitably replied, expressing thanks for the gifts as well as all who had contributed and were responsible in any way, toward the success of the shower and invited all to visit them in their new home.

"For They Are Jolly Good Fellows" was sung and lunch served and a social hour enjoyed.

Later a rousing charivari was tendered the bride and groom at the home of Mr. and Mrs. Preston.

Bank Staff Dinner Party

Mr. and Mrs. Les Rawlings were hosts to members of the local Bank of Montreal staff and their husbands at the annual staff dinner on Tuesday night. Following a delicious dinner the group enjoyed alley bowling at the local Bowl-O-Drome.

Men's Bowling

Legion 5, Oddfellows 2; Bolows 7, Six-R-Dees 0; Drones 5, Rockets 2; Elaines 5, Maple Leafs 2.

High single and triple went to Al MacConnell with scores of 296 and 778.

Other good scores — Art MacConnell 254; Allan Tanner 259, R. Stevenson 254, B. Lamb 250, Jack Doran 272, Clive White 275, Ralph Sca 256, Cliff Short 258.

Unit Four St. Paul's U.C. Women

On Tuesday afternoon, March 20th, Unit Four of St. Paul's United Church Women met at the Church. Mrs. C. Davidson opened the meeting with a poem entitled, "Live This Day," followed by the theme hymn.

A short period of silence was observed, in memory of Mrs. Dickson. Mrs. H. Bell and Mr. A. Morrison, and followed by prayer.

Mrs. R. Shortt opened the devotional service with prayer, followed by a meditation based on Ephesians 1: 1-16 and 30-32. The study book, "Signals for the Sixties," chapter one, was reviewed by Mrs. W. Harlow. Following this Mrs. P. J. Hommersen conducted the Bible study based on Acts, chapter 2, and led in discussion.

After verses 1 and 5 of hymn 164 were sung, Mrs. D. Duffin reminded the group of the missions aspect of our work with a clipping about Miss Millicent Howse and her Bible translations.

The business meeting was conducted by Mrs. Davidson. Letters were read from Mrs. E. Warren and family and Mr. and Mrs. M. Bell and family. The Treasurer's report was given by Mrs. J. L. Good in the absence of Mrs. G. Carlisle. The roll call, answered by the name of a mission, showed twenty-one present. Community Friendship representative Mrs. A. Brooks reported on cards sent and calls made. Total calls on sick and shut-in persons numbered forty-three.

A layette, to be sent to Nelson House, is well under way towards completion. Wool was distributed to be knitted into boys' socks and mittens.

Members celebrating birthdays placed money in the birthday barrel. Of interest to all was Mrs. W. C. West's life membership plan, as she had been presented on her birthday with a life membership in the United Church Women by her daughters, Mrs. D. Duffin and Mrs. W. Clare.

In the matter of an assistant leader for Unit Four, a motion was passed that the programme convenor for each month act as assistant when required.

Following the benediction, pronounced by Mrs. Davidson, the tea hour was enjoyed. Mrs. R. Duffin expressed the thanks of the Unit to the programme and lunch committees.

T. M. Palmer, North Bay, Makes His Official Visit To Stirling Rotary Club Tues.

The local Cancer Society is engaged in making plans for a drive for funds for this very worthy cause during the month of April. J. V. Holt is the chairman of the local society. Other officers are Mrs. Evelyn Burgees, Secretary; L. Rawlings, Treasurer; and Dr. W. Hipwell, Mrs. Basil Kuglin, Rev. F. Crook, W. J. Morton and Eugene Burrell, directors.

Volunteer Canvassers Wanted
According to Chairman Holt over twenty-five canvassers will be required to cover the complete territory within a seven-mile radius of this Village, and the local executive is hopeful that those asked to assist will do so willingly. Any person wishing to volunteer as a canvasser is asked to contact any member of the executive.

Citizens are urged to contribute generously to this worthy cause. Part of the money raised will be made available for treatment for needy cancer patients in the area, while the balance will go to the Canadian Cancer Society.

About 34 percent of the Society's funds goes into cancer research and fellowships; about 18 percent is spent in educating the public about cancer, primarily on the theme that there is a much better chance to survive a bout with cancer when it is caught early; and about 30 percent is spent on services to patients with cancer.

Canvassers To Meet
There will be a meeting of the canvassers on Monday, April 2nd, in the I.O.O.F. Hall, Stirling, at 8:00 p.m., when the campaign will be officially opened.

Picton Times Ceases Publication

Picton this week becomes a one-newspaper town, a trend which has become rather general across Canada in recent years.

The Picton Times Publishing Co., of which William G. McLean has been editor and publisher, announced on Friday last that its March 16th, 1962, issue would be the last. The final decision was not reached until Friday, so that an announcement was not made in the Thursday issue, and in order that printing jobs may be completed and affairs of the Company wound up, Mr. McLean found it impossible to publish an issue this week.

The Picton Times was in its 109th year and has been closely identified with the life of town and county for that period, and its years of service have contributed much to the progress and prosperity enjoyed today.

Wellman's United Church Women

Mrs. W. G. Fletcher was hostess to the ladies of the Wellman's United Church Women at the Rawdon Parsonage on Tuesday, March 13th. There were 14 adults and 5 children in attendance.

The President, Mrs. John Carlisle, opened the meeting with an introductory prayer. Mrs. Jim Pollock conducted the worship service and offered a short prayer, followed by all singing "The Church's One Foundation." Mrs. Pollock gave a few thoughts on the Church as the building being the foundation, then as "ourselves" being the instrumental part. Prayers for our church were given by Mrs. Omar Dracup, Mrs. Ken Tompkins, Mrs. Clifford Clancy, followed by all repeating the Lord's Prayer. Mrs. Frederick Beckett rendered a beautiful solo, "O Quiet Hour of Prayer." Mrs. Pollock closed the worship period with prayer.

The minutes were read by the Secretary, Mrs. Ken Tompkins. She also read the correspondence, a thank you note and an invitation to a tea and programme at Zion Church.

The roll call, a Bible verse containing the word or thought in keeping with love, was responded to by everyone. Paul Sharpe took up the collection which was dedicated by Mrs. Carlisle.

Mrs. Gerald Clancy rendered a solo "Just A Closer Walk With Thee." Mrs. Carlisle gave a reading entitled "Blindness."

Rev. W. G. Fletcher gave the report on the study book. The theme was "Family Life." One phase was "Watch Out For Children," another, "Are our families falling today?" with a reply of "No," not different from any other day. Rev. Fletcher pointed out that families of today are facing graver problems. At this point he conducted a discussion with the members on family problems. These included "Forces working towards the breakdown of the homes," "Standards in the home," "Disciplining," "Competition with outside interests," "Broken home," "Divorce" and "Desertion." This proved a most interesting discussion with so many points being introduced by the members.

Mrs. John Carlisle thanked Mrs. Pollock for preparing the worship service. Rev. Fletcher for the topic and all others taking part including the hostess. Rev. Fletcher pronounced the benediction.

Mrs. Fletcher and her assistants served dainty refreshments while all enjoyed a social half hour.

During the social period, Mrs. Fletcher presented before Mrs. Robt. Wallace a birthday cake honoring her on her 80th birthday anniversary. The cake had been made and decorated by Mrs. Jim Pollock especially for this occasion.

West Hastings Dist. W.I. Directors Met At Belleville

On St. Patrick's Day, March 17th, the Board of Directors' Meeting of the West Hastings District Institutes was held in the Board Room of Leslie's Shoe Store, Belleville, with an attendance of eleven.

Mrs. Percy MacMullen, President of the District presided and opened with the Mary Stewart Collect.

Mrs. Harry Coulter, Secretary-Treasurer, read the minutes of the 1961 executive meeting and gave a full financial statement to date of receipts and expenditures. The roll call showed representatives in attendance from six branches — Bay of Quinte, Mrs. Donald Sandcock; Pine Grove, Mrs. Fred Campbell; Mrs. Harry Coulter and Mrs. Leslie Finkle; River Valley, Mrs. George Heasman and Mrs. Percy MacMullen; Stirling, Mrs. Mabel Williams; Uniondale, Mrs. Frank Loney and Mrs. Gerald Harrington; Wallbridge, Mrs. E. B. Phillips and Mrs. Harold Phillips.

President's Message

The President commended those branches who had responded to the F.W.I. appeals. There has been a good response to Mrs. L. G. Lymburner's Scholarship Fund and several have sent cash or pledges to pay the two dollars per member in 1962. Nearly all branches have sent in their 10 cents per member to the Adelaide Hoodless Fund. Several branches have also sent their \$1.00 to the National Foundation Fund for the upkeep of the Ottawa Office. Three children have been adopted through the Foster Parent Plan.

Mrs. MacMullen voiced thanks to the First Vice-President and to her efficient Secretary and to the Public Relations Officer for all their various special duties which they had performed efficiently.

The District sponsored a National Farm Radio Forum and a District

Officers' Conference at River Valley and both were a success.

It is hoped that the seven older branches in the District will each plan a special Anniversary Day in honour of the founder, Adelaide Hoodless some time in 1962. Perhaps one branch will be hostess to the newly organized "Sidney South" who have no Institute heritage. At this meeting a voluntary silver collection should be taken and forwarded to F.W.I.O. to further extension work in the North West Territories, and thus assist women and girls who have never had the advantages that we Institute women have always enjoyed.

District Annual

The District Annual will be held on Friday, June 1st in Sidney Baptist Church with Chatterton Branch as hostess and a salad plate luncheon will be served at noon in the Church Hall.

There will be two sessions — morning and afternoon. The registration will be at 9.30 a.m. Roll call of Branches, one minute each, will be by the conveners of Historical Research on the theme "Highlights of my Branch from date of organization."

The conveners of Standing Committees will give their report and it is planned to give a special message on "The Three Adepts."

The leaders of 4-H Club Girls will display "Cotton Accessories for a Bedroom" and give a brief commentary. The senior training group, "143 Pounds of Meat," will also present their work.

The afternoon programme begins at 1.15 p.m. with assembly singing.

Miss Grace Hamilton will probably represent the Department of Extension Service.

Mrs. Sherman Foster, Federated Board member, will give a half hour message on "The Work of the Provincial Board."

The Home Economist will report on the girls' work. There will be a special ceremony re "Pennies for Friendship." These are to be rolled or converted into bills; placed in a

container and clearly marked with name of Branch and amount. It is hoped to have a good contribution to add to the F.W.I.O. cheque which will be carried to the Triennial Convention in Australia by the Provincial President. The pennies will be used to further education for women and girls in some needy area.

There will also be a concise report of the highlights of the Guelph Conference and the election and installation of officers. This year only two new conveners are needed and plans were made for the eligible Branches to make nominations.

It is hoped that with over two hundred members that every interested Institute member will make a special effort to attend the District Annual and thus enjoy the speakers and displays.

Local 171 Ontario Farmers' Union

The March meeting of Local 171 of the Ontario Farmers' Union was held at the home of Mr. and Mrs. Ronald Brown. Murney Bateman was chairman. Mrs. Brown was pianist for the singing of the Queen.

A letter from the Ontario Farm Union Committee on Marketing, asking for the opinion of members on marketing problems was read and discussed. There were twelve questions about various marketing boards, methods of selling and about methods of disposing of surplus products. Jeanne Williams reported on the submission of the Ontario Farm

Union brief to the Ontario Government. There were 60 delegates from across Ontario. She reported that the brief was well received both by the government and the opposition parties. The government is setting up an economic council to study all phases of approach to bettering the farmers position. The Ontario Farm Union President, Melvin Tebbut, is to be on the economic council. The Union pointed out that over the last ten years 97 percent was spent on production and only 2 percent on marketing, while the problem is over production and poor marketing.

The Assistant Agricultural Representative for Hastings County, Gibson Patterson, spoke briefly on farm problems and wished the Union success.

Clarke and Rhonda Brown and Brian Cosbey favoured the meeting with piano solos. Harper Bateman moved a vote of thanks to Mr. and Mrs. Brown for the use of their home. The next meeting will be held at the home of Mr. and Mrs. Jim Spry.

Lunch was served and a social time was spent.

Do You Remember?

TWENTY-FIVE YEARS AGO
ISSUE OF MARCH 18th, 1937

His Honor Judge James Parker, of
Toronto, a native of Stirling, was
guest speaker at the "Open House"
meeting of St. Andrew's Young Men's
Bible Class, held in the church on
Sunday.

An old fashioned March blizzard
raged throughout this district on
Wednesday, filling many country
roads and stopping automobile traffic
for a time.

The annual Irish Night was observ-
ed by St. John's Men's Association
Wednesday night.

Saturday night was the last night
for the operation of the Stirling

Arena for the season.

Thos. A. Irwin, 3rd Concession of
Sidney, held a ticket in the Irish
Sweepstake. Last summer his sister,
Doris Irwin, won a Buick car with a
lucky ticket. A brother who sold the
lucky ticket on the car also was pre-
sented with a car. A lucky family!

Local and Personal

Bob Hedley, of Brampton, spent the
week-end in town.

W. Barker is leaving Thursday for
Montreal to visit his daughter, Mrs.
Harold Dingman.

Miss Freida Thomas, of Toronto,
spent the week-end with Mr. and Mrs.
J. E. Salisbury.

Minto

Misses Muriel and Doris Sine were
present with Bibles at a meeting of
the Young People's Union on Thurs-
day night.

Madoc Junction

Miss Helen Wright returned home
Monday after an extended visit with
her aunt, Mrs. Raymond Chambers.

Mr. and Mrs. Clarence Jeffrey, of
Tweed, were guests of Mr. and Mrs.
Douglas Stapley, Sunday.

Carmel

Mr. and Mrs. Arthur Brown, Mr.
and Mrs. E. Pyear and Mr. and Mrs.
A. Pyear attended the 50th wedding
anniversary of Mr. and Mrs. S. A.
Hatton, Ameliasburg, on Tuesday.

Miss Dorothy Utman spent last
week with Miss Marion Daniels, of
Foxboro.

Mr. and Mrs. Geo. Conley celebrat-
ed their fortieth wedding anniversary
on Sunday.

Eggleton United Church Women

On Thursday afternoon, March
15th, Mrs. Clarence Fitchett was
hostess for the monthly meeting of
Eggleton United Church Women.

The President, Mrs. Warren Har-
low, presided and opened the meeting
by reading a lovely poem. The hymn,
"In Christ There is No East or West,"
was sung with Miss Joyce Stapley as
pianist. This was followed by a
prayer.

Mrs. Harlow thanked Mrs. Fitchett
for opening her home for the meeting
and also voiced a few words of wel-
come to the visitors present. Two
members paid their fees and offering
was gathered and dedicated with a
prayer by the President. Thirteen
answered the roll call by repeating a

memorized verse from the Gospel of
St. John.

Mrs. Maurice Clancy offered her
home for the April meeting. Mrs.
Murney Kirkey was appointed to pre-
pare the programme. The roll call
at the April meeting is to be answer-
ed by a memorized verse of Scripture,
containing the word "Crucifixion" or
"Resurrection."

The members are to meet on Wed-
nesday, March 21st at the home of
Mrs. William McMullen to quilt a
quilt for Mrs. Danford, Belleville.

Mrs. Bruce Stapley read two thank
you letters, one from Mrs. Smith and
the other from Mrs. Ashley. Mrs.
Stapley also reported on cards sent
out and calls made at homes and the
hospital during the past month. Bills
were presented and a motion made
that they be paid.

Mrs. M. Clancy spoke briefly re the
sale of cards, stating that the pro-
ceeds would go to help pay for the
World Friends papers for the Mes-
sengers.

Programme

The programme convener, Mrs. K.
Johnson, took charge. The call to
worship was followed by the hymn
"The Church's One Foundation." The
Scripture reading from the first chap-
ter of St. John and the meditation on
the lesson was given by Mrs. Clancy,
after which Mrs. Fitchett offered
prayer.

A poem "The Other Fellow's Job,"
was read by Mrs. Kirkey. A lovely
plano solo was contributed by Mrs.
B. Stapley.

The chapter from the study book,
"The Second Harvest," was present-

ed by Mrs. Johnson. The meeting
closed with a hymn and benediction.
The hostess served dainty refresh-
ments.

Friday Night Mixed Bowling

On March 16th the "Crickets" took
5 points from the "Skylarks" and the
"Zeros" took 5 points from the
"Braves."

The high single and high triple for

the ladies went to Ross Bury with
scores of 274 and 749. For the men
Gord Roth had the high single of 285
and Bob Taylor the high triple of 671.

Other good games were Thelma
Short 247 and 201, Dick Reid 211 and
221, Cliff Short 221 and 216, Roth
220, Ray Poste 236, 210 and 223, Bob
Taylor 263 and 238, Ivy Poste 238,

Mr. and Mrs. Grant Clarke, of Peterborough, spent last Sunday afternoon and were supper guests of Mr. and Mrs. Will Hinds.

Mrs. Clarence Dunham spent a few days the past week with Mr. and Mrs. Craig Featherstone and baby Craig at Burlington.

Mr. and Mrs. Clifford Clancy were supper guests Saturday evening with Mr. and Mrs. Will Hinds.

Mrs. Ken Thompson, Springbrook, spent Wednesday afternoon with Mrs. Victor Graham and Eleanor.

Mr. and Mrs. Harry Keating and Marguerite, of Marmora, visited Sunday with Mr. and Mrs. Jack Sharp and boys.

Pickerel Season In Bay of Quinte

There appears to be some confusion in respect to the pickerel season in the Bay of Quinte and inland waters.

In the Bay of Quinte and Hay Bay the season commences on April 28th. This does not include any inland waters.

The rivers emptying into the Bay of Quinte are included as inland waters and the pickerel season opens on May 12th.

The boundaries separating the rivers from the Bay of Quinte are as follows:

Trent River — South of No. 2 Highway Bridge.

Moir River — South of railway bridge in the City of Belleville.

Salmon River — South of and including Salmon Island in the mouth of the Salmon River.

Napanee River — Outside of Unger Island from a point due south of the eastern end of the island to a point on North Fredericksburg Township.

Springbrook U.C.W. Pot Luck Dinner

The March meeting of Springbrook U.C.W. was held at the church in the form of a pot luck dinner. The hostesses were Mrs. R. Thompson and Mrs. M. Mason, with approximately sixty people in attendance.

At two o'clock the President, Mrs. R. Wellman, opened the meeting, thanking everyone for making the dinner a success. The President led in prayer, followed by the theme song.

The worship theme on "Missions," was taken by Mrs. D. Fleming. The hymn, "The Church's One Foundation" was sung, followed by the Scripture reading by Mrs. G. McFaul. Mrs. D. Fleming spoke on "The Church is Called to Worship," followed by the Lord's Prayer in unison. Missionary prayer for missionaries was given by Mrs. P. Smith. "Bless Be The Tie That Binds" was sung. Mrs. D. Fleming closed the worship service with a prayer.

The mission study, "The Rural Church," was prepared by Mrs. G. Williams and given by Mrs. M. Mason. The following five questions were prepared for the topic and answered by a number of ladies: "What is the changing way of life in rural areas?" by Mrs. G. Webb; "Changing ways of rural Church life," Mrs. C. Burklitt; "What are the marked changes in rural life?" Mrs. H. Pil-

len; "What are the problems of the Rural Church?", Mrs. D. Fleming, and "What are some of the fundamentals for good Rural Church?", by Mrs. R. McKeown.

The roll call was Mission Stations and was answered by 25 members. Mrs. H. Pillen read the Mission Stations in Canada, prepared by Mrs. J. Thompson.

A number of thank you cards were read by the Secretary. The Visiting Committee, Mrs. C. Burklitt and Mrs. A. Reid reported on visitations. A ballot was taken for functional activities.

St. Paul's U.C.W. Unit Six

The March meeting of Group Six, "The Friendly Sixties," was held on Tuesday afternoon in the Sunday School room of St. Paul's United Church.

Mrs. R. Patterson chaired the meeting, opening it with kindly words of welcome and an inspirational poem.

The Friendship Secretary, Mrs. Percy Utman, presided for the programme, beginning with the Bible Lesson read by Miss Mildred White. Mrs. Utman gave the commentary and prayer. She then called upon Mrs. Patterson to present the Missionary study for the month.

This was taken from the first two chapters of the book, "Signals for the Sixties," the mission study for the current year. This proved to be a thought-provoking subject, calling attention to the changes and new problems of today in church, both rural and urban, and how the church may identify itself with the problems of

the community round about it. How can the Gospel we proclaim be made to meet the needs of today's world?

The answer lies partly with laymen and laywomen who by more earnest commitment may make the church a more vital factor for good in their own community.

Mrs. M. Aryhart's reading on "Friendship" and singing of hymns 502 suitably closed this part of the programme.

Mrs. Patterson presided for the business. Mrs. Ross Bush read the minutes and 22 members answered the roll call. A few ladies were given short poems to read from the "Roll Call Scrapbook" as their name was called. One of these worth remembering was:

"I make a living by what I get.

I make a life by what I give."

Mrs. J. B. Hough, the Treasurer, reported finances in fair condition.

Mrs. Aryhart reported for Community Friendship and Supply, stating that 26 calls had been made and reminded the ladies to take home material for quilt blocks or yarn for knitting children's mittens and socks. The bales will soon be packed for overseas relief work.

Announcement was made of the Easter Dessert Luncheon for the April meeting, at which the guest speaker is to be Mrs. A. Pyear.

Following the benediction the ladies enjoyed a St. Patrick's contest while tea was prepared and later served from a gaily decorated tea table.

Thanks for the fine programme and happy fellowship was voiced by Mrs. V. Richardson. Much credit is due Mrs. Patterson, Mrs. Utman and the ladies of her group.

HOW TO EAT WELL

How to eat well in Canada should be no problem, for not only is food plentiful but the "rules of the game" are simply outlined for us by the Canadian Council on Nutrition. These are known as Canada's Food Guide and are based on five food groups with recommendations for the minimum amount of food in each group which should be eaten daily to maintain good health. Everyone desires good health for certainly a measure of our happiness depends on it. So let's take a close look at the Guide and decide whether we can apply it with personal benefit for better eating in 1962.

Milk is the first food listed in the Guide and rightly so, for it goes a long way in supplying our daily needs for calcium, protein and the B vitamins. The recommended minimum daily amount of this nearly perfect food is 2½ cups for children up to 11 years; 4 cups for adolescents, expectant and nursing mothers; 1½ cups for adults. This does not sound like much, yet, on a per capita basis we are not meeting our requirements. Certainly this is not the fault of the dairy industry who markets enough milk to more than adequately meet the demand and gives us variety as

well. We can buy whole milk; whole homogenized milk; skim milk; 2% milk; chocolate milk; skim milk powder and so on, all at reasonable prices. Whether you take milk as a beverage or in other foods such as soup, chowder, cream sauce, puddings and the like is immaterial. The main issue is to meet your minimum requirements everyday in 1962.

Fruit is the second food group in Canada's Food Guide. Some people still think it is difficult to have the recommended two servings of fruit or juice a day during the winter months. This way of thinking is of course outdated for there is a marvelous variety of canned and frozen fruits and juices as well as apples and other fresh fruits. Some in especially good supply and reasonably priced are: Fresh apples, canned peaches, cherries, plums, tomatoes, tomato juice and vitaminized apple juice. So let's make it at least 2 servings of fruit a day, everyday in '62.

Vegetables are the third group and the requirement is one serving of potatoes a day plus two servings of other vegetables, preferably yellow or green and often eaten raw. The prominence given to potatoes here is not a design to add calories to meals or to empty the nation's potato bins. It is purely to emphasize the importance of adding some vitamin C. B

99TH BIRTHDAY — Mrs. Emily Runnalls, of Springbrook, who celebrated her 99th birthday anniversary at her daughter's home, Frankford, on Wednesday, March 14th, displays patchwork quilt she made during the winter. —Photo courtesy Ontario Intelligencer.

vitamins and minerals to the daily fare which a properly cooked potato does remarkably well. On the other hand, the yellow and green vegetables are excellent sources of vitamin A and the lady who adds say, a turnip and a bag of carrots to her shopping basket is ensuring her family a rich supply of this vitamin.

Bread and Cereals make up the fourth group. True we live in a world of constant change but some things do remain fairly consistent. Bread and cereals could be classed as consistent foods for they are consistently good to eat as well as good for us. For example, for a quick, nutritious breakfast nothing seems to have been devised to take the place of a bowl of whole grain cereal and milk regardless of our activities, weight and age. This is such an economical and versatile group of foods that the wise woman will learn to use it regularly and skillfully.

Meat, Fish or Poultry once a day

for adequate protein is the gist of the last group of foods in Canada's Food Guide. There is no doubt that this group is very important for health and also can put the most pressure on the food budget. For this reason, it is good to be shrewd in the use of less expensive cuts of meat; to know that such items as broilers, turkey and pork are lower in price now than usual; and to learn to substitute eggs and cheese for some of the meat used for main courses. Speaking of eggs and cheese as the nutritive equivalent of meat, the Guide points out that they should each be included in our food intake at least three times a week and with eggs at seasonally low prices, now is a good time to form this habit.

It can be seen then, by following Canada's Food Guide, we can be led into a pattern of better eating and better health. Let's follow it then in 1962.

Mrs. A. Runnalls Passes 99th Milestone

Mrs. A. Runnalls, of Springbrook, who now resides with her daughter, Mrs. J. Dafeo, Frankford, celebrated her 99th milestone on Wednesday of last week.

Chipper as a five-year-old and more active than many 30 years younger, Mrs. A. Runnalls, the 99-year-old lady was "at home" to a wide circle of friends and neighbours who called to offer congratulations and best wishes. She received well over 100 birthday cards.

Helps With Housework

She helps with the housework at her daughter's home and, unable to remain inactive during her spare time throughout the winter, hand-quilted two patchwork quilts and knitted seven pairs of socks.

Her eyesight is still extremely good and she is exceptionally active on her feet. Her only affliction is being slightly hard of hearing.

Born in the Brighton area, Mrs. Runnalls was the daughter of Mr. and Mrs. William Cooney who moved with their small family to Rawdon Township when she was but one year old.

Mrs. Runnalls has been married twice. Her first husband was James Fleming and all her children were by her first husband. Her second husband, Abram Runnalls, died about three years ago. They quit the farm about 15 years ago.

She has outlived two of her sons who died some years ago. Besides her daughter, Mrs. Jack Dafeo at Frank-

ford, there is a son, Nicholas Fleming, a building contractor at Mount Vernon, New York State.

Mrs. E. McKeown Hostess Bethel UCW

The March meeting of the Bethel United Church Women was held at the home of Mrs. E. McKeown with a fair attendance.

The President opened the meeting by all repeating Psalm CXVII and singing the theme hymn. Mrs. H. Elliott officiated at the piano for the worship service. Psalm XCVI was read by Mrs. J. Mulhern and Mrs. S. Brady gave the meditation relating to it.

Rev. W. G. Fletcher synopsized the second chapter of the study book, "Signals for the Sixties," dealing with family life. He led in a discussion on the difficulties faced by the family today and how we can meet these. He also told a story about the sunset years of Frank Edwards and how he found a place in one of the United Church senior citizens homes.

The programme consisted of a poem by Mrs. Fletcher, "Our Hymns Are Not Lived"; piano solo, by Mrs. H. Elliott; reading, by Mrs. J. Mulhern, "The Boy who walked 25,000 miles to college." Mrs. Fletcher conducted a Bible study based on Mary the Mother of John Mark.

Mrs. Laycock had charge of the business and plans were completed for the sale at Hoard's.

Mrs. W. Heath and hostess served refreshments and appreciation was voiced by Mrs. Laycock.

NOW! Make your poor-doers profitable with 'Permaco'

All cattle must have a continuous supply of cobalt to produce the important health and growth Vitamin B-12. Most Canadian pastures and grains contain little or no cobalt and can cause poor-doers, weak and puny calves, weaning set-backs, unthriftiness and lack of condition. Cattle lose their appetites, cannot make maximum use of food or supplements. Even apparently "healthy" animals often suffer from borderline deficiency—a kind of "hidden hunger" that sharply reduces production. That's why it pays to bullet your whole herd with 'Permaco' Cobalt Bullets. One 'Permaco' bullet, administered with a bulleting gun, remains in the rumen for 12 months. 'Permaco' assures the continuous supply of cobalt not provided by cobaltized salt, drenches, etc. Bullet now—upgrade your unthrifty animals and protect the entire herd against Vitamin B-12 deficiency ALL YEAR LONG! Get 'Permaco' from your usual supplier of veterinary products today!

Former Resident R. H. Buckingham Died In Florida

An esteemed resident of Hanover, Mr. R. Herbert Buckingham passed away on Monday, February 19th, 1962, at Fort Myers, Florida, where he and Mrs. Buckingham have spent the winter months for the past several years.

The late Mr. Buckingham had suffered from a lingering illness, and was in his 67th year.

Deceased was born on May 14th, 1895, at Vars, Ontario, a son of the late Richard Buckingham and Jean Henderson Buckingham.

On October 7th, 1921, he was married at Stirling, Ont., to the former Helen Winnifred Zwick, who survives.

Also surviving are one son, Charles Fraser Buckingham, of Guelph, and two daughters, Mrs. Agnes Jean McDonald, of Oshawa, and Mrs. Helen Frances (Kenneth) Seppen, of Waterloo; three grandchildren and one sister, Mrs. Jessie Dedrick, of Industry, N.Y.

The late Mr. Buckingham was a retired District Manager of the Royal Bank of Canada. He retired six years ago, working for twenty-two years in the districts of Elmwood, Ayton and Neustadt.

He was a member of Salem Evangelical United Brethren Church, a life member of the Masonic Lodge, and Secretary-Treasurer of the Point Clark Beach Association, and also a member of Saugeen Golf Club. He was an ardent sportsman.

The body rested at the Stable Funeral Home, 10th Street, Hanover, where a Masonic memorial service was held on Thursday evening.

The funeral service was conducted by Pastor Bruce E. Seebach from the Salem Evangelical United Brethren Church on Friday, February 23rd.

Temporary entombment followed in the Hanover Cemetery Chapel.

Approximately 11,000 yards of fabric—nearly seven miles—are used during a normal production day in the cutting and sewing department of General Motors of Canada at Oshawa.

NEWS FOR THE BUSY FARMER

DON'T FEED ANY MERCURY-TREATED SEED TO LIVESTOCK

Every spring this question comes up among farmers and seed processors: Can a small amount of mercury be safely fed? The answer, according to Ontario Agricultural College botanist C. B. Kelly, "no."

"Even if the treated seed is diluted to less than 1 percent of the feed, it's poisonous. Mercury does not pass through the body but is stored in the organs of the animal," says Professor Kelly.

Asked if there was any practical way to remove the poisonous mercury seed dressing, the O.A.C. scientist said: "No, only expensive laboratory methods will remove the chemical."

He suggests saving leftover seed until next year. "Label the bags to show variety name and what chemical was used for treating, then set the bags aside in the granary for next year. There might be a lower germination but not enough to cause concern as long as the seed is kept dry. Check the germination next spring."

BASIC HERD PLAN WORTH CONSIDERING

Some Ontario farmers might be advised to take advantage of the "insurance" of a Basic Herd Plan say authorities with the Ontario Department of Agriculture.

The plan offers some farmers a chance of avoiding heavy taxes on proceeds from a dispersal sale, or compensation from catastrophes such as fire or disease. All animals except feeds are eligible for Basic Herd in sheep, hogs, beef and dairy cattle.

Ontario Agricultural College economist W. M. Braithwaite, states that mature breeding animals (2 years of age for cattle, 1 year of age for sheep and swine) are eligible for 1 full unit each in Basic Herd. Animals younger than this are worth half unit each.

Starting farmers can usually build up a Basic Herd at little or no cost, but even established farmers with a low income can often build up a Basic Herd cheaply.

Some Points Worth Mentioning

— Write or call your district taxation office and ask for form T2019, the Basic Herd Application Form if you are interested in starting a Basic Herd.

— If you are planning a dispersal sale and you don't have a Basic Herd, you must make application for a Basic Herd at least 30 days prior to date of sale.

— If a herd is destroyed by fire, insurance proceeds are treated as income. The same is true of compensation paid to a farmer in the case of disease.

— You must have a separate Basic Herd for registered and grade stock.

— You can apply for Basic Herd for one class of animals and not for another.

— Your Basic Herd can never be more than the number of mature animals (units) you have in your inventory at the end of the year. If sales during the year have reduced the number of units on hand at the end of the year — below the number of

units in your Basic Herd — you must reduce your Basic Herd to equal the number of units on hand. This reduction is repayment of capital and proceeds from the sale of these units are not taxable.

— **J Farmers who file on an accrual basis do not need a Basic Herd since all increases in inventory of livestock and crops are reported each year and therefore are taxable.**

— If a person has been farming less than 3 years, he must have filed for every year since he started to farm.

— If a farmer does not have a record of his livestock inventory at January 1st, 1947, he may obtain this information from the Health of Animals Branch of the Canada Department of Agriculture, Ottawa.

— Animals received through gift or inheritance (after January 1st, 1949) may be added tax-free to the Basic Herd if (1) the animals were part of the Basic Herd of the person giving the gift or the deceased; or (2) the fair market value of the animals were added to the income of the giver or the deceased in the year of the gift or death.

— No two situations are the same. Visit your taxation office before you fill out your application form.

Timely Tips

A new winter barley will soon be available to growers in Ontario. It has been tested during the past three years and has been found to be over half again as strong in the straw as Hudson and has outyielded it by almost 10 bushels per acre. This variety will be called Dover and is the result of a cross between Wong and Kenate varieties, both of which have been grown to a limited extent in Halimand. It is two to three inches shorter in the straw than Hudson, two days earlier in maturity and carried 1.3 percent mildew as compared with Hudson's 7.2. It also has slightly more winter hardiness than Hudson. Its one drawback is that it has a rough awn. No seed will be available this coming fall but there should be limited supplies for seeding in the fall of 1963.

Unless you have plowed under clover sod or planned to use manure on the field, your wheat will be needing nitrogen when growth starts this spring, say soil specialists with the Ontario Department of Agriculture. If it is unusually hard to get on the field before early April, then apply that extra nitrogen now.

Cows vary in their need for salt, says Professor G. E. Raithby, Head of the Animal Husbandry Department, at the O.A.C. Feed some salt free-choice. Hand feeding and mixing salt in the grain rations might not supply the needs of each cow.

COUNTY MUSEUM TO FEATURE LUMBERING

When the Hastings County Historical Society's museum opens for the 1962 season on April 14th, it expects to have a display featuring one of this county's chief early industries — lumbering.

Plans for the display are now being drawn up and the museum hopes that any persons having materials that might be of use in the exhibit will notify the museum in writing at 240 Church Street, Belleville, as soon as possible.

Meighen Rodgers Writes Interesting Account of His European Tour

Following is the story of a European tour by Meighen Rodgers, of West Hill, who formerly resided in the Stirling district, and is now a teacher at Scarborough. Due to its length the article will be published in several parts. This is the eighth installment.

Continuing northwards we entered Holland and arrived at Breda, an ancient fortified town with a sixteenth century castle which was completed by William of Orange, who became King of England. The town is situated on the Rivers Merk and Aa. Continuing northwards we crossed an arm of the sea, called the Holland-sch Diep and arrived at Utrecht, capital of the Dutch province of Utrecht, which was founded by the Romans and is one of the oldest towns of Holland, beautifully situated at a point where the Rhine River splits into two arms. The Utrecht Cathedral dates from the thirteenth century.

On To Germany

In the morning, a short journey took us to Apeldoorn, then across the Dutch-German border to Lingen and on to Bremen. Bremen is the oldest German town on the banks of the River Weser, and it is well noted for its market square and the Town Hall which is over 500 years old.

Early evening brought us to Hamburg, situated on the River Elbe and Germany's biggest seaport. It was badly damaged during the last war but is now rapidly regaining its pre-war importance. The night life of Hamburg is probably more gay and varied than any other town in Europe, and the city abounds in night clubs and dance halls.

Leaving Hamburg, we travelled north to the strategic waterway, the Kiel Canal, built mainly to allow the old time German Navy, with bases in the Baltic, to proceed directly to the North Sea without being blocked in the Skagerrak. Then on across the German-Danish border into Denmark.

Denmark has a population of about four million. It is an agricultural country with beautiful green countryside and white farm buildings. The first big town after crossing the border is Kolding, charmingly situated on the Koldingfjord. The tower

of the destroyed castle, Koldinhus, is still standing. We stopped at Odense, largest town on the island of Funen. It became a bishopric in 1020, and the shrine of King Canute was for many centuries the destination of countless pilgrimages. One of the principal sights is the birthplace of Hans Christian Andersen, writer of the well known children's fairy tales.

From Odense, we journeyed by ferry and bus to Copenhagen, capital of Denmark. This is the largest city of Scandinavia situated on Oresund, the great trade route between western and eastern Europe. We visited King Christian's Borg Palace and saw the guards marching to music through the city. In the centre of the Square, in front of the palace, we saw the equestrian Statue of King Frederik V.

Unfortunately in Copenhagen there are only a few medieval buildings as the great fires of 1728 and 1795, and the heavy bombardment of 1807, caused great damage. The oldest houses date from the time of King Christian IV. Copenhagen has the longest house in Denmark, which houses 245 apartments, each with its own private balcony.

The Rosenberg Castle in Copenhagen was built by Christian IV in 1606, and is used now as a museum. Christian IV reigned in Denmark for sixty years.

The Grundtvig Lutheran Church which we toured, cost four million dollars to construct and was under construction from 1920-1939. Seven million bricks were used in its construction. The interior was very plain but the exterior was constructed in the shape of a giant organ. It was one of the most beautiful modern churches I have ever seen.

Other places of interest in Copenhagen were the forty-five year old "Little Mermaid" which rests on a stone near the bank of the Copenhagen harbour; the beautiful Tivoli Gardens which are 120 years old; the 350 old Stock Exchange Building; the Palace of Frederick IX; the Bull Fountain; and an excellent shopping district, where things are reasonably priced.

In the morning, we continued our journey along a typical Danish road lined with villas and pine forests to Helsingør, situated behind Kronborg Castle, at the narrowest point of the Oresund. Kronborg was formerly the

strongest fortress of the Nordic countries and some rooms of the castle are now devoted to a commercial and maritime museum. Helsingør is the main crossing place for motorists from the continent to Sweden and Norway, and it was here that we took the ferry across to Helsingborg in Sweden. Helsingborg is an important industrial and shipping town with a population of 72,500. The old remnant of its medieval fortification is a tower, Kärnan, and the St. Mary's Church dating to the 13th century.

Sweden Europe's Fourth Largest Country

Sweden is Europe's fourth largest country and has a population of about six and a half million. Fifty-four percent of the country is forested. There are many natural resources, excellent farm soil, and about 95,000 placid lakes.

Continuing through the small town of Ljungby, we arrived at Värnamo, with a population of 11,000, pleasantly situated on the River Lugen and Lake Vildstern. It is an industrial centre with the main industries being furniture, rubber, yarn, and rail factories. We spent the night here.

In the morning we departed from Värnamo and travelled through the match-making centre of Jonköping and along the shores of Lake Vättern. Through the lovely resort of Granna, we continued to Linköping, a county capital, a Cathedral and Garrison town of 52,000 inhabitants. The Cathedral, dating back to 1230, is one of the most architectural monuments in Sweden.

Homes Greenhouses Where Plants of Citizenship Started

This paper was prepared by Mrs. E. C. Hay-Ellis and read on March 1st, 1962, at River Valley Women's Institute. It has now been accepted for the F.W.O. Loan Library in Toronto. Miss Ethel Chapman, Editor of Home and Country Magazine suggested that it be published in the local press so that people outside the Institute would profit by it.

Submitted for publication by the Public Relations Officer of River Valley W.I. Mrs. Percy MacMullen.

The home is indeed the place where the seeds are sown for the good citizen of the future. Where else but in a home can a child learn the essential qualities that will serve him in good stead and which he can put into

practice no sooner he starts school and mixes with a group of varied individuals. The qualities being, namely, obedience, unselfishness, tolerance and kindness, service, assuming responsibility, love and loyalty.

One of the first and most important things he must learn is obedience — not a very easy task to learn or to instill into children. So when he is a man he will learn to respect and obey his elders and thereby learn to abide by the laws of the land.

Where else but in a home within a family unit can he learn consideration of others? Surely it must almost become a habit if he has brothers and sisters with whom he must share his belongings, his life — not thinking of himself alone. So later this will help him to consider others with whom he comes in contact and as a Canadian, to want to share his privileges and freedoms, his surplus food, his money to help other nations less fortunate.

Very close to unselfishness is tolerance and kindness. Only by the example of his parents can a child learn this wonderful quality. Too often there is prejudice against a stranger, because of his race, religion or language. Often in the home the damage is done when parents speak in a derogatory manner about someone who is different from themselves. How dull a world this would be if we were all alike! It is hard for a child to forget what he has learned in the home by speech or example. If he has been taught kindness he will be ready to hold out the hand of friendship, especially to new Canadians. After all, we were all new Canadians once!

He will have learnt to do his share of work at home, thus taking on responsibility and giving a service to the rest of the family. He will do this as an adult in his community too later on. No man is an island unto himself. Each of us has a contribution to make.

Love and loyalty in the home also makes a child aware of love and loyalty to country. I suppose love and loyalty cannot be taught or demanded in a home, but it develops quite naturally in the right atmosphere. In the same way will it help the child to understand what love and loyalty to his country means and with it comes pride — pride of Canada, of her past and her contribution to the rest of the world, in the present time.

Cows never suffer from "hidden hunger" when you feed them a Pioneer-Cafeteria dairy ration... either complete feed or supplement. Even where roughage is low in quality, the Pioneer-Cafeteria ration gives them enough Vitamin "A" to assure good health, and enough Vitamin D-2 to assure the assimilation of minerals. The herd is healthy and contented... and healthy cows are hard workers.

And here's something else. When you feed dairy cows according to the Pioneer-Cafeteria PROGRAM, their daily feed intake provides all the protein and energy they require to make milk. There isn't any drain on their body reserves. Heavy producers don't milk themselves thin.

LEGION NOTES

Stirling Legion Hall was the scene of a special branch social last Friday evening. Some 98 comrades and friends met to honour Comrade Ray Tanner and his bride Grace.

The highlight of the evening was a mock wedding which featured some 20 wives of Legion members. The girls staged a real spectacular which would rival anything seen on TV and they are to be congratulated for their hard work in getting up such a hilarious skit on short notice.

In a more serious vein, Comrade Bert Bastedo presented an electric clock to Mr. and Mrs. Tanner. The clock will bear a suitable inscription along with the Royal Canadian Legion crest.

In making the presentation Comrade Bastedo outlined the many years of devoted service given the Legion by Comrade Ray. He pointed out to the gathering that it was Comrade Ray who first started a movement to erect a Legion Hall. In concluding his remarks, Comrade Bastedo expressed the sincere best wishes of the branch to Mr. and Mrs. Tanner.

The officers of the branch wish to thank everyone who helped to make

this special event such a success.

Branch members who are not in good standing are advised that their dues should be paid before the end of the quarter, March 31st.

The executive are already at work on plans for another monster fireworks display in connection with the Victoria Day holiday. The general public will be advised further in a short time.

All members are asked to reserve Tuesday, April 17th for a special social event. On this occasion we will be treated to two very fine movies obtained through the kind efforts of Comrade Chas. Wilson. Be sure to mark this date on your calendar.

Next regular business meeting will be held at the Legion Hall on Tuesday, April 3rd.

One Dollar Makes Three

For generations comedians and cartoonists by the dozen have caricatured the local "Ladies Aid" or "Women's Auxiliary" or other such groups of women. These types of organizations have been deemed, in fun, to epitomize the society of feminine gossip; so much so that the true purpose for their existence can easily be forgotten by the general public.

The truth of the matter is that these women in thousands of such groups across the country are doing a tremendous amount of good. Whether they gossip while they're doing it is something of their own concern and not a matter for our ridicule. What is of great concern to us is the value of the job they set out to do for their parent organization which in turn is really the community, the nation and the world.

In time of disaster, the first concern for the victims is medical aid, food, clothing, bedding and shelter.

No group in Canada realizes this more than the hundreds of thousands of Canadian women who are members of the Women's Work Committee of the Canadian Red Cross. In numerous homes, Red Cross Workrooms and church groups, these are the devoted volunteers who sew or knit the essential items for emergency relief in those disasters which can strike anytime, anywhere, leaving its victims in direct need of the basic essentials for staying alive.

These volunteers produced over 328,000 articles of infants, children's and adults' clothing, bedding and quilts for international relief last year.

If the Red Cross had to purchase these items ready-made, they would have cost about a half-million dollars. But the Red Cross pays only for the raw materials. The volunteer women do the rest.

Here at home over five-and-a-half

million surgical dressings for the Blood Transfusion Service were made by both Junior and Senior Volunteers, thus saving the Red Cross about \$25,000.

Articles made for other Red Cross services in Canada totalled 52,874. These figures represent a phenomenal amount of work, which, if not performed by volunteers would cost at least three times as much. This is where one dollar buys three dollars' worth of help.

The Volunteer Women of the Red Cross Women's Work Committee come from all walks of life. Their skills and talents help to make the Red Cross dollar go farther through their thousands of generous hours of voluntary effort, service and talent.

They serve us by stretching that dollar to three times its value. They serve us by sending our help wherever there is need so that we are there doing our part to help relieve the pains of human suffering.

Most of us do not have the time or the ability to knit and sew for the Red Cross. We can share in this work by giving our dollars to purchase the raw materials for these devoted workers. Remember the work of the Red Cross when the volunteer canvasser calls at your home. A generous donation will give you the satisfaction that you are sharing in its many activities.

Lots of people play dumb. Unfortunately too many aren't playing.

Merchants Decide To Maintain Present Schedule of Store Hours

Meeting Held On Thursday Last — Well Attended — Various Matters Discussed

An enthusiastic meeting of Stirling business men was held in the Council Chambers on Thursday last, March 22nd. There were some twenty in attendance and R. L. Hutton, Chairman of the business men's section of the Chamber of Commerce, was in the chair.

The "store hours" was the main item on the agenda and a lengthy discussion took place on the various aspects. The Monday closing seemed to meet with unanimous agreement. However there was a difference of opinion on the advisability of staying open on Friday nights like neighbouring towns. Following a lengthy discussion a show of hands confirmed the present schedule of hours which calls for closing all day Monday, open Tuesday to Friday, 8 a.m. to 6 p.m. and Saturday 8 a.m. to 10 p.m. It was acknowledged by most that the current trend is toward Friday night opening and that eventually local business men will have to adopt the policy.

The matter of a co-operative advertising scheme was also discussed at great length, with practically all taking part in the discussion. It was pointed out that local merchants might benefit from being open Wednesday all day and Saturday night if this fact were advertised properly in adjacent communities. Various schemes were discussed and the Secretary was authorized to procure prices on newspaper and radio advertising.

A number of other matters were discussed at some length but no definite decision was reached and they were left in abeyance for future meetings.

Red Cross Committee Plan House To House Blitz April 11th Next

Mrs. Max Maguire, Henry Street, Local Chairman — Citizens Urged To Give

Citizens of Stirling will be given an opportunity to contribute to the Red Cross on Wednesday, April 11th next, when canvassers will conduct a Blitz of the Village between 6 and 8 p.m. Mrs. Max Maguire, 116 Henry St., is the local chairman and citizens are urged to give generously to this worthwhile organization.

Free Transfusions

Put a stack of dollar bills on a shelf in a department store with a sign saying "take one" and chances are that most people will think there's something suspicious going on and won't take one.

Giving things away free has now become so much associated with sales promotion that folks readily believe that nothing is ever given away without strings attached in some way.

Give a man something "absolutely free," and he thinks to himself, "What do I have to do?"

This kind of thinking can lead to misconceptions in other areas. Regarding charitable organizations, for instance, many people are under the impression that before they can benefit from a particular charity they must be able to prove that they financially supported that charity at some time in the past.

Such a misconception is floating around about the Blood Transfusion Service of The Canadian Red Cross. Some are under the false impression that in order to receive a free blood transfusion, they are required to have been a blood donor in the past. This is absolute nonsense!

Others are still under the impression that blood given to a patient in a hospital must be replaced on a two-for-one basis. I.e. for each bottle administered, two bottles must be replaced by friends and relatives of the patient. Granted, this was the way the system used to operate in some of the major hospitals, but not any more.

Rev. W. H. V. Walker At St. Andrew's

Rev. W. H. V. Walker, of Belleville, a former minister, will occupy the pulpit at St. Andrew's Presbyterian Church, Stirling, on Sunday next, April 1st, at 11 a.m. The Sacrament of the Lord's Supper will be observed. He will also officiate at St. Andrew's, West Huntingdon, at 2:30 p.m.

Prof. R. Campbell Accepts Position In Jordan

Professor D. Ralph Campbell, who has headed the department of agricultural economics at the Ontario Agricultural College at Guelph for 10 years, has announced his resignation from the college faculty. Professor Campbell has accepted a position with the Ford Foundation in the Near East and will be working with the Government of Jordan for one year assisting the improvement of economic and agricultural conditions of the country. He will leave Guelph July 1st.

Professor Campbell, a former Rhodes Scholar, is a son of Mr. and Mrs. Fred Campbell, Foxboro, and a graduate of Stirling High School.

W. E. Sandercock In Hospital

William E. Sandercock, Belleville, Progressive Conservative member of the Legislature for Hastings West, collapsed in a barber's chair in the Parliament Buildings, Toronto, Monday.

Carman Ross, Queen's Park barber, called Ontario Health Minister Matthew B. Dymond and on Dr. Dymond's instructions Mr. Sandercock was taken to Toronto General Hospital, where later in the day, he was reported to be resting comfortably. The nature of his illness has not been determined.

IOOF and Rebekah Card Party Held Friday

Eight tables participated in the card party sponsored by the Oddfellows and Rebekah C.P. & T. Fund on Friday last. The prize winners for euchre were as follows: Mrs. F. McKee (playing as a man), was high, with Mac Sharp, second, for the gentlemen, and Mrs. Sam Kirkey, first, and Mrs. Guy Bradshaw, second, for the ladies.

In bridge Mrs. Glen Whitehead was high and Mrs. Wm. Webber won the consolation.

The birthday prize went to John Carlisle. At the conclusion of play dainty refreshments were served.

Today, no patient pays for whole blood and blood products in Canadian hospitals. The costs of administering the transfusion are covered under the provincial hospital insurance plans.

Blood donors donate blood free, and patients receive blood free. It's as simple and straightforward as that, with no strings attached.

The giving and receiving of blood is the giving and receiving of life. Misfortune may strike anyone at any time. You or a member of your family may need a blood transfusion.

The Canadian Red Cross free blood transfusion service assures you that whole blood and blood products will be available when required. This service is made possible through the generosity of the thousands of men and women who generously give their blood and those who give their money to maintain this important health service. The Red Cross blood transfusion service is similar to many Red Cross services. You may never need them but you always have the assurance that they will be available if required. You will keep the Red Cross ready through your donation this year.

Gibson Patterson Is Leaving Dept. of Agriculture

Gibson Patterson, Assistant Agricultural Representative of Hastings County for the past two years, is leaving the Government service the end of the current month. Mr. Patterson has purchased a farm in Osgoode Township, southeast of Ottawa and will specialize in market gardening.

Since coming to the Stirling office, Mr. Patterson has taken a leading part in Junior Farmer organizations and 4-H Club work and has made a host of friends who will regret his decision to leave the County. In addition to his work, he has been an active adherent of St. Andrew's Presbyterian Church, assisting in the Sunday School work. His many friends join in wishing him every success in his new venture.

Men's Bowling

Elaines 5, Rockets 2; Oddfellows 5, Six-R-Dees 2; Maple Leafs 7, Drones 0; Bolows 5, Legion 2.

High single, Ray Rose, 335; high triple, Ralph Scea, 742.

Other good scores — Howard Parsonson 291, Tom Kovack 300, Ralph Scea 291, Bob Taylor 273, Bruce Glover 277.

Horticultural Society Does Much To Help Beautify The Village

The Stirling Horticultural Society now entering its 65th year, is still one of the most active groups for its size in Eastern Ontario.

The present executive has already formulated plans for 1962 whereby local beautification projects may be commenced and others previously started may be improved or enlarged. The successful fulfillment of these plans depends to a great extent on the financial state of the Society whose main source of income is derived from membership fees. The annual premium given to members is one box of plants, either floral or vegetable.

Citizens Unaware of Work

Many citizens are unaware of the work done by the local organization. Each year the window boxes at the Public Library are planted with suitable foliage and flowers. The parks known as Victoria, Coronation and Memorial, are beautified with various plantings of shrubbery and gay annuals. A caretaker is hired to keep these parks clean and attractive. At the Coronation Park four or five tables have been set up for the convenience of passing tourists and each day in fine weather the employees of Elaine Footwear Company make use of them at lunch periods.

In 1961 a quantity of petunias was donated to the Stirling Public School to help brighten up some of the bare corners surrounding the grounds.

A poster contest was introduced for pupils of Grade 8 and prizes awarded for the best entries. Prizes were also given for the best vegetable gardens in a competition open to Brownies and Cubs.

This year it is hoped that some form of landscaping or planting may be undertaken at the newly-built Chapel in Stirling Cemetery and also at the Public School.

Each year finds a greater number of interested exhibitors and visitors to the Annual Flower Show. Members of the Horticultural Society are eligible to place as many entries as they wish in this show.

Bus tours to outstanding beauty spots throughout the province are sponsored yearly, as well as tours of local and community gardens. Last year 150 people visited Hamilton Botanical Gardens, Niagara Falls and the Flower Show at the Royal Winter Fair.

Look To New Season

These are just some of the undertakings the local Horticultural Society is responsible for, and its members have a sense of pride and satisfaction as they look backward at accomplishments of past years. But they also look forward with eagerness and anticipation to the new season of growth now approaching and trust that their work may bring joy and beauty to all who pass through this wonderful little village we are proud to call home. "Let's all help beautify Stirling."

Cancer Campaign Being Organized For District

Chairman J. V. Holt of the local Cancer Committee, announces that arrangements for a canvas of the Stirling area are practically complete. A meeting of the canvassers will be held in the I.O.O.F. Hall, Charlotte St., on Monday next, April 2nd; when final arrangements will be completed.

Anyone wishing to volunteer as a canvasser is asked to contact any member of the executive. Other members, in addition to chairman Holt, are Mrs. E. Burgess, Dr. W. Hipwell, Mrs. Basil Kuglin, Rev. F. Crook, W. J. Morton, Eugene Burrell and L. Rawlings.

Citizens are urged to contribute generously to this worthy cause. Part of the money raised will be made available for treatment for needy cancer patients in the area, while the balance will go to the Canadian Cancer Society.

Has Heart Attack

Earl Dunkley, Stirling R.R. 3, is a patient in Belleville General Hospital, where he was taken by Duffin's Ambulance on Saturday following a heart attack.

Local Agent To Attend Conference In Miami, Florida

Elwood Bateman, local representative of the Sun Life Assurance Company, and Mrs. Bateman, are leaving tomorrow (Friday) for Miami, Fla., where they will attend a Sun Life Agency Conference being held April 8th to 12th in the Hollywood Beach Hotel. Mr. Bateman qualified for the trip through his volume of sales during the past two years.

Injured In Car Crash

When his station wagon left the road and crashed into some trees along Highway No. 33 about two miles north of Frankford on Friday night, Bruce Glendinning, of this Village, suffered severe back injuries. He was taken to Belleville General Hospital by Duffin's Ambulance and is said to have several broken ribs and a punctured lung. The station wagon was damaged beyond repair.

Local and Personal

Mrs. Lorne Wilson returned home from Belleville Hospital on Sunday.

Miss Laura Lee, Trenton, was a Saturday guest of Mr. and Mrs. R. W. Melkejohn.

Mr. and Mrs. Ernest Wanamaker were recent guests of Mr. and Mrs. Kenneth Dowler, of Baltimore.

Mr. and Mrs. Fred Yorke, of Corbyville, were Sunday dinner guests of Mr. and Mrs. Duncan Montgomery.

Mr. and Mrs. Clarke Rodgers entertained Rev. Duncanson, the student minister at St. Andrew's Presbyterian Church, over the week-end.

Messrs. Angus Johnston and Robt. Hulin spent the week-end in Montreal and attended the Chicago-Montreal hockey game Saturday night.

Mr. and Mrs. Doug Luery and family, Kitchener, spent a few days with the former's parents, Mr. and Mrs. Earl Luery.

Mrs. W. T. Elliott has returned home after spending some time visiting relatives and friends in Racine, Wis., and Escanaba, Mich.

Mr. and Mrs. A. Stevenson and Mr. Clarke Rodgers attended the funeral of their nephew, Arthur Blakely, in Tweed on Friday afternoon.

Mrs. Thos. Tanner, who has been a patient in Belleville General Hospital for the past seven months, has been moved to the Campbellford Memorial Hospital.

Has Operation

Jim Rawlinson, son of Mr. and Mrs. L. Rawlings, of town, underwent surgery in Belleville General Hospital Monday morning. Latest report is that he is progressing well.

Buys Farm Land

A real estate deal of interest was completed last week when Grant Hubble purchased one hundred acres of farm land from Earl Dunkley. The parcel of land adjoins the Hubble farm.

Shower Held For Newly-Weds At Wellman's

Mr. and Mrs. Bob Wickens (nee Linda Preston) were guests of honour at a shower in the Orange Hall, Wellman's, on Friday night, March 16th.

The early part of the evening was spent in playing euchre and crokinole. Stewart Brady acted as master of ceremonies and after a brief address called on Miss Betty Maybee, who read an address to Mr. and Mrs. Wickens, and the young couple were presented with a hostess chair, table lamp, electric kitchen clock and G.E. mixer, on behalf of Wellman's and Bethel communities.

Linda and Bob each expressed their sincere thanks for the lovely gifts, after which dainty refreshments were served and a social hour enjoyed.

Prior to her marriage the bride-elect was the recipient of a Proctor steam and dry iron from her former employer, H. C. Bird and members of his staff.

Clergy of Deanery of Hastings Met At St. John's

The Rev. Canon K. F. Blachford, of Trenton; the Rev. R. G. Fleming, of Marmora; the Rev. Cyril G. Betts, of Madoc, and the Rev. G. M. Black, of Roslin, attended a meeting of the Clergy of the Deanery of Hastings on Monday morning held at St. John's Anglican Church, Stirling.

Holy Communion was celebrated by Canon Blachford, assisted by the Rev. F. F. Downing, Rural Dean of Hastings.

A brief business meeting was presided over by the Rural Dean.

The Rev. F. A. Crook was a guest at the luncheon which followed the meeting, which was provided by the Ladies' League of St. John's.

Canon Blachford expressed the thanks of the group to the Rector and to the ladies who served the delicious luncheon.

Veg. Growers Hear Paul Planovski

Annual Banquet Held At the I.O.O.F. Hall, Stirling, On Thursday Night Last

"Russian Communism," was the subject of an interesting and informative address by P. Planovski, of Batavia, at the Annual Banquet of the Hastings Branch of the Ontario Vegetable Growers Association held in the I.O.O.F. Hall, Stirling, on Thursday night last. Members of Laurel Rebekah Lodge served a turkey dinner to some one hundred and fifty.

Introduced by Roy Sills, Mr. Planovski, who is a native of Czechoslovakia, gave a vivid description of life behind the iron curtain. He explained the system of control exercised over all sections of the populace through secret police by the Communist State and gave several instances where whole families were betrayed by young boys. Even the church was hampered in its work by this system of control, stated the speaker.

Glen Myers voiced the appreciation of the gathering for the address and Horace Knight thanked the ladies for a delicious dinner. Mrs. R. Rose, Noble Grand, responded for the ladies. Thanks were also given to Messrs. Chas. Fargey and Glenn Morrow, who made the arrangements for the evening.

The programme consisted of trumpet selections by Bill Bell, accompanied by Mrs. C. Fargey on the piano, and vocal duets by the Shortt sisters, accompanied by Mrs. R. Shortt.

A brief address was given by Ed Ruthven, of Port Hope, Provincial Chairman of the Association.

Help Crippled Children Through Stirling Rotary Club

An estimated one-third of Ontario's crippled children cannot take full advantage of the techniques that have been developed to help them overcome their handicaps.

They are the children who live outside of those areas where treatment centres are located. They are the children in those rural and remote areas of the province who require residential care. They are the children for whom our over-crowded general hospitals have no room when surgery or other corrective procedures are completed.

In keeping with the demands being placed on those treatment centres already established in some of the large Ontario cities, a provincial treatment centre will be established in Metropolitan Toronto. Extremely difficult cases will be referred from all parts of the province where their problems will receive the attention of leading medical, dental and surgical specialists; where they may remain for a long-term treatment and observation; and where crippled children residing in a heavily populated part of central Ontario will have for the first time, adequate out-patient services available.

During this Easter Season, your recognition and assistance for the 1962 Easter Seal Campaign is needed to guarantee that more of our children will graduate to young adults, able to take their place in the world.

Mrs. G. Clancy Hostess To Wellman's W.I.

Mrs. Gerald Clancy was hostess to the ladies of the Wellman's Women's Institute on Wednesday, March 21st. This meeting was directed to health. The programme had been arranged by the Health Convener, Mrs. Jim Pol-

lock. There was a very large attendance consisting of 20 ladies and 11 children.

The minutes, read by the secretary, Mrs. John Carlisle, were approved. She also read the correspondence. The roll call, "What I left undone to come to the Institute meeting," brought an outstanding reply.

Mrs. Byron Seeley gave the current events. The Pennies for Friendship jar was passed by Miss Sandra Flen-

ing. Master Michael Bailey took up the collection.

Miss Emma Rainie gave a splendid paper on the motto, "Health is God's Gift. Your part is to claim it."

Mrs. Craig Watson gave a piano solo consisting of a medley of popular tunes. Mrs. Douglas Clancy gave a reading entitled, "Visiting the Sick." Mrs. Fred Beckett and Mrs. Ken Tompkins gave a musical number. Mrs. Harry Brown contributed a medley of Irish tunes on the accordion. Mrs. Gerald Clancy and Mrs. Gerald Russett sang a duet entitled, "All We Need."

Mrs. Gerald Russett introduced the guest speaker, Mrs. Frank Bailey, who gave an inspiring address on nursing. She began with the admission of nurses to the hospital as to educational requirements and fees. She gave a history from the early days of nursing in the homes to those of present times in the hospitals. She described the work covered for each of the three years that a nurse is training and described the significance of the nurse's cap. Mrs. Bailey also outlined the life in the residence. This was a very educational topic for the ladies as very few had ever known all the details of a nurse's training.

Mrs. John Carlisle thanked Mrs. Bailey for her address and presented her with a gift for which Mrs. Bailey replied.

Mrs. Gerald Clancy thanked everyone for their assistance in the programme. Mrs. Douglas Clancy moved a vote of thanks to the hostess.

Mrs. G. Clancy closed the meeting with everyone repeating the Institute Creed and singing the Queen.

Dainty refreshments were served by the hostess and her assistants while everyone enjoyed a friendly chat.

Mrs. Myrtle Boyes Native of Stirling Dies In Manitoba

On Tuesday, March 13th, 1962, Mrs. Myrtle Boyes (nee Myrtle Saylor), passed away at the Swan Valley Hospital, Manitoba, after a lengthy illness at the age of 71 years, 6 months and 17 days.

She leaves to mourn her passing four daughters and one son, fifteen grandchildren and five great grandchildren. Mrs. G. (Pearl) Worsley and Mrs. L. Finlay, both of Benito; Mrs. J. (Mabel) Nixon, Birch River; Mrs. B. (Winona) Beadle and Donald, of Bowman.

Mrs. Boyes was born at Stirling, Ont. She went to Spirling, Man., in 1908 as a bride and moved to Bowman, Manitoba in 1915 where they farmed.

Her husband, Charles E. Boyes, predeceased her on February 11th, 1947. Since then she has lived on the farm with her son in the Lavender S.D.

The funeral service was held in the United Church at Bowman. Interment took place in Bowman Cemetery.

The pallbearers were Messrs Ralph Swanson, Joe Ashcroft, George Cavender, Eddie Jenner, Alex Shinn and Earl Sims.

March Meeting Eggleton Messengers

The March meeting of the Eggleton Messengers was held on Friday afternoon at the school.

Glenn Stapley presided over a programme prepared by Kenneth Danford and Gerald Stapley and opened the meeting with the call to worship and the hymn "Take Time To Be Holy," with Wayne McMullen as pianist.

The Scripture Lesson, taken from the 13th chapter of St. Mark, was read by Lois Danford. A lovely little poem, "Two Sparrows," was read by Carol Danford.

The next meeting will be held on Thursday afternoon, April 19th, at the school. Sheila Clarke, Lloyd Clancy and Wayne McMullen are to prepare the programme. The Danford children offered to bring lunch.

Carol Stapley gathered the offering which was dedicated with a prayer read by Lin Stapley.

Dianne Prest read the minutes and the roll call was answered by 23 children and 3 adults.

A humorous story, "The Mat, the Cat and the Boy," was read by Carol White. Lois Danford, Sheila Clarke, Carol Danford, Gerald Stapley, Teddy Clarke, Lloyd Clancy and Brian Kovach sang "We Praise the Father Above," with Mrs. Reide as pianist.

The leader, Mrs. M. Clancy, read a

letter she had received from Mrs. Dyson, thanking the children for the pretty valentine sent to her.

Mrs. Clancy read a story, "The Mischievous little boy in Iran. One day he fell from the roof of his home and broke his leg. The doctor at the Mission School set it. When he could walk again the parents were so thankful that they gave permission to the children in the family to attend the Missionary Bible School.

Mrs. Clancy then had the pupils take part in singing two choruses, "Just Grin," using motions and "The Beauty of Jesus."

The second story read by the leader was about a little boy in Japan who loved the flowers, birds, etc. in his home garden. In September he started to school but wasn't very happy until one day his teacher let him look through a microscope. He was thrilled. This helped him to learn of the great number of God's wonders that can be seen everywhere about us, if we just use our two bright eyes.

The "World Friends" papers were distributed by Douglas Danford, Teddy Clarke and Billy Stapley. The meeting closed with a hymn and prayer by Mrs. Fitchett.

Cookies and delicious homemade candy was served by Lin Stapley, assisted by Kenneth Danford.

\$23,180 Contract For Norwood Post Office

A \$23,180 contract has been awarded by the Department of Public Works, Ottawa, to Miron-Lessing and Associates Limited, of Trenton, Ont., for the construction of a Post Office building at Norwood, Ont., it was announced on Monday, March 26th by Frederick A. Webb, M.P. for Hastings-Frontenac, on behalf of the Honourable David J. Walker, Minister of Public Works.

The firm submitted the lowest bid of six in response to advertising for public tenders, which closed on March 7th, 1962. The highest bid was \$28,900. The work is scheduled for completion within six months.

The building, measuring 32 feet by 55 feet, will be a one storey structure, without basement. It will face north west on Peterborough Street. It will have a concrete foundation and frame construction with an exterior finished in painted asbestos cement board, vertical cedar "v" joint and brick veneer. The interior finish will consist of plaster board and plywood with linoleum covering the floors. Heating will be by an oil burning furnace. The building will be serviced by a gravel covered driveway and there will be a loading platform at the rear.

Plans and specifications were prepared in the Ottawa District Architect's office of the Department of Public Works. A. D. Wilson, District Architect for the Department at Ottawa, will be responsible for supervision of the work.

Unit Three St. Paul's U.C. Women

On Tuesday evening Unit Three of St. Paul's United Church Women met at the Church Parlours for their March meeting with an attendance of fourteen, including Mrs. P. J. Hommersen and Mrs. Dave Duffin, President of St. Paul's United Church Women.

The leader, Mrs. G. Richardson, welcomed all and thanked Mrs. H. Vandervoort, the evening's hostess, for arranging the meeting and for the baskets of cut flowers which brightened the place of meeting.

The hostess conducted the worship service, assisted by Mrs. K. Williams. The singing of the hymn were enjoyed.

Mrs. B. St. Pierre gave the study book entitled "Searching the 60's," studying of the Bible in our time, and in Jesus time on earth. This was followed by a film, "The Bible Views for Adults," which was of similar vein to the study book topic.

The Penny Barrell, "Your Dress Size," was the project named for March.

April activities for Unit Three will be a bake sale. Committee in charge is Mrs. Harold Johnson, Mrs. L. Branson, Mrs. Don Pollock and Mrs. Grant Stapley.

The hostess and her committee, Mrs. A. McDonnell, Mrs. Gerry Armstrong served a variety of tarts with a cup of tea.

Mrs. Carl Potter voiced appreciation to those who made the evening so enjoyable.

The Mission Of The Church

(A sermon by Rev. R. Donnan)

Oregon's Governor Mark O. Hatfield declared what he called a tendency toward making the Church a social agency, in an address before the Oregon Council of Churches.

He said that the reason so much church work lacks "dynamics" today is that it is being promoted by persons who lack religious "dynamics."

The Church makes a mistake, he said, when it attempts to mimic the work or programmes of service clubs. "Neither can be substituted for the other," he declared. Thank God for a man in such a responsible position as this, who will voice his convictions against such things which are being sponsored in the name of a church. The Great Commission still remains the same, "Go ye into all the world and preach the gospel to every creature." Are we being true to the Great Commission?

A Church has no excuse to exist, when it fails to see souls saved and transformed by the power of God. John Wesley told his preachers, you have no other work to do but to see souls saved, pursue this objective twenty-four hours a day. If it was important to John Wesley, is it of any less importance today, when there is so much trouble, confusion and unrest?

A minister once said that we laid too much stress on evangelism. For this I make no apologies. When God called Saul of Tarsus, it was for this purpose — to open man's eyes to the Truth that Jesus Christ was the Saviour of the world — to turn them from darkness to light — from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me. God said, He appeared unto Paul to make him a witness. Are we a witness for God?

In the past few years, the Church has been a witness to certain activities that are certainly not pleasing to God. In a recent newspaper I read an article about a dance which was held in a church hall. The purpose of this dance was to raise funds to support an orphan in Hong Kong and a church youth project. The minister said, "It was a great success, worthwhile and educational." Is this the purpose of the church?

The purpose of the Church is clearly outlined in the Book of Acts. The Word of God says concerning the early Church "The Lord added to the church daily such as should be saved."

ed." Why was there a daily increase? The disciples went from house to house preaching the Gospel. Someone has said you get what you go after, and we could say you get what you preach for. If you preach the Gospel I believe that you should expect to see something happen. Paul said, "He was not ashamed of the Gospel for it is the power of God unto Salvation to everyone that believeth." God still confirms His Word today. He's the same today, yesterday and forever, it is we who have changed.

Down through the years, the Church has been a restraining element against sin and wickedness. Jesus said, "Ye are the salt of the earth; but if the salt have lost his savour, wherewith shall it be salted? It is thenceforth good for nothing, but to be cast out, and to be trodden under foot of men." Jesus also said, "Ye are the light of the world."

Twenty years ago, Churches outlawed the very thought of having lounges and cocktail bars in the community, but we must be honest and face the facts, we are losing ground. Someone has said that it is perfectly safe for the boat to be in the water but it is dangerous when the water gets into the boat. The moral of the story is — the Church is in the world as God planned it, but God never intended the sins of the world to get into the Church. It is no wonder the Church is so ineffective and fails to meet the great spiritual need of man today.

The great need of our Churches today is a mighty moving of God's Spirit. Revival is a word which we have almost lost from our vocabulary. I believe there are people who still are hungry for old time salvation. Let us band together in prayer that God might be merciful to us and visit our Dominion; sinners will be converted and God's Name glorified.

"Revive us again, fill each heart with Thy love."

May each soul be rekindled with fire from above."

Receives Letter From Eskimo At Sugluk

The following letter from an old Eskimo catechist in Sugluk was received by Mrs. Earl Morrow, the Prayer Partner Secretary for St. John's W.A. Mrs. Morrow wrote Keatainak at the suggestion of Mrs. David Ellis who knew how happy he would be to hear from St. John's Missionary group.

Keatainak is the senior catechist in Sugluk. He is a very fine christian and much respected by the Eskimos. Whenever the Missionary is absent from Sugluk, off on the trail, Keatainak takes the services. At other times he assists the Missionary. His back now gives him a lot of trouble and he is very bent — his body, but certainly not his spirit. Pootoolik, who translated Keatainak's letter for him, is an exceptionally bright young man of about 32 years. He is the only Eskimo in Sugluk who can converse in English. He is also undergoing training to be a catechist.

Sugluk,

January 15th, 1962

Dear Mrs. Earl A. Morrow:

From Keatainak E9-1118.
I received your letter on July 1961. But I don't answer for a long time. I thank for your letter, only little difficult to me because I cannot write in English. I remember yours when we are praying and ask God to help us and you. Also I am happy to help minister. Now I help them for twenty-three years. I have lots of friends of Eskimo and I have relief from government. Also I am glad most people come to church when church

Late Fred W. Barnum
Honoured By Rylstone

Cheese and Butter Company
Some time ago, since the passing of Fred W. Barnum, officials of the Rylstone Cheese and Butter Company have thought it would be fitting to honour his memory by placing a photo of him in the factory, in which he had showed such a keen interest for so many years.

Percy Reid and Murray Heath were chosen a committee to procure a picture — which they have done during the past year, with the aid of Mrs. Barnum. An enlargement of a photo taken shortly before he left the farm to reside in Campbellford was obtained and at the annual meeting of the company, on March 9th, it was hung in the curing room of the factory, where all meetings are held and where it will be preserved for all to see.

The late Mr. Barnum was associated with the cheese factory for over 40 years and always had his interest at heart. He was president from 1917 to 1925 and Secretary from 1935 to 1960, up until the time of his passing. For several years he filled both offices of Secretary and Treasurer.

Mr. Barnum's influence will be felt at Rylstone for years to come. All Rylstone Cheese and Butter Co. officers were re-elected for 1962.

DESSERT IDEAS WITH MERINGUE

What's for dessert this month? We vote for a Meringue one — because it will be light and airy, low in calories, low in cost and will fit in with our lenten and coming-into-spring menus.

There are two kinds of Meringues — hard meringues and soft meringues. Hard Meringues contain more sugar in proportion to egg white than the soft type and therefore must be beaten more to dissolve it. Hard Meringues must be baked slowly at a very low temperature (250 degs. F.) so that they are crisp on the outside and tender within. These meringues are often served alone or they may be made into individual shells or pie shells and filled with ice cream, fruit, cream filling, a mixture of fruit and whipped cream or a mixture of fruit and cream filling. Hard meringues freeze well, so extras might be made now while eggs are plentiful. They also keep well for several weeks stored in a box with a tightly fitting cover.

On the other hand, the list of Soft Meringue desserts is, like the meringue itself, a mile high. For instance,

there is Fruit Whip which is a light airy meringue with a folded-in flavour of fruit pulp from canned or frozen apricots, peaches, raspberries, strawberries, cherries, prunes or fresh apples.

There are puddings and pies with the meringue folded in, like Baked Lemon Pudding and Peach Chiffon Pie. There are desserts with meringue tops baked to light golden such as Raspberry Cream Meringue Pie and Baked Alaska.

There are cakes and cookies with a meringue base, take for example Angel Cake, Chiffon Cake, Maple Fruit Meringues and Cherry Macarons. There are also cakes trimmed with meringue in the forms of fluffy or boiled icings.

To make meringue of a good volume the Consumer Section, Canada Department of Agriculture, Ottawa, suggests that it is best to use egg whites at room temperature. The beaters and bowl should be absolutely free from any traces of fat. The bowl should be of a size in proportion to the amount of meringue — for example, a small bowl for a 1 to 3 egg meringue. Two level tablespoons of

sugar per egg white should be added at the beginning of beating so that it will be thoroughly dissolved by the time the meringue has reached peak volume and stands in soft glossy peaks when the beaters are lifted.

Breeding Assoc'ns. To Amalgamate

A big decision was reached by the membership of the Quinte District Cattle Breeding Association at Belleville and the Eastern Ontario Cattle Breeding Association with headquarters at Kemptonville on March 22nd and 23rd. At their annual meetings on those days they voted 81 and 90 per cent in favour of an amalgamation of the two businesses to form a new organization Eastern Breeders Incorporated.

The prime objective in this amalgamation is to have a volume of business large enough to support a young sire proving programme. This will involve the maintenance of up to 45 Holstein sires. At the same time, sires of six other breeds are also maintained by the two Associations.

The new organization will operate in 16 Eastern Ontario counties and five counties of western Quebec. It will breed approximately 115,000 cows a year and will have a membership of 10,300 farmers. All members of the two organizations presently operating will make up the membership of the new organization.

OF MANY THINGS

(By Ambrose Hills)

THE WEATHER

When our family moved back to Manitoba about six years ago, we made a sort of family law not to talk about the cold weather. Sub-zero living was to be accepted as part of life in these parts, compensated for by the beauty of the province, the lovely Spring, Summer and Fall, along with the fact that most of our relatives live here. However, we broke our rule the other night.

It has been a long, cold winter. Day after day the mercury has gone down to 20 below or lower. Last night, I guess I broke the family rule first by expressing the hope that February would certainly see some sort of break in the persistent cold.

Once the subject was in bounds again, the whole family went at it with a will. They agreed that it is the kind of climate that sorts the men from the boys, the good cars from the punk ones, the well-built homes from those that were slapped together. They agreed that it is expensive to live in such a climate, harder to work in it, that it slows everything down. The cost of running railroads, airlines, trucking firms, and public transit, and of building, heating, and just plain living skyrocketed when the temperature dives.

I took the opportunity to point out to my youngsters the fact that we in Canada must compete against many

countries that have a much more favourable climate. They can stockpile material which we have to store inside. They can build the year around. We must do most of our building and most of our other work during the warmer weather. Consequently, if we want to hold our own in this competitive world, we must be prepared to work a bit harder than those in other countries to offset their natural advantages.

I hope that labour leaders will get the point, too. We simply cannot match wage rates and schedules with countries that have us at a disadvantage because of climate and a larger population. If we try, we are going to lose out — and that means fewer jobs and a lower standard of living.

THE BIBLE TODAY

New translations by the British and Foreign Bible Society recently completed and issued are two new Bibles in Teso and Sukanna; the Gospel of Mark in Bawm and the Gospel of Luke in Koble.

Teso, a language of the Nilo-Hamitic group, is spoken by half a million people living on the north-eastern shores of Lake Kyoga, East Uganda. Sukanna is spoken by almost a million people living around the Southern shores of Lake Victoria in Tanganyika. The Wasokunna tribe is the largest in Tanganyika and the second largest in Africa.

Bawm is spoken by about 7,000 people in the Chitogong Hill Tracts

District of east Pakistan and a further 1,000 South of Lungleh in South Lushai Hills of Assam.

Koble is spoken by 300,000 people in Togoland and on the borders of Dahomey and Ghana.

The Christian communities in these places total about 80,000 souls. All these areas are in the first stages of political and economic development.

Literacy is increasing rapidly. Having the Bible in the language of the people is of exceptional importance at this stage of their development.

Cooking Comments

To add variety to school lunches cut raw turnip into thin strips, wrap tightly in wax paper, and tuck into the corners of the box, suggests the Food Department of Macdonald Institute, Guelph.

Delightful fruit salad dressing can be made using whipped cream. Simply blend a little fruit juice and honey with ½ cup mayonnaise. Combine with 1 cup whipped cream. Serve.

Poultry is relatively inexpensive, therefore serve it often, suggests the Food Department of Macdonald Institute, Guelph. This gives you a chance to try different kinds of stuffings. Diced celery and pared chopped apples may be added to the cubed bread for a moist dressing.

The Power To Move

(by Ann Bowman)

Up in the hills in a lonely part of Ontario, there stood a shack-like home in which a stubborn woman and a proud man were waging a losing battle.

The woman was desperately ill with cancer but, thinking she was going to die anyway was doing absolutely nothing about it. She had been ill for a considerable time and her husband, out of work for about the same length of time, was seemingly unable to cope with the situation. The mother, fearing surgery, refused to go to the doctor and the husband was too proud to go to any welfare organization.

They had six children, the oldest of whom was a girl of 15, whose school work was suffering greatly because of the added responsibilities she was forced to undertake at home. Her mother was unable to get out of bed and she had to cook for the family and look after all their needs.

One day a Canadian Cancer Society volunteer was visiting a friend in the area when, quite by accident, she heard of the plight of this family. On returning home, some many miles away, she telephoned the Cancer Society Unit in the area where the family lived.

The Chairman of Women's Service of this Unit immediately asked the Public Health nurse to make a visit. The nurse reported back to the Cancer Society Unit and the Chairman of Women's Service went straight away to see the mother.

After a great deal of persuasion she was able to alleviate some of the fears the woman had and persuaded the husband to drive her to a doctor in a nearby town. On the way the ancient car owned by the father broke down and they waited at a standstill until the Women's Service Chairman had contacted a Cancer Society volunteer driver who took them the rest of the way to the hospital and back home.

It was arranged then that the mother should be taken to the nearest large center for radical surgery. An ambulance was required for this long trip. The Cancer Society volunteer telephoned the reeve of the township who, after learning the full story, willingly offered the use of the township's brand-new ambulance, both to convey the mother to the hospital and, if necessary, back home.

In the meanwhile the Public Health nurse had been able to persuade the father to go and have a talk with a neighbouring psychiatrist. After several such talks, and with his wife now receiving the assistance so urgently required, this husband and father, who was quite unable to cope, is now becoming more stabilized and is actively seeking for work.

Sparked by the active interest of a visiting Cancer Society volunteer in the neighbourhood, who picked up her telephone on returning home to call the Cancer Unit concerned, all the welfare agencies in this area, now alerted to the situation, are helping this family in its desperate plight.

NEWS FOR THE BUSY FARMER

SELECTIVE INSECTICIDES

Selective insecticides offer new help to growers by controlling pests without harm to their natural enemies.

Only a few insecticides of this type have been developed, reports F. T. Lord, of the Canada Department of Agriculture's Research Department.

However, he points out that other kinds can be used selectively by varying the rate and time of application and by knowing the habits of the pest and its natural enemies.

It was found that cankerworms on apple trees can be controlled in the pre-pink or pink stage of bud development by using two ounces of DDT or Guthion per 100 gallons of water.

The small amount of insecticide reduces harm to the pest's natural enemies and the spray is applied before most of them have emerged.

RAT CONTROL DESCRIBED

Infestation of poultry buildings by rats can be solved with carefully planned use of poison, says R. M. Blakely, of Canada Department of Agriculture's experimental farms.

Rat control is easier in buildings with deep foundations, concrete floors and heavily screened openings. In older buildings, sheet metal can be used to block the rodents' access to spaces between wall studgings.

Regardless of the type of structure, good housekeeping is essential, Mr. Blakely stresses.

Special care also is required in the newer pole barns, especially if they are located near refuse dumps or other breeding grounds and are serviced by underground plastic hoses. Serious flooding can result if rats cut the hoses.

The introduction of Warfarin has helped the war on rats, Mr. Blakely notes.

Warfarin, used either as a feed additive or mixed in water is especially effective if the buildings are not in use. Since no other feed is available, the rats consume the poison readily. To be effective, it must be eaten over a period of several days.

If the buildings are being used, the poisoned feed or water should be placed in sheltered runways. A long, wide board propped against a wall in a darkened area makes a suitable runway for the rodents.

A mixture of 40 percent plaster of paris and 60 percent finely ground feed or flour is also an effective rat poison. The technique is to place a quart sealer, one-quarter full of the mixture on its side. Rats will enter and eat the contents, but hens will not put their heads in the container.

Once rats have been brought under control, continual vigilance is needed to prevent their return.

Timely Tips

Don't stray away at farrowing time, reminds Garnet Norrish, O.A.C. swine researcher. Clip needle teeth and paint navels with tincture of iodine. If there aren't enough teats for all the pigs, move some of the pigs to another sow that farrowed within the previous 2 days.

Be sure to get Ontario Department of Agriculture bulletin, "1962 Field Crop Recommendations for Ontario," advises Stan Young, crops expert at

the O.A.C. Copies will be in your County Agricultural Representative's office. They will list the best variety choices for the year.

Be wary of taking chances with short-tempered sows, especially around farrowing time, advise Ontario Department of Agriculture swine experts. Sows with pig can be vicious and will mangle a hand or leg. Always carry some protection when its necessary to go into the pen with such animals. A light gate or hurdle, or even a scoop shovel, will do the job.

Furrow and Fallow By Fairbairn

News on the farm front has been popping recently with FAME announcing the appointment of a firm of U.S. packing house consultants to settle on the site for its first plant and erect it by the spring of 1963; the Farm Products Marketing Board moving into the tobacco situation (incidentally, there will not be another vote on the levy this year as we predicted recently), and the butter subsidy announced by the federal government. Early reports on this new dairy policy are confusing but it looks as though it will allow a reduction in the retail price of butter of 12 cents a pound and perhaps about 6 cents on cheese and even some on concentrated milk products using butterfat. This is the first we've heard about the latter two being included in this kind of a scheme and until we see more complete reports we hesitate to comment.

However, we would like to comment on another dairy matter of great importance to all milk producers. Ontario Minister of Agriculture, W. A. Stewart has announced a pilot project in a programme to eliminate mastitis from dairy herds in this province. This disease has been costing farmers millions of dollars annually and there has been much talk but little action — on any large scale. Senior veterinarian at the regional laboratory in Ridgeway, Dr. Doig, has been doing some work locally with the voluntary assistance of some producers and we have heard of similar operations in northern Ontario.

Now, the Department of Agriculture plans to enrol 150 herds in a pilot project in southwestern Ontario around the Ridgeway lab. Dairy herds in Essex, Kent and Lambton will be asked to participate first with others in Middlesex and Elgin joining if there is room in this pilot project.

There have been some hopeful signs in the past that a real cure for mastitis might be developed but it hasn't happened although there are good treatments available. Nevertheless, the incidence of mastitis is still alarming so a plan for developing mastitis-free herds seems the best solution. The extension of the Ontario Department of Agriculture and Department of Health quality control programme for milk is also probable and tests in this will often indicate the presence of mastitis in herds. It cannot single out individual animals or quarters but producers can do that themselves by the use of filters if they know the disease is present. Keeping close watch on filters will also show up mastitis.

People who have no money to speak of just have to do their own talking.

Meighen Rodgers Writes Interesting Account of His European Tour

Following is the story of a European tour by Meighen Rodgers, of West Hill, who formerly resided in the Stirling district, and is now a teacher at Scarboro. Due to its length the article will be published in several parts. This is the ninth installment.

Sweden

On the main road to Norrköping is Lovstad Castle. Built by the Lillie and Piper families, the castle contains a large and valuable collection of portraits and furniture.

Norrköping, Sweden's fourth largest city, is situated on an inlet of the Baltic Sea. There are some very quaint old houses around the "Old Square" including the Holmens Bruk and its 18th century Bell Tower, and Lilla Torget (Small Square).

Our tour took us to Nyköping, through the Baltic Sea-side resort of Södertälje and the pleasant Swedish countryside to Stockholm, the capital city of Sweden. There is no doubt, especially to a Swede, that Stockholm is the most beautiful city in Scandinavia. Situated on 16 islands on the Baltic Sea and Malaren Lake, it has 45 bridges and a population of approximately one and a half million. Stockholm presents many facets of equal interest to the casual traveller, artist, historian and architect. The Old Town, on an island in the turbulent outlet of Lake Malaren into the Baltic, still retains its quaint medieval character, with its narrow lanes and ancient buildings, palaces, and churches. From this 13th century nucleus the city has expanded to neighbouring islands and the mainland, each period leaving its inheritance of art and architectural monuments.

The Royal Palace stands on the largest of Stockholm's islands, a mighty fortress in Italian Renaissance style. Gustavus VI is the present king of Sweden. He has three sons, two of which have married commoners.

Tour of Stockholm

In Old Stockholm, we visited the Stadshuset or City Hall, which was built of hand-hammered bricks between 1911 and 1923 at a cost of ten million dollars. The banquet hall is 148 feet by 37 feet; the chandeliers are of Swedish glass and silver; the wood furnishings are of simple, plain designs. The Nobel Prizes are awarded in this hall in December. Two thousand dentists from all over the world were gathering here for a banquet the evening of the day of our visit, as the World Dentists' Convention was being held in Stockholm.

We toured Stockholm's hospital, which has accommodation for 1,600 above the ground level and 800 below ground level as a wartime shelter from bombs. The nurses use three-wheeled scooters to move up and down the corridors quickly. Hospitalization is free of charge in Sweden.

Stockholm's wartime bomb shelter had accommodation for 50,000, and is used today as a large drive-in garage.

The early Vikings had no religious belief until introduced to them by the Roman Catholics. Later the Lutherans came to them and today the Lutheran Church is the main church in Sweden. There are only four Roman Catholic churches in Stockholm. I visited the historic Ridderholm Church in the city, where I saw the tombs of the Swedish kings since the 17th century.

Traffic in Sweden, as in England, travels on the left hand side of the road. There are many automobiles as young people on marrying, buy a car, then a home, which is quite the reverse in Norway. There are very good highways to accommodate today's heavy traffic.

Stockholm has a council of 100 members, 80 men and 20 women, elected by the people every fourth year. Only 5 percent of the population are communistic thinking. There are no slums in Sweden and only one percent of the population is unemployed.

Stockholm can boast of a 26 storey Income Tax Building; a large subway system; an opera house; a university for engineers; a large football stadium erected in 1912 for the World Olympics; 35,000 privately owned boats or yachts; oil heated homes; excellent hospitals, and many fine parks. There are 85 parks which have children's kindergartens with trained nurses to care for the children. Ten thousand tulips from Holland bloom in one park in the city each year.

English is taught in the elementary school, and a teacher's salary is about 18,000 kroner (\$3,420.00) a year with three months' holidays. Swedes however, pay from 40 to 80 percent of their income out in the form of income tax.

A flower foundation has been formed in the city, that people might donate money towards it, in lieu of sending flowers at the time of the death of a relative or friend. The money is used to help the needy, orphans, old aged, etc. The city also has what is called the "Golden Wedding Building." This building or residence is supplied free to residents of Stockholm who have reached their Golden wedding date.

On To Mariefred

After departing from Stockholm, the next main place of interest was near Mariefred, the Gripsholm Castle, a fourteenth century monument built during the reign of Gustava Vasa, whose sons, King Eric XIV and King Johann III, as well as King Gustavus Adolphus IV, were all imprisoned therein at some time.

Our tour proceeded to Eskilstuna, a thriving modern town, where the Rademacher Smithy is one of the best preserved of Reinhold Rademacher's iron and metal forges. Here too, we saw the God's Hand Statue, which represents the smallness of man in the hand of God; the work was done by Carl Milles in memory of Carl Edvard Johansson, originator of the combination gauge block system. Eskilstuna also has a beautiful Kloster Church and an attractive fountain beyond the church in the centre of an arm of Malaren Lake.

The road continues over the Plains of Narke, of which great portions have been reclaimed by lowering the level of the Lake Hjalmar, Örebro,

an important city, specialises in the making of shoes. It is a County Capital and a garrison town. The fortified and moated castle was built in about 1570 by Duke Charles, on the site of a small 14th century fortress called Örebro House. The town has many historical associations; it was here King Magnus Eriksson received Valdemar Atterdag, King of Denmark, in 1352, and Sweden's Independence hero, Engelbrekt, resided. In the 13th century, Marshal Bernadotte was elected heir to the Swedish throne in 1810.

Bofors, world famous for its armories, was on our route to Karlstad, County Capital, Cathedral and Garrison Town with 24,000 inhabitants. The Town Hall in the Romanesque style was built in 1869. The Freemason's Lodge was, in 1905, the scene of negotiations between Sweden and Norway, which led to the dissolution of the union between those two countries.

We continued along the shores of Lake Vanern, one of the largest lakes in Sweden. Into this lake flow the rivers and streams coming down from the wooded hillsides. Logging and fishing are two of the main occupations of this district.

(To be continued)

Check Hay Quality Now

Now's the time to take a close look at your hay. "It's a good way to pick up last year's mistakes," says Ontario Agricultural College's crops extension specialist, Stan Young.

The reason for poor woody hay is that it was far too late when it was cut. Another common loss of hay quality is leaf shatter. The biggest single reason for leaf breakage and loss is bad timing of hay operations, or simply baling too dry. Seed on the grasses or legumes is another sign that the hay was cut too late.

"The right time to cut hay is when the most feed value per acre is obtained," says Young. "And that is when the alfalfa or clover is just beginning to bloom."

Business goes where invited and remains where appreciated.

LEGION NOTES

The regular April business meeting of Stirling Branch will be held on Tuesday, April 3rd at 8.15 p.m. in the Legion Hall. President Gil Finkle asks that all members attend this important meeting.

Several important items of business are on the agenda. One matter for discussion is the planning of the May 24th Fireworks Display. The Branch will need the assistance of all members in order to make this a real success.

The Legion wish to express their appreciation to everyone who supported the local Pee Wee hockey team. A special word of thanks to the parents of the players who drove to all the games and supported the boys all season.

Branch members are asked to note that the April social meeting, originally scheduled for Tuesday, April 17th has been postponed to Wednesday,

April 18th. At this special meeting we will have two special movie films provided by the Canadian National Railways. We are given to understand that these films are outstanding movies. They will deal with Canada's scenic and outdoor beauties. All members are asked to make a note of the date — Wednesday, April 18th at 8.30 p.m.

Members of the branch will be sorry to learn of the unfortunate accident suffered by the Branch Secretary, Comrade Bruce Glendinning. The branch hopes that Comrade Bruce will soon be up and going.

Comrade Leon Shortt is most interested in forming a Legion Darts League. We have many good darts players among our members. Interested comrades should see Comrade Leon right away.

The branch executive has planned to undertake a major renovation to the Legion Hall. A new floor is needed. This operation will cost a considerable sum of money. In order to raise the necessary funds, the branch is conducting a draw for three cash prizes. The draw will be held in connection with the Fireworks Display in May. The general public are asked to assist the Legion in this undertaking.

Present branch membership totals 68 members. The end of March signals the final date for renewal of 1961 memberships. A few members are still unpaid. The Branch membership committee will be in touch with all outstanding members within the next few days. There are also several prospective new members whom we expect to enrol as branch members. If your dues are outstanding, or if you wish to enrol as a new member would you kindly contact Treasurer George Noble or Doug Patterson, Membership Chairman.

Entered Into Rest

REGINALD ERNEST COOMBS

This community was deeply shocked on Saturday afternoon to learn of the sudden passing of Reginald Ernest Coombs, a district farmer, at Belleville General Hospital, in his 62nd year. He resided about two miles south of the Village on Highway No. 33 and had been in the Village during the forenoon doing some shopping in the local stores and apparently was in his usual health. Later he was rushed to hospital.

Born in England, he was a resident of River Valley for the past 20 years and had resided in the district for a period of about 50 years in all.

He was a member of the St. John's Anglican Church and of the Brotherhood of Anglican Churchmen. He was held in high regard by a wide circle of friends who deeply mourn his untimely passing.

Surviving are his wife, the former Alice May Morgan; six daughters, Mrs. George (Enid) Harris, of Scarborough; Miss Mavis Coombs, of Hamilton; Mrs. Charles (Veva) Curtis, of Oakville; Mrs. Ronald (Sally) Woodbeck, of Stirling; Miss Janice Coombs, of Belleville, and Gwen, at home; one son, Roger, at home; and two grandchildren.

St. John's Church was filled with sorrowing relatives and friends at the funeral which took place from the Duffin Funeral Home on Tuesday afternoon. Rev. F. F. Downing conducted the service.

The pallbearers were Messrs. Hadley Richardson, John Donohoe, Jack Sager, Jim Parks, Ernest Carr and Harry Heasman.

Entombment in Stirling Cemetery Vault.

JARED TYLER HANNA

Jared Tyler Hanna, Front St. W., died in the Campbellford Memorial Hospital on Saturday, March 24th, 1962, in his 84th year. He had been ill for three days.

Born in Sidney Township, the son of the late Mr. and Mrs. William Hanna, he lived in that area his lifetime and was a retired farmer. He was a member of St. Paul's United Church, Stirling.

He married the late Margaret Rosetta Bush. Surviving are a son, Everett, of Lindsay; two brothers, Bert, of Stirling, and David, Madoc; four grandchildren and 11 great grandchildren.

The funeral took place from the Duffin Funeral Home, to St. Paul's United Church for service at 2.30 p.m. on Monday. Rev. P. J. Hommersen officiated.

The pallbearers were Messrs. Geo. Lee, Madoc; Ernest Bush, Glen Miller; Harold Bush, Jack Bush, Ralph Utman and Glen Bush.

Entombment in Stirling Cemetery Vault.

MRS. RALPH F. RAY

Following an illness of two years' duration, Mrs. Shirley Ann Ray, wife of Ralph F. Ray, Stirling, died in the Belleville General Hospital on Tuesday.

Born in Frankford, Ont., Mrs. Ray was the daughter of Mrs. Lorne Patrick and the late Mr. Patrick, and was in her 26th year. She had resided in Stirling for the past nine years and was a member of St. Andrew's Presbyterian Church.

She leaves to mourn besides her husband, two daughters, Christine and Cheryl, and three sons, Stephen, Garry and Robert, all at home. One sister, Miss Clarebelle Patrick, of Trenton, and two brothers, Donald and Blake Patrick, Toronto, also survive.

Resting at the Duffin Funeral Home, from where the funeral took place this (Thursday) afternoon to St. Andrew's Presbyterian Church for service at 2.30 p.m.

The pallbearers were Messrs. Howard Myers, Don Myers, Lyle Hay, Douglas Ackers, B. Blay and R. Tanner.

Entombment in Stirling Cemetery Vault.

The famed Canadian heroine Laura Secord was born in Massachusetts and was brought to the Niagara district of Upper Canada by her Loyalist father after the American Revolution.

STIRLING HORTICULTURAL SOCIETY

Open meeting at St. John's Parish Hall on Monday, April 9th at 8 p.m. Film on flower arranging to be main part of programme. Lunch served. Everyone welcome.

"My Get Up and Go"

How do I know my youth has been spent?

Because my get-up and go, got up and went.

But in spite of all that, I am able to grin

When I think where my get-up and go has been.

Old age is golden I have heard it said

But sometimes I wonder as I go to bed

My ears in a drawer, my teeth in a cup

My eyes on the table until I wake up.

Ere sleep dims my eyes I say to myself

Is there anything else I should lay on the shelf?

And I am happy to say as I close my door

My friends are the same as in days of yore.

When I was young my slippers were red

I could kick my heels right over my head.

When I grew older my slippers were blue,

But still I could dance the whole
